

# Hoopers Post Big Win; Defeat Sherman Here

By GREG PIERCE

Heppner's Mustangs swept through their second Greater Oregon league basketball game here by dropping Sherman County, ranked fourth in the Oregon Journal A-2 poll, 55-51, before a crowd of some 800 persons in the new Heppner gym Friday night.

The victory kept the Mustangs at the top of the league ladder and evened games with the smooth Sherman county five, which had emerged victorious over Heppner in the Condon invitational tournament during the Christmas holiday period.

Three regulars scored in double figures for the Mustangs as they ran up their second win against no defeats in the new hoop plant.

Early in the game, the Mustangs, who are ranked in the top 10 in all three state A-2 polls, fell behind, 10-14, but came on strong and had the lead at intermission, 26-23.

Ken Wright fortunately chose this game to give one of the best demonstrations of outside shooting seen here for a long time. He dropped in shots from 20 to 25 feet out to take top honors for the Mustangs with 18. When Sherman came out to guard him, he passed in to his teammates, Lee Padberg and Doug Dubuque, who finished with 17 and 12 respectively.

After intermission, the Mustangs saw their lead lost only once, this early in the third quarter when Sherman went in front briefly, 30-31. Surging back, the Heppner five pulled away steadily and at the end of the third quarter had a six-point margin, 42-36.

Rolling on, the home club gave the partisan crowd a chance to breathe easier as they moved to a 10-point margin at one time, 48-38, but, led by Doug Bish and nifty Ron Johnson, the Huskies fought back to narrow the final margin to four points.

Heppner's shooting average was down to 29% with the lads getting only 21 of 71. Wright alone had a good percentage as he hit his eight from the floor on 18 attempts, close to a .500 mark. Sherman county, a team that won frank admiration from the local fans, shot almost identically to Heppner, getting 20 of 70 tries.

Padberg, sensational on the floor with his ball hawking tactics, led the Mustangs in rebounds, 15 to 13.

Coach Bob Cantonwine was well pleased with the way his boys played and said that it went as they had planned it.

Johnson topped Sherman's scoring with 18 and Bish followed with 15. The losers saw two of their squad leave the game via personal fouls, including big Ken Blagg and Bish. Johnson and Dick Grabenhorst each had four at the end of the contest. For Heppner, Dave George and Carl Bauman were both in trouble with four each, but none

on the team had to leave on personals.

# Mustangs Capture Come-from-Behind Win over Condon

By GREG PIERCE

Forced to come from behind to catch the Condon Blue Devils, the Heppner High basketball team topped the Gilliam county team there Saturday night, 65 to 49, to post their second victory over Condon this season.

The Mustangs had all they could handle in the non-league encounter. Condon took the lead at the end of the first quarter, 18-12. In the second stanza the Mustangs outshot Condon and closed the score to 29-25 at halftime but were still trailing.

Doug Dubuque, playing his first week-end as a starter, showed real strength under the boards and collected eight points.

Fired up after the half, the Horsemen with the help of dead-eye Ken Wright, finally went ahead, 46-40. The fourth period was all on Heppner's side as they coasted to victory, 65 to 49.

Lee Padberg hit for 13 to take second place in the Mustang scoring.

Coach Bob Cantonwine used all 12 players, and eight of them collected points. However, the coach was not pleased with the way the team played in the first half.

The Mustangs shot 30 per cent from the field and 53 per cent from the foul line. Condon hit a cooler 26 per cent from the field but a hot 78 per cent from the foul line.

Mike Parrish was high man for Condon with 16 and Robert Stinchfield was second with 12.

SCORE:  
HEPPNER 65—Wright 19, Dick 4, Padberg 13, Bauman 11, George 2, Clark 2, Anderson 6, Dubuque 8, Evans, Strait, Snyder, Spencer.  
CONDON 49—Stinchfield 12, Beck 3, Parrish 16, Palmer 2, Myers 2, Johnson 6, Ashenfelter 3, B. Barnett, Smith 2, J. Bailey 2, Larue.

## How many ways is electricity used in this picture?

How many ways is it used in your home? Do you ever wonder what happens when you plug into a wall outlet? Where does the power come from? You usually can't see it unless it is in a light. Why do fuses blow? Why should you NEVER touch an electrical object with wet hands? Scores of 4-H Club members could tell you the answers. They found them while working in the 4-H electric program. Through the Cooperative Extension Service and sponsoring groups, the young people have access to some of the best personal guidance and informative literature in the electrical field. Boys and girls interested in electricity should see the county extension agent.

# Cardinals Win Two; Climb on Ladder

Tired of being kicked around on the basketball court this year, Ione High's Cardinals surged through with a pair of road victories over the week-end, defeating Stanfield at Echo Friday night, 68 to 47, and whacking Helix there Saturday night, 61 to 54.

These victories brought Coach Dick Strait's squad to fifth spot in the standings of the Umatilla Morrow B league and put them above Echo, Helix, Stanfield and Umapine, the latter two yet to taste victory.

Tom Heimbigner was the big scorer for the Cardinals against Stanfield, tallying 21 points. The Ione players fired a sizzling .539 clip for the night, making 29 of 54 attempts. Stanfield managed only 14 of 42.

The winners led all the way, holding a 12-7 margin at the first quarter stop and holding a 28-20 halftime margin. They really put on the steam in the third quarter with 20 points to only six for Stanfield, giving them a clinching 48 to 26 margin, and then eased off in the final stanza, allowing Stanfield 21 while they hit another 20.

Four of the five Ione starters wound up in double figures with Jay Ball netting 12, Mark Halvorsen 11 and Joe Halvorsen 10. Fred Guthery topped Stanfield with 14.

Stanfield's jayvees won the preliminary, 47 to 39.

Helix proved a lot tougher for the Cards who cooled off on their shooting Saturday night. The Grizzlies trailed six points at the half, 33 to 27, but fought back and with 1½ minutes to go were only two points behind. However, Ione rallied and wound up on the long end of the 7-point difference.

Evrey starter for the Cards hit in double figures and only three points separated the lowest and highest. Mark Halvorsen and Ball led the team with 13 each, followed by Heimbigner and Joe Halvorsen with 11 and Bill Klingler with 10.

However, Helix' Charles Porter was high man on the floor with 20 for the losers.

Ione grabbed a narrow 16-15 first quarter lead, took the 6-point bulge at the half and widened it to seven at the end of the third quarter, 47-40, before feeling and resisting the Grizzlies' last ditch pressure in the final period.
