BERL AKERS

Berl Akers

Republican Candidate
For Morrow County Judge

We live in an era of Group Power and we must work with these groups. This is a good situation if we have the leadership to unite their efforts and plan for the future growth and development of Morrow county.

We must also recognize that there will always be individuals with problems and constructive criticism. This problem and the rights of the minority must always be protected.

The Republican Party realized this obligation to the people of Morrow county when the late Russell Miller of Boardman was nominated and elected as County Commissioner almost 20 years ago without opposition. There will be no problems that we cannot solve if we unite for the good of all and keep the lines of communication open between the public and the County Court. This can be done by contact with groups, individuals, and through newspaper reports.

We cannot stand still for it is certain that if we do we will lose the battle of progress. There is no better example of what can be done than the development of the Boardman and Irrigon areas. They have an unlimited potential because of their cheap power, cheap freight, and an abundance of water. It is to the best interest of all to give them every assistance at our disposal.

Berl Akers is a native of Morrow county. He attended grade and high school in Ione, graduating from high school in 1934. In 1936 he married Margaret Ely, and ever since they have lived on the ranch originally homesteaded by his father, R. M. Akers. They have three children, Berl, Jr., who works on a ranch near Ione; Robert, a senior at Oregon State University; William, a freshman at Lewis and Clark College; and Bonnie, who is in the seventh grade at Ione. Akers served eleven years on the Ione school board, and for several years was Scoutmaster of the Ione Boy Scout troop. He is a member of the Ione Community Church, the Ione Masonic Lodge, the Willows Grange, a life member of the Oregon Wheat League, a life member of the Oregon State University Dads' Club, and is now serving as Morrow County Pomaona Grange Master.

FRANK HAMLIN

Frank Hamlin

Democratic Candidate
For Morrow County Judge

If elected judge of Morrow county I promise to promote our resources with strict attention to county problems. I think we are on the verge of great development in the county and I would like to take part in that future.

Having worked with the public most of my life I feel qualified for this position. I realize the problems of a county judge are not always easy to solve and take a person who has dealt with the public for many years. I have been a businessman most of my life. I feel many of the problems which would face me as judge would be similar to those any businessman is called on to solve. Though I realize it is impossible to do exactly what each person wants, because we all see problems differently, I would make it an important part of my job to work for the betterment of everyone and to get this county to pulling together for the good of all. With this in mind I would give full cooperation to the county school district, the road department, welfare and hospital, and the governments of the cities of Morrow.

My background, as I have said, consists mostly of the business world. I am a native of the state, have been a resident 56 years and was educated in Gresham public schools. During World War I, I served overseas two years with the Army Engineers, and returned to service with the same branch for two and one-half years during World War II. I owned and operated a garage in Gresham between the wars, had the Allis-Chalmers dealership at Redmond for several years before moving to Heppner in 1950. I operated Aikens Sport Shop for seven years, before becoming manager of Barratt Sales, which I later purchased. I recently sold that business and would have full time to devote to the duties of my office.

I am a member of the American Legion, Elks, Masonic Lodge, IOOF. I served as commander of the American Legion post at Gresham three terms, on the city council two terms, and 15 years on the volunteer fire department.

My association with the people of Morrow county and adjacent counties has been a pleasant and gratifying experience. My wife and I built a home in Heppner five years ago because we felt this is the place we want to remain. We want to be a part of the opportunities that lie ahead for us all in this county.

I think a businessman is needed in this office, I feel myself qualified, and therefore ask for your vote.

Lloyd Berger

Democratic Candidate
For Port Commissioner

A democrat who has filed for a position on the Morrow County Port Commission is Lloyd Berger of Irrigon.

Mr. and Mrs. Berger have made their home in Irrigon for the past 17 years, coming here from Portland.

Their two children, Judy and Ronnie, were educated in the Irrigon school system.

During the years Mr. Berger has lived in the community he has served on the local fire district, is a chapter member of the Irrigon Grange, has organized the Irrigon Cemetery District and is its chairman.

He was appointed by Governor Elmo Smith to serve on the County Welfare Board in Morrow county and has worked on that for several years.

He is a member of the Lion's Club which was recently organized in Irrigon.

Mr. Berger is employed by West Extension Irrigation District in the capacity of ditch rider and has been in their employ for about 15 years.

Mr. Berger is a well informed, civic minded and energetic citizen—always willing to lend a hand to any worthwhile project that will help to make his community a better place in which to live, and gives freely of his time and talents whenever he can be of service.

His neighbors know him to be a forthright man of his convictions and a truly good neighbor.

After giving thoughtful consideration to the pleas of his various neighbors to become a candidate he has agreed as he feels that Irrigon should have some representation on the Port Commission.

HHS Cindermen Garner Trophy At Saturday Meet

Heppner High school thin-clads really brought home the bacon—actually, the brass—Saturday as they journeyed to Arlington and won the Arlington Invitational track meet. This is the third time the Mustangs won the affair during its four-year history and thus the local crew walked off with permanent possession of the trophy which is awarded annually at the meet. Heppner garnered 57 points to 37 for runner-up Umatilla.

Two other Morrow county clubs, Ione's Cardinals and Riverside's Pirates, were entered in the meet. The Bucs gathered 20 2/3 points and the Cardinals copped 11. Lee Padberg captured wins in the mile and the 880 to lead the Mustangs to their victory. In the only one-two finish of the afternoon for the Heppnerites, John Wagenblast followed Padberg to the tape to capture second place in the mile event.

The Mustangs' other first place finish in the meet came in the mile relay where they churned the cinders for a 4:10.9 clocking.

In other events, Myers of Condon heaved the discus 120' 10" to win that event, Benson, Umatilla, tossed the shot-put 44' 5" and Barnett of Condon chucked the javelin 148' 10" to win in their respective fields.

Tom Heimbigner, Ione, picked up the Cards' only first place finish of the day when he cleared 11' to win the pole vault.

Obermeier of Riverside high captured a first-place finish for his school in the two-mile run, winning with a time of 11:37.3. Other times: broad jump, Williams, Echo, 18'; 120 yd. high hurdles, Boor, Arlington, :18; 100 yd. dash, Anderson and Elsele, both Umatilla, :10.6; 440, Furniss, Echo, :58.9; 180 yd. low hurdles, Boor, Arlington, :22.3; 220 yd. dash, Williams, Echo, :26.4; high jump, Porter, Helix, 5' 6"; and 880 yd. relay, Arlington, 1:46.2.

In all, 10 schools competed in the meet.

For the 3rd time in three years, Fred Lorenzen takes the grueling Atlanta "500" at the wheel of his Ford.

FORD TOTAL PERFORMANCE WINS ATLANTA "500" FOR 3RD YEAR IN A ROW!

Latest win gives Ford
11 out of last 12
NASCAR 500 milers!

ATLANTA, April 5: In a blazing exhibition of total performance, ace driver Fred Lorenzen piloted his specially modified '64 Ford to a stunning victory in the Atlanta "500" before a cheering crowd of 75,000 spectators.

This victory marks the 11th time that Ford has captured a NASCAR stock car event of 500 miles or more starting in May, 1962.

In the past two years, tough, dependable Ford-built cars have carved out an

incredible history of victories in virtually every kind of automotive event possible—from stock car races to economy runs, from rallies to endurance tests.

This is the dramatic way to show that Fords have changed... and the sure way to be certain they keep on changing.

Ford enters special cars in open competition, in addition to its extensive laboratory and test track programs, because competition provides an intensity of testing that no proving ground alone can provide.

The lessons Ford has learned in racing have already led directly to such refinements as a stronger rear axle, streamlined "fas-back" styling, better brakes and an improved ignition system.

Because Ford enters open competition, the cars at your Ford Dealer's are stronger, better handling, safer and thrifter in the long run. They're built for total performance.
