Citation Awarded To Gazette-Times

Announcement was made here today by Thomas S. Prideaux, chairman of the Oregon Savings Bonds Committee, of the awarding of a United States Treasury Department Citation to the Gazette-Times, Heppner.

The Citation was presented to the publication in recognition of its long-time support of the Savings Bonds program, and particularly for its backing of the Freedom Savings Bonds drive which was completed earlier this year.

It carries the following wording: "United States Treasury Department Citation to Gazette-Times in recognition of patriotic service in strengthening the Nation and its citizens through the United States Savings Bonds program." It is signed by both Douglas Dillon, Secretary of the Treasury and Chairman Prideaux.

Builders Club Meets

We started our 4-H Boardman Builders meeting with the 4-H pledge. We talked about different parts of the saw and hammer. When we looked at our boards, a funny thing happened

Clayton Moore had plywood for his breadboard and we were supposed to have pine. We had a contest drawing a saw and hammer and telling what the different parts were. Our leader played his accordion after we had a guessing game.
