OLIVER CRESWICK

## OLIVER CRESWICK

Republican Candidate For Morrow County Judge

I would like to preface this statement by saying that I am a candidate not under the influence of any group or faction, and am not obligated in any way to act in any manner beneficial to any group or individual.

My primary interest in filing for this office is a genuine desire to be of service to Morrow county. All that I can promise in the way of a campaign obligation is to do the best job that I know how, keeping in mind constantly the desires and needs of the voters of Morrow county.

I am registered as a Republican, and have identified myself with the Republican party, and as such I intend to adhere to party policies. A policy of vacillation and indecision is not conducive to good government, and while the county judge has to look toward other governmental officials for advice and assistance on many problems, it is not necessary or logical to sacrifice party identity in so doing.

I sincerely believe that Morrow county has a definite place in the whole economy of Oregon, and also a place in the national economy through our many intensified agricultural programs and through a new concept of diversification of efforts.

I believe that Morrow county has a dominant role to play in the recreation picture of the state of Oregon. With the advent of the Boeing complex in the north end of the county, the pressures for recreation will be intensified far beyond our greatest realization. Now, we must begin to develop these assets. There should be unanimous support for the Willow Creek dam and reservoir project. There should be unanimous support for the development of the Swale Creek Reservoir on the Heppner Ranger district. There should be unanimous support for the Arbuckle Ski Area. This has been a fine example of volunteer cooperative efforts to date. There should be unanimous support for the development of the park on Rock Creek. And above all, recreation in the northern part of our county must be developed. This area has a wonderful industrial future. And the efforts of Morrow should be geared to meeting this challenge.

As we think of recreation, we cannot help but think of water resources in general. We must bend all of our efforts to conserving our natural resources, particularly water. We should give unanimous support to the Rhea Creek Small Watershed project.

I believe that every effort should be made to complete the all-weather road up Shaw Creek Grade to the Umatilla county line, and every effort must be made to gain the cooperation of Umatilla county to complete this road to Ukiah. I believe that the first step necessary would be a full comprehensive survey of the road location, to ascertain the best routes and the exact costs of construction. Every effort should be made to complete the all-weather road from Parker's Mill to the Grant county line, for Grant county is now in the process of completing its end of this project. In the past, Morrow county has had excellent cooperation with Kinzua Corporation on many projects in the mountain areas. This should continue. It will be my endeavor to maintain such contacts at the highest level possible. I also believe that every effort should be made to convince the Oregon State Highway Commission of the necessity of relocating State Highway No. 74 from Morgan to Arlington, by way of Poomle Canyon. Every effort should be made to take Heppner off the end of the road. Our days of quiet isolation can no longer be maintained. We must participate in the affairs of the State of Oregon if we are to enjoy the benefits of a higher economy.

I believe that there should be a sound approach to our property assessment problems. I believe that all properties within our county should be assessed on an equitable basis so that the tax burden is shared as equitably as possible. I do not believe that any segment of our economy should be detrimentally assessed for the benefit of any other groups.

I believe that matters within the county court involving juvenile problems should be given more than just serious thought. I believe that decisions regarding juveniles should be weighed on the merits of the individual case, and not influenced by outside pressures, bearing in mind what is best for the juvenile involved.

I would like to close my statement by giving a chronological account of my political history and accomplishments. My first political office was that of coroner from 1952 to 1960. Because of my interest in the affairs of Morrow county, I terminated my employment with the U. S. Forest Service, in order to be free of governmental restrictions. I was then appointed to the office of Morrow county assessor, to serve from July, 1961; to January, 1963. During my tenure as assessor, a timber appraisal contract was consummated with the State of Oregon. This project had been hanging for several years. Also during this tenure, a contract was consummated with the State of Oregon for the reappraisal of all farm lands within the county. I was then appointed to the office of Justice of the Peace for the Sixth District for Morrow County on January 10, 1963, which office I am now holding. Since assuming this office, I have endeavored to pursue a policy of firmness and justice, tempered with understanding and mercy. I have approached each and every matter with sincerity and a genuine desire to render the most equitable verdict possible. I have filed for this office fully realizing the many problems inherent in this office, but also with the knowledge that a challenge exists for the man who is

based on at least a 10-year projection, with the goal in mind of having every market road in the county oiled by the end of that time.

Nonpartisan Candidate For Justice of Peace Sixth District

AL LAMB

## AL LAMB

Candidate for Democratic National Convention Delegate From Second Congressional District

Al Lamb is a candidate on the Democratic ticket to represent this Congressional district as a delegate at the National Democratic convention. Two delegates are to be selected by the Democratic voters in the May 15 primary and there are a total of four running.

Lamb is a successful businessman who has spent most of his adult years working for and with farmer cooperatives. He has been general manager of the Morrow County Grain Growers, Inc., since late in 1952 when he was called in to aid in re-financing and directing that organization through those somewhat troubled times. Al is also mayor of the City of Heppner and its Chamber of Commerce president.

The local elevator manager lives in Heppner and has since March, 1953. Earlier he lived in Puyallup, Wn., where he managed a canning and food freezing processing plant for the National Farmers Union for about three years before coming to this area. Before going to Washington he was assistant manager of Blue Lake Packers of Salem, a large fruit and vegetable processing plant, for approximately 11 years.

Lamb is a member of the Ione Lions club and is an international counsellor of Lions International. He is a member of the board of directors of the National Council of Farmer Cooperatives and is also a member of the board of the Oregon-Washington Farmers Union. He is presently secretary of the Port of Morrow Commission, a position he has filled since 1958. Al has been Congressman Al Ullman's campaign chairman for the second district representative's successful campaigns since 1960.

The local candidate for delegate pledges that he will forcefully represent Eastern Oregon's interest and feelings at the national convention. He is a strong supporter of Lyndon Johnson for president. As Democratic chairman of Morrow county he supported John F. Kennedy for election and had the satisfaction of seeing this county give a majority of its votes to our young former president.

Mrs. Jessie Griffin had as house guests, her three sisters, who arrived Saturday upon hearing of the death of their sister, Mrs. Joe Bailey, of Hermiston. Mrs. Etta Dollarhide returned to her home in Everett, Wn., late Monday. Mrs. Lillian Cook, Oregon City, and Mrs. Gladys Walker, Portland, left for their homes on Tuesday.

The Rev. Mr. Soward is a graduate of Northwest Christian College with a bachelor of arts degree and did considerable post-graduate work at Phillips University and in the Graduate school of Theology at Phillips, Enid, Oklahoma.

He was a member of the armed forces in both World War I and II. In the latter he was especially effective in his work with a large hospital where men came to the chaplain with their problems day and night.

The Rev. Soward was ordained 40 years ago and has had a wide experience with churches both large and small. He has held pastorates in Oregon and California most of the time. Although some time has been spent in travel the last 13 years Morrow county has been home to the Soward family.

He is a member of the American Legion, the Masonic lodge, past president of local PTA and regional vice president of PTA. He served as secretary of Heppner-Morrow County Chamber of Commerce for a time.

Both Mr. and Mrs. Soward are well known in Morrow county. They have two sons and a daughter. All are college graduates, married and working in their chosen fields of endeavor. His slogan is "Firmness if needed; mercy where it will help."

willing to accept that challenge. Great things can be accomplished for Morrow county, and I would like the opportunity of having a part in accomplishing these things. I am just as human as all of you, and I have made many mistakes in the past, and will undoubtedly make many mistakes in the future, but remember this, the man who makes no mistakes, does nothing.

I would like to give you a little personal history regarding myself and my family. I was born in Providence, R. I. and spent the first 21 years of my life in that state. I entered the service of our country in June, 1941, and was discharged from the Air Force with the rank of sergeant in October, 1945. A good portion of my service career was spent in the State of Oregon, in Pendleton, Madras and Redmond, and a year and a half spent in Walla Walla, Wn. We came to Heppner from Baker in April, 1949, and with my wife we have operated the mortuary in Heppner the last 15 years during which time we have endeavored to render honest and conscientious service to the residents of Morrow county. We have one daughter, Mrs. Duane Gentry, who resides in The Dalles, and three sons, David, who is now attending an electronics school in Salt Lake City, and is the husband of Jeanne, the daughter of Mr. and Mrs. Elmer Schmidt of Heppner; Ronald Lee, who is a sophomore with a major in microbiology at the Oregon State university; and Donald Harry, who is a senior in Heppner High school, and who is planning to attend Oregon Technical Institute at Klamath Falls this coming year. And last but not least, the most important member of our family, my wife, Hester was born of a farm family in Missouri, and of course spent the early years of her life in the agricultural areas of northern Missouri.

I have filed for this office knowing that the voters of Morrow county will make their choice, based on a logical approach, selecting the candidates with a record of accomplishment in the county, a candidate with a sense of dedication so necessary to this esteemed office, so I submit my record of accomplishment and my hopes for the future of Morrow county to you, the voter.

## McQuarrie's Mother Has 85th Birthday

Mrs. Grace McQuarrie of Missoula, Mont., observed her 85th birthday Saturday and many of the family were there to compliment her on the occasion, including Mr. and Mrs. Clint McQuarrie of Heppner.

The Heppner McQuarries left here Wednesday and returned Monday.

Among others present were the mother's sister, 10 years her senior, Mrs. Fannie Nettle, 95, of Clinton, Mont. With Mrs. Nettle were daughters through the fifth generation.

Three sisters of Clint McQuarrie also made the trip to Montana for the event, including Mrs. Verno Huson and Mrs. Irene Booker, both of San Diego, Calif., and Mrs. Flora Stewart of Tacoma.

## Men Escape Injury

Dave Barnett and Wayne Prock, both of Heppner, suffered only scratches Tuesday night about 11 p.m. when the car in which they were riding left the road and overturned near the Frank Anderson place southwest of Ruggs. The car, owned by Heppner Auto Sales in Heppner, was badly damaged in the mishap.

## Methodists to Take Alaska Offering

A special offering for Methodist personnel in Alaska will be taken at the morning worship service of the Heppner Methodist church Sunday, the Rev. Mel Dixon, pastor, announces.

Alaska Methodist University at Anchorage and churches and parsonages in the state were damaged to an estimated \$500,000.

In taking the offering, the local church joins all of Methodism throughout the country.

Rev. Dixon announced that a Methodist Men's breakfast, originally scheduled for Sunday morning has been postponed for a week.

## Father McCormack Marks Anniversary

Father Francis J. McCormack, pastor of St. Thomas Catholic church at Redmond and former pastor of St. Patrick's parish, Heppner, from 1940 to 1955, celebrated his silver jubilee in the priesthood at a solemn high mass of Thanksgiving Monday, April 6, at 5 p.m. in the Redmond church.

A banquet honoring Father McCormack followed at St. Thomas parish hall at 7 p.m. Among those attending from this area were Father Raymond Beard, Mr. and Mrs. Bill Doherty, Mr. and Mrs. Ray French and Mr. and Mrs. Larry Lindsay.

Father McCormack was born October 17, 1914, in Drumlish, County Longford, Ireland. He studied at St. Mary's Preparatory school at Moyne, County Cavan, and at St. Mel's college, County Lonsford. He enrolled at St. Peter's college, Wexford, in September, 1933, for his philosophical and theological studies, and he was ordained June 4, 1939. In August, 1939, he was appointed to St. Francis Cathedral, Baker, with charge of the mission attached to the cathedral parish. He was appointed pastor at Heppner on April 2, 1940, and remained until he was appointed pastor of Blessed Sacrament parish, Ontario, September 1, 1955. He was transferred February 8, 1961, when he was appointed pastor at Redmond.

While he was here the church was built in 1941 and the rectory in 1948.
