Ione Rainbow Girls Install S. Lindstrom As Worthy Advisor

IONE—At an impressive ceremony at the Masonic hall on Tuesday evening, January 21, Susan Kay Lindstrom was installed worthy advisor of Ione Assembly No. 89, International Order of Rainbow for Girls.

Other officers installed were Karen Hams, associate worthy advisor; Elaine Gaarsland, charity; Bonnie Hynd, hope; Mary Nichols, faith; Joyce Peck, recorder; Cheryl Smouse, chaplain; Shirley Hicks, drill leader; Teresa Tucker, immortality; Teresa Stefani, fidelity; Bonnie Akers, love; Dixie Peck, Connie Emerit, patriotism; Linda Rowell, service; Judy Eubanks, confidential observer; Elaine Savage, outer observer; Terri O'Connor, musician; Linda Nichols, choir director; Cathy Hauser and Bonnie Morgan were unable to be present and installed.

Mrs. Lewis Halvorsen was installed as mother advisor for the assembly and Mrs. Roy W. Lindstrom, Mrs. Omar Rietmann, Lewis Halvorsen, and Mrs. E. R. Schaffer were installed as board members. Two members of the board, Mrs. Charles O'Connor and Melvin Melena, were also absent. They will be installed at the next regular meeting.

Crowning ceremonies were conducted by Susan's father, Roy W. Lindstrom and her brother, Stephen.

Under good of the order the new worthy advisor introduced her family and Mrs. Harold Becket, grand deputy of International Order of Rainbow for Girls; Mrs. James Myers, mother advisor of Ruth Assembly No. 50 in Heppner; Susan Marquann, worthy advisor of Arlington Assembly; Mr. and Mrs. Dick Sherer and Mrs. George Griffith, past worthy advisors; and Merrie Jo Morrison, grand representative of Canada in Oregon. Susan gave a talk on her theme and ideals for the coming term.

Mrs. Halvorsen presented Lee O'Connor a past worthy advisor's pin from the Assembly and a gift from herself. Mr. and Mrs. Lindstrom presented their daughter with a gift.

Due to the illness of Susan's sister, Christian, Cindy Ekstrom had charge of both the guest book and programs.

During the reception which followed, Mrs. Elmer Griffith, grandmother of the worthy advisor, and Mrs. Becket, poured from a tea table decorated in blue and white, and Mrs. Warren Crutcher, Susan's aunt, served the cake. Susan Marquann and Julie Odom of Arlington served the punch. About 50 guests were in attendance.

Livestock Club Holds Dinner After Meeting

The February meeting of the Blackhorse Livestock 4-H club was called to order by President Maureen Doherty. Denise Bloodworth and Michelle Miller led the flag pledges. Roll was called, with all members present.

A letter of thanks was sent to the Morrow County Grain Growers for supplying 4-H calendars, signed by the members. A discussion was held over the desirable parts of swine, beef and sheep.

After the meeting we had a potluck dinner, with 34 people present. Mr. and Mrs. Joe Hay and Pam Johnston were guests. The next meeting will be at the Don Robinson home on March 1.

Susan McCoy Wins Riverside Homemaker Of Tomorrow Award

Miss Susan Lorraine McCoy, daughter of Mr. and Mrs. Warren McCoy of Irrigon, is Riverside High school's 1964 Betty Crocker Homemaker of Tomorrow, achieving the highest score in a written knowledge and attitude examination given December 3, 1963. Susan has received a pin, awarded by General Mills, Inc., sponsor of the program, signifying her achievement, and her test paper will be entered in competition for state honors.

The state Homemaker of Tomorrow will be awarded a \$1,500 college scholarship, and will be named a national finalist. Her school will be presented with a set of Encyclopedia Britannica, awarded by Encyclopedia Britannica, Inc. The state's second ranking girl will receive a \$500 scholarship.

In the spring, state Homemakers of Tomorrow, each accompanied by a school advisor, will enjoy an expense-paid educational tour to Colonial Williamsburg, Va., Washington, D. C., and New York City. The trip will be climaxed with the naming of the 1964 Betty Crocker All-American Homemaker of Tomorrow. She will be chosen on the basis of her original test score together with personal observation and interviews during the trip. Her scholarship will be increased to \$5,000. National runners-up will receive \$4,000, \$3,000 and \$2,000 scholarships.

Barbecued beef will be the main course for the dinner, and the public is invited. Admission for the dinner is \$1 for adults and 75c for children.

Date of the dinner is Saturday, February 15, starting at 6:00 p.m.

Irrigon Residents Contacted in Survey On City Water Plan

IRRIGON—Archie French and Jim Pyro, engineers of the Cornell, Howland, Hayes and Merryfield firm, presided over a city water meeting in the city of Irrigon Tuesday evening, January 28, and presented feasibility studies for both water and sewer systems. Considerable interest was shown for obtaining city water, but little interest at the present time for a sewer system.

The city had previously mailed letters to property owners to prepare a survey to determine if there is sufficient interest to warrant pursuing a city water system. It will require 50 homeowners to install meters to make the system feasible and then the city would require a federal grant to assist in defraying the cost of the \$80,000 project.

If the system is installed, it will consist of a 10-inch well, drilled to a depth of approximately 350 feet, and more than 20,000 feet of mains to service the residents. It would be financed by floating bonds, a property assessment and a minimum water usage charge of \$3.50 for the first 3,000 gallons of water used. Also, the city hopes to gain the federal grant which would finance 50% of the project.

Health Department Clinic Change Made

Due to a change in policy as outlined by the Oregon State Board of Health consultant to this area, the Morrow County Health Department has made a change in the previously announced school immunization clinics, Mrs. Lowell Chally of the health department states.

The typhoid vaccine series will not be given in the Heppner, Lexington and Ione areas. Typhoid boosters for those having already completed the series and due for boosters will be given.

It is suggested that those wishing the typhoid vaccine series check with the family physician.

Lutherans Slate Lenten Services

Ash Wednesday, February 11, will mark the first in a series of mid-week Lenten worship services at Hope and Valby Lutheran churches.

General theme will be "20th Century Nails," Pastor Kenneth Robinson states.

"Some 1900 years ago men drove spikes into the hands of Jesus in an attempt to destroy His claim of truth," the pastor said. "Do men continue to drive spikes into God's attempt to reach them?"

Schedule during Lenten is as follows: February 12—"The Spike of Greed!" (at Hope); February 19—"The Spike of Sensuality!" (at Valby); February 26—"The Spike of Indifference!" (at Hope); March 4—"The Spike of Self-Satisfaction!" (at Valby); March 11—"The Spike of Materialism!" (at Hope); March 18—"The Spike of Prejudice!" (at Valby). Good Friday, March 27, "The Spike of Religiosity!" (at Hope). Holy Communion will be celebrated at this final worship along with the Litany and veiling of the cross.

All services start at 8 p.m.

Mrs. Moore Starts Modern Dance Class

Mrs. William (Yana) Moore is beginning classes in modern dance instruction for young people, with classes scheduled twice each week. She will hold classes in the old library rooms of the Heppner City hall on Wednesdays at 3:00 p.m., and on Saturdays at 1:00 p.m.

Varieties of dances will include Russian-French ballet, tap dancing and modern jazz.

Mrs. Moore, a certified member of Dance Masters of America, has had 13 years of dancing experience, both as a performer and a teacher. Before coming to America she took lessons in her native Czechoslovakia from a Russian royal ballet master. She and her family lived in Clinton, Okla., before coming to Heppner last year, and for several years instructed in modern dance classes there.

For further information she may be contacted by phone at 676-9686.

Falcon proves it's America's toughest compact in the rugged Monte Carlo Rallye!

Four Falcons started from Oslo, four from Paris, on routes calculated to be equal in difficulty and length. Weather conditions varied from clear, bitter cold through freezing fog to blinding snow—and the time schedules made no provision for delays. Here a Falcon swirls through a sudden snow shower, testing traction in a practice run.

Falcon entered two classes in Europe's 2,700-mile winter ordeal—won them both and finished 2nd overall out of 299 cars. That's durability!

In the Rallye's five special Alpine sections, Falcon was first overall in four, tied for first in one. That's roadability!

In the Rallye's final test around the Monte Carlo racing course, Falcons were first and second. That's maneuverability!

MONTE CARLO—The 33rd Monte Carlo Rallye started with 299 cars. Some 2,700 miles and 3 1/2 days later,

only 163 were still in the rally when the field struggled into Monaco—but they included all eight of the specially equipped Falcons that originally started!

This eight-out-of-eight record was perhaps more remarkable than the fact that, despite a handicap formula that favored the smallest cars, a Falcon captured second place overall. One car can have luck... but eight have to have total performance. Because the Rallye samples every variety of weather and road conditions the continent can provide, and because it winds up on the most remote byways in the French Maritime Alps, it is a supreme test of all the car's abilities. Falcon steering had to be flawless on glare ice above a 1,000-foot drop. Those fabulous V-8's had to run like dynamos.

The final results in the Monte Carlo Rallye gave Falcon 2nd place overall, 1st in Class 8 of the Touring category, 1st and 2nd in Class 5 of the much tougher Grand Touring category, 1st and 2nd in the final three-lap test on the Monte Carlo circuit. The best finish

by a Valiant was 88th overall. Falcon gained invaluable experience in how to build a car better, make it tougher, sharpen up its total performance. That's the real reason Ford is interested in open competition—and why Ford-built cars have got so much more to show drivers. Drive one and see; it won't have six lights, or a horn you can hear for four miles in stormy weather, or the other special rally equipment—but it'll sure surprise you!

TRY TOTAL PERFORMANCE FOR A CHANGE!
