

Mustangs Rout Irish In Basketball Openers

With only one man from last year's starting five in the opening lineup, Heppner's Mustangs opened the basketball season with a bang as they shellacked DeSales Walla here Friday night, 61 to 29, and followed with a 59 to 41 triumph on the DeSales floor Saturday night.

The contest here found the Heppner lads pretty well submerging the visitors, but the game at Walla Walla was considerably closer. A scoring rash by the Mustangs in the late stages there widened the gap to give them the final 18-point margin.

Lee Padberg, the senior veteran around whom the Mustangs are built again this year, showed his teammates how to do it in both contests. He poured in a total of 48 points—23 on Friday and 25 on Saturday—as well as pulling many rebounds and zipping all over the floor on defense.

Showing good hustle and fair firepower for an opener, the Mustangs unveiled some fine hopes for the upcoming season. Ken Wright, the only other letterman from last year to start Friday, blistered the cords with some long shoots and contributed 10 points to the home five's cause, and Carl Bauman, a Jayvee of the 62-63 season, performed well, adding seven points.

A comer as a guard was also revealed in Stuart Dick, ball hawk with a capital B. He made several improbable steals and was as pestiferous to the visitors as a horse fly in a deer hunter's camp.

Ailing Coach Bob Cantonwine, still engaged in a bout with pneumonia but who appeared at the game looking about as pale as Monday morning's snow, used every man on his squad in the opener, and nine of them contributed to the total score, some of the youngsters coming through with neat shots and good floor work in the time they were in the contest.

Heppner commanded every quarter in the game, reaching a high in team scoring with 18 points in the third period.

Padberg dumped in the first two points within seconds after the opening buzzer to start the season, after which the DeSales five connected for three straight field goals before the Mustangs

shifted gears. The rather listless visitors then stalled at the six points while the Mustangs pulled away to a 11-6 margin. The end of the first quarter found the home five ahead, 15 to 8. By halftime they held a 30 to 18 margin, and stretched this to 48 to 25 by the end of the third period.

DeSales only made four points in the final quarter and never could quite climb over the 30-point mark. Heppner topped 60 points when reserve Sam Strait, coming in late in the game, whipped in a field goal in the waning seconds.

The visitors had trouble with personal fouls, committing 23, which hindered their cause. Their leading point producer was Don Hanson with eight.

Heppner's Jayvees won going away, 45-32.

In Saturday night's game, the two squads were tied at the end of the first quarter, 12 to 12, but Heppner edged to a 23-20 lead by halftime. In the third quarter, the Mustangs picked up another three points to go in front 37 to 31. It wasn't until the final period, though, that they turned on the steam, firing 22 points against 10 for DeSales, to wind up with the final 59-41 count.

Padberg zeroed in on the hoop with a deadeye in the contest, hitting nine of 18 field goals and coming through with a perfect seven on the free throw line.

Wright again contributed 10 points, and Dick was third for the Mustangs with six.

Hanson of DeSales topped his teammates with 16.

In the Jayvee game, the DeSales seconds turned the tables on the Mustang colts, winning 53 to 46.

Friday score:

SKI

TRAILS

By BIRDINE TULLIS

With the arrival of a little snow in the lowland, thoughts really turn to skiing. The season got underway at Arbuckle last Sunday. The depth of the snow on the slope varied, but the condition was excellent. A number of high school students and ski club members were there to test the snow and the equipment. The slope is really greatly improved from last year. From the top of the tow it provides a good slope for the intermediate and more advanced skier. The beginners find a challenge from about half of the way up the rope. At the top I paused to enjoy the view across the mountains—on a clear day one can see a breathtaking landscape of snow and greens. More snow has fallen on the area since last week-end, so skiing should be good this week-end. Snow tires or chains are necessary.

The Booster Night was a successful and pleasant evening for all attending. Such a tempting and delicious display of good food! The entertainment for the evening was a style show, and slides taken by various people at the area. The style show was especially interesting. The various moods and styles for ski wear were provided by our local stores. The young people modeling did so with all the charm and poise of professional models. Some of the young models were Judy Jones, Lee Daggett, Pam Johnston, Tim Tullis, Martha Peck, Steve Peck, Dale Vance, Ron Jones, Cathy Melby, Susie Melby, Marcia Sowell, and Tom Green. Thanks kids, for a job well done. A variety of door prizes were awarded during the evening. The main prize of a transistor radio was won by Don Bristow of Ione. The slides provided a personal touch—many who did not expect to be a part of the evening's entertainment found themselves on the screen. A Ski iClub thanks to all who helped to make the evening a success!

The area will be in operation Saturday and Sunday. Those coming for a full day of skiing should bring lunches. Peck's Ski Shop has rentals available on the hill for the convenience of those who do not have equipment. Those who have asked about lessons are asked to contact Steve Peck. He hopes to get classes started next week.

What and who is a skier? The skier likes weird hats, five inches of powder snow, mountains without moguls, talking about his trouble-free runs and near misses, long week-ends, and enough runs to make his tow ticket a bargain. When not skiing well it is because his boots are loose, his skis too long or too short, his wax is wrong, his glasses are fogged, or the snow just isn't right! His vocabulary is limited but does include a few words such as wedeln, schuss, sitzmark, and track! He spends his weeks recovering from the sniffles brought on by all that good clean cold air, and repairing the damages to his skis and clothing—just to do it all again the next week-end.

Skiers are plentiful in our area. Pray for more snow and we'll SEE YOU ON THE HILL!

Lily May Nistad, Marilyn Bailey, and Margaret McConnell.

Mr. and Mrs. Stanley Benson spent the week-end at Wieser, Idaho visiting relatives and on business.

Dates set for Christmas programs here in Kinzua are Thursday, December 19, at the grade school and the Kinzua Community church program will be Sunday, December 22.

Mr. and Mrs. Slim Rhoton were in Condon Saturday for medical care for Mr. Rhoton and to do some shopping.

Mr. and Mrs. Mike Michel spent the week-end transacting business in Portland.

Mrs. Earl Norris and son Ken and Mrs. Rusty Medlock spent Saturday in The Dalles where Ken took the college board test. Others from Kinzua taking the test was Warren Nistad. From Fossil were David Dahill, David Marks, Mike Loomis and Clela Crandall.

Cardinals Bomed In First Game

Ione's Cardinals started their 1963-64 basketball campaign Saturday by dropping a 20-minute contest to Riverside, 32-12, in Umatilla as part of a jamboree which pitted Ione, Echo and Hermiston B against Stanfield, Riverside and Umatilla. Each side's total score was compiled to get the final count of 76-54 in favor of Stanfield, Umatilla and Riverside.

In the other games, Echo beat Stanfield, 28-16, and Umatilla downed Hermiston, 28-14.

Friday night the Cards will try to get into the win column when they tangle with Gervais in a non-conference game at Ione. Gervais will travel from the western half of the state to play the Ione five on Friday.

The Honkers are big and should give the Cardinals a real test.

Ione's Coach, Dick Strait, commented that the loss at Umatilla could be accounted to lack of experience on the part of his boys. He said the team hasn't jelled as of yet. Strait was high in his praise of Mark Halvorsen for his showing.

As a prelim to the Gervais game on Friday, the Ione Jayvees will play the Ione grade school. The preliminary is scheduled to start at 6:30 p.m.

Saturday the Jayvees will travel to Arlington with the varsity squad and will play the Honker Jayvees at 6:30 p.m.

Heppner Ponies Get Off to Slow Start

The Heppner Ponies got off to a slow start Friday afternoon, losing both games to A. C. Houghton Jr. High of Irrigon. The B game score was 33-25 and the A game score was 36-25.

The Heppner B team, with only 6 eligible players, led at the half 16-15, but Irrigon came back in the second half to take the Heppner club 33-25. Gary Kemp was high scorer for Heppner.

With Irrigon's A team showing good rebounding, Heppner came out on the short side of the score, 36-25. The Heppner lads led 6-5 in the first quarter but the Bobcats made 14 points in the second quarter to lead at the half 19-9. The Ponies put on a good fourth quarter show but it wasn't quite enough.

Saturday, the Heppner A team traveled to Ione for a jamboree. Ione, Heppner, Arlington and Irrigon competed in the jamboree. Each team played 3 games consisting of 2 quarters each.

Playing against the Ione Cardinals in the first game, the Ponies looked good and won, 18-7.

In the next game, against Irrigon, Heppner put up a real battle but lost, 16-15.

The last game, against Arlington, was a low-scoring duel which the Goslings won 8-3.

The Ponies will not play Friday because of a conflict in schedules. The game will be played at a later date.
