Mosaic Workshop To Hold Three Weekly Sessions

Eight mosaic project leaders from Heppner, Lexington, and Ione are combining talents to present a three-Monday Mosaic workshop for all interested men and women of south Morrow county, according to Esther Kirmis, Morrow county extension agent.

The meetings are scheduled to begin on February 17, between 10:30 a.m. and 2:00 p.m. in the Lexington school. Those

attending are asked to bring a sack lunch. Coffee and tea will be furnished, she adds.

Miss Jessalee Mallalieu, OSU recreation specialist, trained 16 leaders in the county in the art of mosaics during last October, comments the extension worker. Now these women are sharing their knowledge with others.

The agent will begin the February 17 meeting with comments on color and design and Mrs.

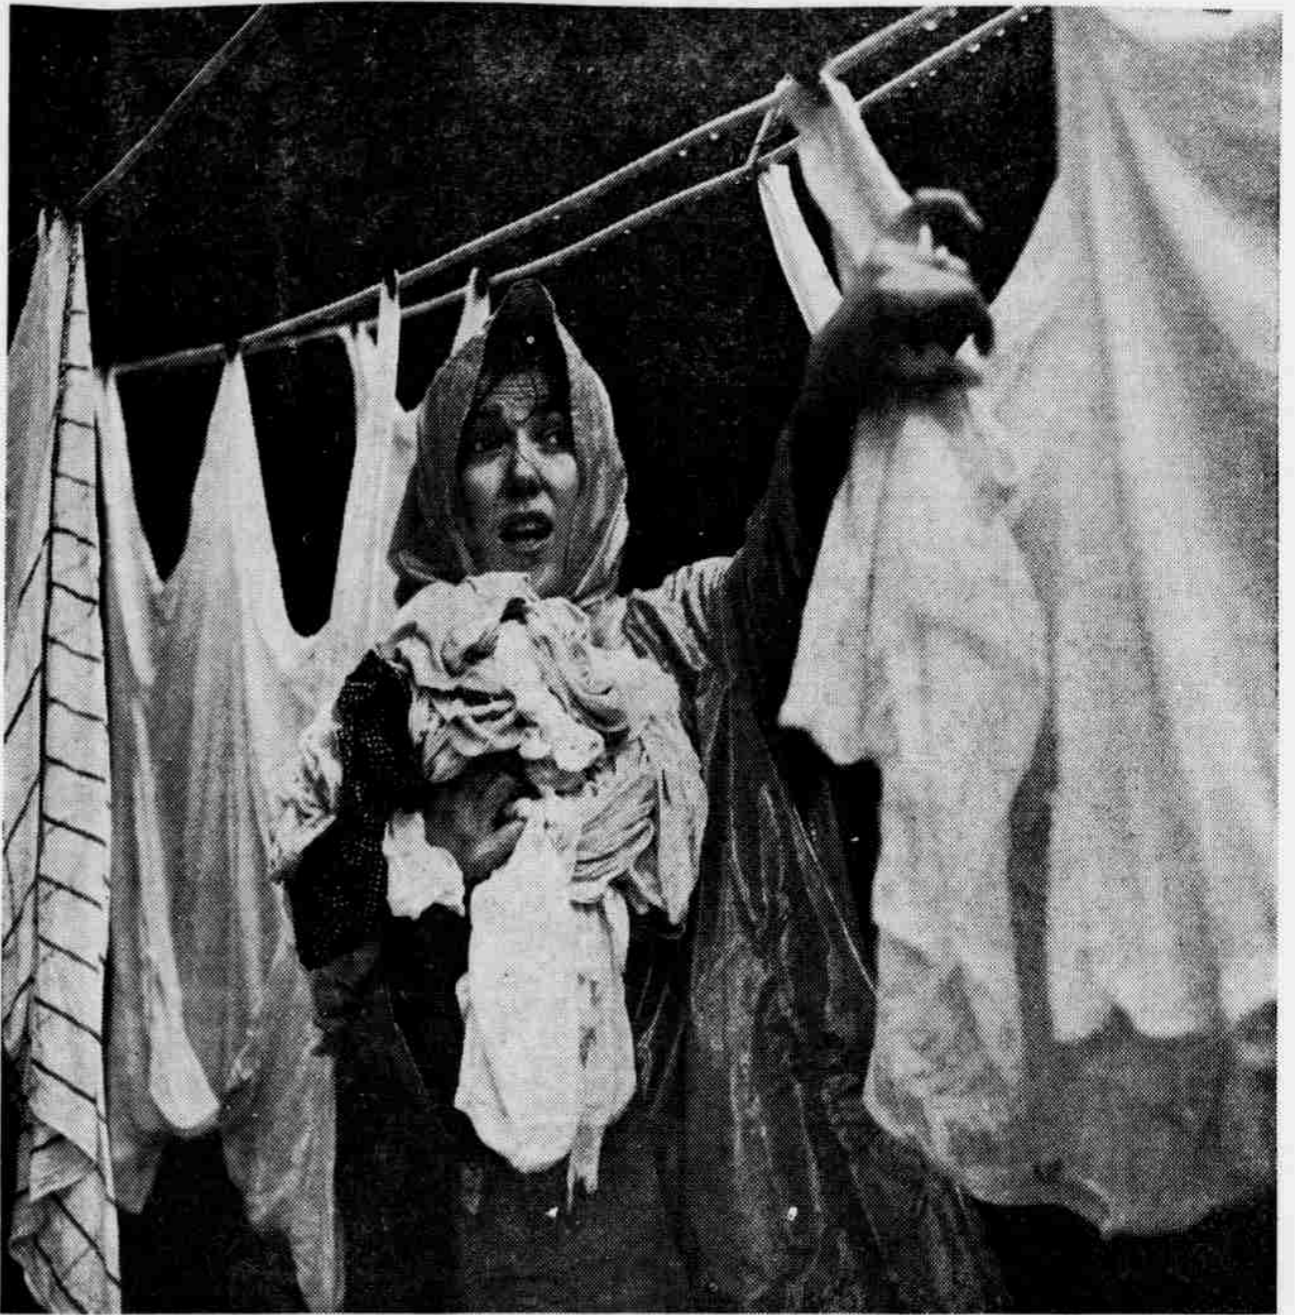

Millard Nolan, Lexington; and Mrs. L. A. McCabe, Ione, will demonstrate seed mosaics, which give you the basis of the art, Miss Kirmis explains. (Bring seeds, glue, and a piece of hard-board, 5x7, to this meeting).

The following Monday, February 24, will see Mrs. Omar Rietmann, Ione; Mrs. Orrin Wright, and Elwood Boyd, Heppner, explaining the craft of tile mosaics.

Mrs. C. M. Wagner, Mrs. Harold Peck and Mrs. Deane Graves, Heppner, will show how to preserve a "found" (treasured) object in mosaic cement in March.

In order to insure a local merchant that there will be a call for tile and other mosaic supplies, it will be necessary for you to sign-up with any of the leaders listed above, or the county agent's office by February 3, notes the agent.

Boardman and Irrigon are already in the process of presenting mosaics, she remarks.
