Sidewalk Bazaar Plan On Schedule

Work on Heppner Merchants' Sidewalk Bazaar, slated for July 10 and 11, is progressing well according to L. R. (Bob) Henry, chairman for the event.

Almost 100% of the businesses in Heppner will take part in the event, Henry said, and clubs and service organizations in the community will be contacted to see if they are interested in taking an active part in the event.

The bazaar will feature sidewalk booths on the main street of Heppner where merchants and clubs will display and sell their products to the public.

Kinzua Golfers Coming on Sunday

Willow Creek Golf club will be hosts to players from the Kinzua club Sunday, Clint McQuarrie, president of the local club, announces.

All local golfers are urged to turn out to help act as hosts for the visitors.

Loren Smith Tells Of Tax Proposal

(Continued from page 1) and a provision in the proposal would limit the maximum that could be levied on property taxes for school districts to 32 mills under the 25% ratio, Smith said.

Largest attention is paid to schools in this amendment, Smith said, because approximately 65% of the property tax dollar now goes to education, on the average, although levies for schools range from 10 mills at the bottom to 130 mills at the top district.

In answer to a question, Smith said that the measure would not help districts of higher valuation as much as it would those of lesser valuation.

Only last Wednesday the Supreme Court ruled that ballot title for the proposal is a fair title and petitions on the initiative are now being circulated.

"Whether or not we get it on the ballot depends on the reception of the public," Smith said. All signatures must be obtained by July 1 deadline. The amendment would go into effect a year following enactment of any sales tax.
