

Urban Agency Set Up To Aid City Development

By MARY LEE MARLOW
BOARDMAN—The Bureau of Census in Salem has confirmed that the new census of the city of Boardman is 231, which is an increase of 60% over the 1960 census. This was the result of a house to house count by the city council in answer to a request by the Census Bureau after it was reported several weeks ago that the town had more residents. The 231 total does not include approximately 100 persons that live in a trailer court adjacent to the town that is not included in the city limits.

The Boardman City Council passed a resolution last week to form a renewal urban agency consisting of eight members. Arthur Allen was appointed temporary chairman. Others include Dewey West, Ernabel Mittelsdorf, Zearl Gillespie, Ed Kuhn, Seth Russell, Vernon Russell and Joe Tatone.

The agency will be an organization that will handle the initial development of the new city of Boardman, including the platting of grounds, sub-dividing, surveying, and selling and distribution of lots.

Mayor Dewey West presented to the council a program for the city to take over all vacant and abandoned lots now in custody of the Corps of Engineers, said lots to be used for temporary locations for trailer houses unable to find other space.

The council took action to prevent further vandalism in regard to street lights. Several have been broken in recent weeks. Ernabel Mittelsdorf, Ed Kuhn and Arthur Allen were appointed as a committee to draw up a notice to send out to city residents asking for their support in this matter.

M. D. Van Valkenburg, city attorney, The Dalles, advised the council to get liability insurance for the city. Mayor West had on hand a sample policy used by cities of this size, having made a recent survey on the subject.

Industrial Land Available

The Morrow County Port Commission is completing transactions for lands which will total over some 3300 acres which will be available for industrial use. Located just east of the town of Boardman, bordering the city limits, they will have approximately a mile of waterfront, and three-fourths of a mile of rail frontage. The commission held its regular monthly meeting here last Thursday night to discuss the program for the coming year, and reviewed last year's.

Wayne Cordes, port attorney, Portland, will be present at the next meeting to discuss the change in the local budget law. Commissioners present at the meeting were Al Lamb, Heppner; Gar Swanson, Ione; Dick Krebs, Cecil; and Dewey West, Boardman.

Mrs. Claud Worden was hostess for the Home Economics club of Greenfield Grange at her home last week, with Mrs. Guy Ferguson as co-hostess. Luncheon was served at 12:30.

Mrs. Leonard Bedord was installed as club chairman by Mrs. Bernard Donovan, past chairman.

Mrs. Donovan reported that the Christmas Mystery Sister party was successful. The auditing committee, Mrs. Claud Coats, Mrs. Ronald Black and Mrs. Florence Root, reported the books had been audited and were all in good order.

The club will sponsor a Dime A Dip dinner at the school January 31 from 5 to 7 p.m. to raise money for the March of Dimes.

The third and fourth grades presented the following program: play, "The Sleeping Beauty;" choral reading, "The River," third grade; poem, "Over the Garden Wall," Delta Greg; poem, "The First Snowstorm," Tarina Lowe. Ronald Summers was announcer.

Greenfield Grange met last Thursday evening at the hall, starting with potluck supper at 6:30. Hosts were Mr. and Mrs. Claud Worden and Mr. and Mrs. Guy Ferguson.

Master Nathan Thorpe installed the following officers, assisted by Andrew Skiles and Mrs. Nathan Thorpe: Florence Root, chaplain; Leo Potts, gatekeeper; Flossie Coats, Pomona; Harriet

Bedord, Flora; Guy Ferguson, executive committee.

A motion was made to change the meeting night of the grange to the third Saturday of each month. It will be voted on at the next meeting, February 13.

Four tables of pinochle were in play at the party at the grange hall Saturday night. Mrs. Peter Matz and Mrs. Walter Hayes won the pinochle prize; high scores were won by Peter Matz and Mrs. Don Downey; and low by W. G. Seehafer and Mrs. Leonard Bedord. Hostesses were Mrs. Cecil Hamilton and Mrs. Otto Munger.

The next card party will be held January 25 with Mrs. Guy Ferguson and Mrs. W. C. Seehafer as hostesses.

IT'S YOUR LAW

Respect for Law Makes Democracy Live

THE KNOWLEDGEABLE WIDOW

Sit back and take a good look at all you have done: You've given your family a home, security, and many luxuries. For them you want the best now and tomorrow. And even after you are gone. So, most likely, you've already drawn up a will to save on death taxes. Perhaps you've put some funds in trust for certain purposes.

Even so, you can't do all your family's thinking for years to come. You have to equip them, especially your wife, to manage their own affairs.

Refresh your wife on your business—what you own; how you regard it; who your associates are, and whom to look to for facts and advice. In this way you can keep her from some mistakes.

Tell your wife how you pay the bills, keep records, and pay your taxes. Tell her especially who advises you on these matters. Tell her about insurance, trust funds, stocks

and other investments. Show her the papers and where you keep them. And why.

Show her how you bought the house and car.

See that she meets your lawyers, bankers, and business associates.

Does she know enough about your business and whom you deal with? She may have to take it over and run it or sell it.

Take her to your office; show her where you keep the books, vital papers, letters, checks, and receipts.

Does she know how to file her tax forms and whom to consult about taxes?

Take her through your business papers. Perhaps while you are around to supervise, you ought to let her have a trial run or two in some transaction to give her skill, knowledge, and confidence.

MORE THAN six years ago, Mary Beth Pyron was born at Florence, Ala., with the severe birth defect of an open spine (above). Eventually the spine was repaired by neurosurgeons at the March of Dimes-sponsored Birth Defects Clinical Study Center, Vanderbilt University School of Medicine, Nashville, Tenn. Back home now, Mary Beth, March of Dimes National Poster Child in 1960, has been making excellent progress. She attends school and is learning to walk (above), wearing leg braces and supporting herself on parallel bars. March of Dimes contributions support the fight against birth defects, arthritis and polio.

Visit in Florida

Mr. and Mrs. Raymond B. Ferguson of Heppner enjoyed a visit to Sarasota Jungle Gardens during their recent vacation on Florida's Lower West Coast. The visitors mingled with flamingos and other rare wildfowl from every continent roaming freely in these world-famous gardens. Other points of interest in Jungle Gardens were hundreds of unusually colorful tropical plantings, huge Royal Palms bordering jungle trails, and brilliant macaws and cockatoos which pose with visitors for pictures. They were at Sarasota on December 30.

Heppner, Condon Hearings Slated On Power Trade

Two public hearings will be held concerning a Pacific Power and Light and Columbia Basin Electric Cooperative agreement to exchange electric facilities and service areas in Gilliam, Wheeler and Morrow counties, Jonell Hill, public utility commissioner, states.

One hearing will be held at 10 a.m. in the Gilliam county circuit courtroom in Condon on January 21. The other hearing is on January 22, and will begin at 10 a.m. in the Morrow county courthouse at Heppner.

PP&L and the co-op on January 3 filed a joint application with the PUC asking for an order authorizing the exchange of territories previously allocated to them by the Commissioner.

The co-op, under the agreement, would pay \$1,492,000 for PP&L's distributing properties in Olex and Condon in Gilliam county, Fossil in Wheeler county and Ione, Lexington and Heppner in Morrow county, and their neighboring rural areas. The co-op has said it will continue to serve these customers at the same rates. PP&L's residential rates are lower in these areas than the co-ops.

Pacific would acquire two sectors of the co-op's present service area bordering the Columbia River in Gilliam and Morrow counties, including a portion of the Boardman bomb range and the adjacent space age Industrial Park.

About 60 of the co-op's customers in and near Blalock would be served by the company under the terms of the exchange agreement.

The Federal Power Commission recently approved the transfer and agreement.
