Del's Market Gets Jackpot Winner

Winner of the first jackpot offered by Del's Market in the Jackpot Jamboree started by the store two weeks ago is Phyllis Richardson of Heppner, Del Piper, manager of the store, announces.

The winner, who found that the number printed in her copy of the Gazette-Times matched the number posted in the store, received $10 in merchandise. Another $10 is placed in the jackpot by Del's to start it again this week, and numbers are printed in the store's advertisement in this paper. If the amount is not claimed by a winner within the next two weeks, another $5 will be added, and this will be continued bi-weekly until the jackpot is claimed.

Rick Marquardt Wins

Ricky Marquardt of Lexington has been announced as one of the winners in a contest sponsored by Mayflower Farms. The competition, "Kids Make Better Ads than Anybody," had children illustrate advertising messages. Contestants were all under 12, and 117 winners were named. Ricky won a pair of roller skates for his entry.

IF YOU need a rubber stamp for any purpose, call at the Gazette-Times office. All styles of type, all sizes of stamps available promptly. Also pads, dater stamps, stamp pad ink and supplies.

Medical Course Classes to Start

Rhea Creek community is scheduling six Medical Self-Help training meetings beginning Monday, January 20, at the Rhea Creek Grange hall, at 7:30 p.m., according to Mrs. Albert Wright, extension unit chairman.

Radioactive fallout; first aid for shock, bleeding, fracture and burns; water and food, and nursing care for the sick and injured are some of the topics that will be discussed by William Crooke, first aid instructor; Mrs. Marvin Casebeer, nurse; and Esther Kirmis, county extension agent.

The course, sponsored by Civil Defense, is intended to give students knowledge as to how they may meet their own health requirements in the event that adequate medical care is not available following a nuclear attack or any emergency.

All interested Morrow county residents are urged to attend these training sessions. Proper knowledge and skills in many instances assure that you as well as your fellow citizens can remain physically well and be prepared to assume the tasks of rehabilitation once an emergency is over, says Morrow County Civilian Defense director, C. J. D. Bauman.

Here is the schedule:

January 20—Radioactive Fallout and Shelter, William Crooke, instructor.

January 27—Bleeding and Artificial Respiration; William Crooke, instructor.

February 3—Fractures and Splinting and Transportation of the Injured; William Crooke, instructor.

February 10—Burns and Nursing Care of the sick and injured; Mrs. Marvin Casebeer, instructor.

February 17—Hygiene, sanitation and vermin control; water and food; Esther Kirmis, instructor.

February 24—Infant and child care; Emergency childbirth; Mrs. Marvin Casebeer, instructor.
