Cubmaster Charles Phegley made the presentations.

By BIRDINE TULLIS

There was much fun, snow, and sunshine at Arbuckle Sunday for the annual spring carnival. Many thrills and spills were the order of the day. Many contestants came in costume to add to the gaiety of the scene. The Melby family was judged as the family in the most outstanding costumes. Arnold and Avon were dressed as the Lady and the Tramp, and the girls were in darling costumes of leotards and swimming suits. Cool but effective! Some other outstanding costumes were Jim (Pretty Legs) Myers in his Leder Hosen and Mary Ellen as an astro-woman from Arbuckle—way out type! Ken and Lucille Peck were beachcombers and Martha an artist. Many others also came in clever costumes.

Perhaps the most anticipated event of the day was the combination Downhill and Slalom for the very young skiers. They just couldn't wait for their race to be called! Donny Wise came out the winner in this event, but they all deserved a trophy. Six-year-old Joel Peterson was perhaps the hit of the show as he fell halfway down the course and lost one ski. Determined to cross the finish line, Joel came down the hill on just one ski! Some of the other small competitors were Robert Nyman, Kathy and Mark Wise, Paul and Kristine Peterson, Cheri and Phil Carlson, Jimmy and Andy Myers.

For entertainment, the Olympics were dull compared to this race. The Downhill for boys ages 12 to 18 presented some tense moments for the older boys. The event was won by Steve Peck after he and Tim Tullis had tied for time twice. Ron Jones earned third place in this race and showed very good time for a second year skier. The times were very close in this event with the two younger boys entered, Mark Tullis and Frank Halvorsen, keeping right up there with the big boys.

The Slalom for girls was won by Martha Peck. The other contestants in this class were Judy Jones and the Stockard girls. The Old Man's Race and the Housewife's Slalom were run amid cheers of encouragement and advice from the kids on the sidelines. The winner of the men's race was Don Wise. Jim Myers, Don Peterson, Bob Henry, Ken Peck and Arnold Melby made him earn the trophy! The women's race was won by Birdine Tullis. The other Moms in the race were Alice Vance, Evonne Nyman, Lucille Peck, Betty Carlson and Martha Peterson. Neither of these races were judged on form, that's for sure!

Other events of the day consisted of a three-legged race and

Mr. and Mrs. Elmer Pieper, son Ricky, daughters, Lisa, Karer and Raylene, all of Portland, arrived Saturday to spend spring vacation with his parents, Mr. and Mrs. A. G. Pieper of Lexington. They were accompanied by Larry Holliday, another grandson of the Piepers. Daryl Dick, another grandson, is helping at the Pieper ranch and spending part of his vacation there.

Week-end visitors at the home of Mrs. Mattie Green were her son-in-law and daughter, Mr. and Mrs. Bob Hagerman and two sons, Bradley and Kenneth, of La Grande. They were accompanied by Mrs. Monte Carnes and small daughter Marca of La Grande, who visited her parents, Mr. and Mrs. Cornett Green, and other relatives, returning home on Saturday.

relay. Both of these provided plenty of amusement and spills. The ski area will be open this week on Friday as well as the week-end. This wonderful snow can't last forever! Road conditions were good and the weather is wonderful for a day out with the family. We'll see you on the hill!

## Commission Mum On Highway Work

A delegation of four men who attended the State Highway Commission meeting in Salem last Thursday with the hope of getting a commitment on construction of a new highway to Arlington via Fourmile Canyon returned with little encouraging to report.

In the group were County Judge Oscar Peterson, Bill Barratt, Oliver Creswick and Mayor Al Lamb.

The commission told the men that there was little hope for such a project at this time because of lack of funds. Limited work is now being done on straightening corners and improving sections of the Willow Creek highway. The men gained the impression that work will be restricted to that, at least for the foreseeable future.

G. A. Booher of Boise, Ida., returned to his home Sunday after a 10-day visit with his mother, Mrs. Maude Robison, and other relatives here.
