**IN THE COUNTY COURT OF THE STATE OF OREGON FOR MORROW COUNTY**

In the Matter of a County Curfew for Minors.

**RESOLUTION**

THIS MATTER coming on before the County Court sitting regularly for County business on this 6th day of November, 1963, and it appearing to the County Court for Morrow County that the said County Court now has the power to create by ordinance a curfew for minors pursuant to House Bill 1307 approved by the Governor of the State of Oregon on the 21st day of May, 1963, and filed in the office of the Secretary of State and becoming effective as a law of the State of Oregon on the 3rd day of September, 1963; and the County Court further finding that it is in the public interest for the preservation of the health, safety and morals of the citizens of Morrow County that an ordinance regulating the hours for minor children to be out and upon the public ways and streets of the County; and the County Court further finding that the adjoining counties in Oregon, to-wit, Umatilla County, is now setting forth a similar ordinance corresponding in time and in age groups, and that the Counties of the State of Washington, to-wit, the Counties of Walla Walla, Franklin, and Benton, are also creating ordinances for curfew in the same manner and at the same time in conformity with Morrow County;

NOW, THEREFORE, IT IS HEREBY ORDERED that the County of Morrow does, by this order regulate the curfew hours of the County of Morrow in the following manner and in the following way:

**ORDINANCE**  
**Curfew For Minors—Regulations**

A. Definitions. The term "street" shall mean any alley, thoroughfare, pathway, sidewalk or other place of travel open to the public.

B. The term "highway" shall include any road, lane or other terminal or continuance of any roadway, open to the public.

C. The term "public place" shall include, but not limited to, places of amusement and entertainment, public building, parks, playgrounds, dance halls, vacant lots or other unsupervised places.

D. The term "parent or guardian" shall mean the actual parent or legal guardian that has the care, custody or control of such minor.

E. The hours of time specified in this chapter shall refer to the standard time prevailing in the County of Morrow from period to period, whether it be what is commonly accepted as Pacific Standard Time or Pacific Daylight Time.

F. The masculine gender as used in this chapter shall include the feminine gender, and the singular shall include the plural.

G. Hours—Places—Exceptions. It shall be unlawful for persons under the age of 18 to be upon any street, highway, park, alley, or other public place, between twelve o'clock a.m. (12:00 A.M.) and five o'clock a.m. (5:00 A.M.) on Friday and Saturday nights, and between eleven o'clock p.m. (11:00 P.M.) and five o'clock a.m. (5:00 A.M.) on any other night, except when accompanied by his or her parent or legal guardian, or in proceeding directly to or from his work in the regular course of employment, where such employment has been approved by competent authorities under the procedure outlined by statute. If questioned by a law enforcement officer, the burden of proving the right to be upon any street, highway, park, alley or other public place, during the times above specified, shall be upon the minor.

H. It is FURTHER ORDERED that the curfew hours and regulations shall become effective as of midnight November 1, 1963, and

I. It is FURTHER ORDERED that the Clerk of Morrow County cause the said Ordinance, as set out above, to be published once a week for two consecutive weeks in a newspaper of general circulation within the County.

**Bond Gift Folders Received Here**

Attractive Gift Folders for use when Savings Bonds are presented as gifts have been received here by local banks, according to County Chairman J. H. Bedford.

"More people each year are giving 'The Gift that Grows' at Christmas time and for birthday presents," according to the county chairman. "Parents and grandparents especially are becoming aware of the fact that the gift of a Series E Savings Bond on one of these occasions to a youngster will increase substantially in value by the time the child reaches college age.

For example, an \$18.75 Bond given to a child who is now five years old will be worth in the neighborhood of \$30 when that child reaches 18 years of age." Bedford also pointed out that many employers today are using Savings Bonds either as Christmas gifts for employees, or are buying them for use as year-end bonuses. The gift folders which local banks now have or will have shortly, are designed for occasions such as these.
