SKI TRAILS

By BIRDINE TULLIS

Those who have looked up toward the mountains recently have probably noticed that there has been a terrific snowfall during the week. There was about eight inches of powder on the slope at Arbuckle Saturday morning. By evening there was another four inches added, and it was still snowing. The skiing conditions were ideal Sunday.

The plentiful amount of new snow made driving a bit complicated Saturday. Several cars were stuck in the snow—but all made it out with a little pushing and pulling. Sunday Orville Cutsforth came to the rescue in his mountain car "Essie." He cleared one lane of traffic from the bottom of Shaw Creek to the area with the small snow plow attached to the front. The strain was too much for faithful Essie, however, and when they arrived at Arbuckle she groaned and moaned and refused to go any farther. Due to his efforts no one encountered any difficulty in driving to the area Sunday. We all thank you, Orville!

The Morrow County School Board was very generous in offering the George property to the ski club to be reclaimed for building a lodge at the area. After much study and deliberation, the club was reluctantly forced to admit it had neither the manpower nor the finances at this time to use the building properly.

The date of March 14 has been selected for the annual fun and competition day at Arbuckle Mountain. The youngsters in the club are looking forward to this day to show off their newly acquired skills on skis. Keep this date in mind and watch for further announcements. Don Wise and Ken Peck are in charge of plans for the day.

New on the hill this week: the Bob Henry family. Bob, new manager of the J. C. Penney store, says skiing is one of his favorite hobbies. The Glenn Perkins family—skiers recently moved to Heppner from Alaska. Janet Wise—now the entire Wise family is skiing. Rose Baker of Ione and the Baker girls. Loa McElligott of Ione. Loa looked

Mustangs Clobbered By Burns Hilanders

By JIM MORRIS

You are breezing along on top of the league with not a care in the world and the league basketball championship is just beyond your reach. You need one more win to wrap it up and you are scheduled to play a team you have beaten once already by 20 points.

This sounds like an ideal situation for any basketball team but this same situation turned into a nightmare for the Heppner High Mustangs Saturday night as they traveled to Burns and were upset by the Hilanders, 66-58.

Heppner shot a cold 302 from the floor for the game with the third-place Hilanders and really suffered at the free throw line as it was able to convert only 26 of 46 attempts for a .565 average.

Meanwhile, the Hilander crew ripped the net at a .350 pace and converted 22 of 27 from the charity stripe for a .815 mark.

Both teams opened fast in the contest and went immediately to work on the bucket to gain an advantage. By the end of the stanza, the Horsemen had fired themselves to a slim 20-18 lead.

The pace slowed considerably in the second quadrant as both quintets hit a cool period from the shooting line. By intermission, the Mustangs had hiked their advantage to four points at 31-27.

Burns took command in the third canto and started on the way to their sixth league victory of the season and as the teams lined up for the final tip, the Hilanders were in front, 44-40.

From this point, the Mustang effort continued to go down hill and the Burns five charged to victory.

Lee Padberg was the only Heppnerite to hit in double figures as he canned 20 points.

Cork Palmer hit the high for the game and for the Hilanders by dropping in 23 counters.

Nazarenes Top 400,000 Mark In Membership

Church of the Nazarene, with international offices in Kansas City, Mo., has reported that the denomination exceeded the 400,000-mark in world membership during 1963, according to the local pastor, J. G. Weller.

Grand total for 1963 was 401,532 members. Membership in overseas churches in 44 countries was 59,500. The Nazarene denomination has more than doubled in membership in the last 20 years. In 1943, its world membership was 197,892.

Per capita giving was a record \$153.56 in 1963, an increase of \$5.78 over the previous high mark in 1962.

Mustangs Ramble, Tip Grant Quint By 71-60 Count

By JIM MORRIS

Heppner displayed fine shooting percentages from both the floor and the charity stripe Friday night as it invaded John Day and clobbered the Grant Union Prospectors, 71-60, in Greater Oregon basketball league action. The Mustangs hit .485 from the field and .818 from the free throw line to clip the Grant quint.

Heppner opened fast in the contest and ran the smaller Prospectors into the floor for a 20-8 first quarter advantage.

By halftime, the Mustangs had increased their point spread and were in command, 41-25.

Coach Bob Cantonwine's charges continued their winning ways in the third canto and were at full throttle with a 61-41 lead with only one quarter remaining in the contest.

Reserves played a good share tango coasted to their seventh of the final period and the Mustang conference win.

Lee Padberg paced the Mustang attack with 25 points. Ken Smith contributed 12 counters to the Heppner effort.

Jim Iler led the Prospector cagers with 19 points.

Ione Prepares For Final Tilts

Ione High will enter its final competition of the regular basketball season this week as it goes against the Umatilla Vikings and the winless Umapine Chiefs. The Cards will use the games to warm up for the sub-district tournament in Pendleton February 27-29.

Friday night the Cards will travel to Umatilla to meet the Vikings who are currently entrenched in fourth place in the Umatilla-Morrow league with a 8-6 record.

In this final meeting with the Vikes, the Cards will be out to average the 54-53 heartbreaker they dropped to the Umatilla club in the first meeting of the two clubs.

Saturday night the Cardinals will return to their home court to host the Umapine five, a club the Cards clobbered earlier.

Umapine has found the win column outside their reach so far this season and could be rough for this last game.

Ione, however, should have little trouble with the Umatilla county club.
