Nominations accepted included Mrs. Marshall Lovgren for secretary, Mrs. Clyde Allstott, treasurer; and Mrs. Pat Cutsforth, vice-president. A PTA sponsored, polo booster shot program was an item of new business discussed.

In short interviews, each described a few of their many teaching experiences and pointed out on a map locations of the rural schools in the vicinity where they had once taught.

Letters received from teachers unable to attend were read aloud and old pictures of some of the schools and group classroom pictures were projected on a screen for the enjoyment of all.

Institution of an Oregon Beef Council Award of Merit program was announced in a letter to Floyd Jones of Heppner, Morrow County Cattlemen's Ass'n. President; Mrs. Bill Doherty of Lexington, Morrow County CowBelle President; N. C. Anderson of Heppner, Morrow County Extension Agent; and Gerald Jonasson, PFA instructor in Heppner High school by Irvin Mann, Jr., Oregon Beef council public relations chairman.

Award of Merit will go to junior and adult members of the beef industry who register significant achievements that are truly marked by excellence in application and accomplishment.

"The Beef Council is particularly anxious that these awards be meaningful—that the junior award for achievement be made only in cases of truly excellent and extraordinary accomplishments and that the adult award for contributions to the welfare of the industry be made only on the basis of the same rigid requirements," said Mann.

"Contributions or achievements, which must be documented, may be in any category of the industry," he said. He gave as examples, herdsman's hip, sponsorship of shows and awards,

## Specialists Appear On Medical Seminar

Dr. A. D. McMurdo was in Portland last Thursday to attend an all-day Seminar on Rehabilitation at the Emanuel hospital. The area of rehabilitating physically and mentally handicapped patients is becoming an extremely important field in the medical profession, he found.

showmanship, beef cooking or development of beef recipes, fat stock competition, carcass cutability accomplishments, herd improvement and development and contributions to beef husbandry.

## Better Fire Rating Hope of City Council

IRRIGON—The Irrigon City Council met last Tuesday evening, with Mayor Chester Wilson presiding. Attending the meeting were Mr. and Mrs. Maury Medlen, fire insurance agents of Hermiston, who had been contacted by the City of Irrigon to check with the Oregon Insurance Rating Bureau in regard to a better fire insurance rating for Irrigon, should a city water system be installed.

Mr. Medlen read a letter received from the Rating Bureau after he had talked with them, and also addressed the council on the different aspects of rating. It was felt that more fire hydrants would be necessary for adequate coverage. The city voted to purchase lots 12 and 13 in Block 39 for a possible well site.

Mayor Wilson read a letter from Al Ullman stating there was pending a bill before the Rules Committee which would authorize an extension of Approved Public Works Program. However, if the bill passes the Rules Committee, it will still be necessary to pass another bill appropriating all or some of the authorized funds. Congressman Ullman stated in his letter: "I am glad that the city has its application in for APW assistance so that if new funds are authorized and appropriated, we

will be in an excellent position to place Irrigon high on the list of projects approved. At that time I will do everything I can to help to obtain the needed funds."

Orville Buchanan was present representing the Park Board, and discussion was held as to the plausibility of forming a Park Maintenance District to maintain facilities that may be installed by the Corps of Engineers. The Council passed Ordinance No. 10, an Ordinance providing for the creation of local improvement districts for the assessing of costs thereof to the properties benefited.
