Council Studies Contract

By MARY LEE MARLOW

BOARDMAN—The Boardman City Council and the City Planning Commission met last week with members of the U. S. Army Corps of Engineers from the district office in Walla Walla, for the purpose of reviewing the contract for relocation of municipal facilities for the new town. Present from Walla Walla were John Oldfield, Maj. E. J. Williams, Jack Mayor, Bill Donner, A. W. Welch, John Batt, Virgil Billows and E. C. Franzen. Oldfield was in charge of the meeting.

The contract is one of two, this one being for utilities, including roads and streets. It will be studied by the city officials and re-submitted to the corps within the next ten days. It is in two parts, the cost reimbursable for water system, roads and streets, structures over the railroad and a storm drainage system. The second part is a fixed amount for special legal counsel, administrative expense and clerical services, cost of engineering, design and supervision of construction. Work to be done under this contract is estimated at slightly less than \$500,000.

The second contract will be for replacement of municipal buildings, the park, boat ramp and others. This will be reviewed with the corps some time within the next 30 days.

Mayor Dewey West stated he hoped negotiations for the first contract will be done, and construction started within 60 days on the town.

Also present at the meeting were M. D. Van Valkenburgh, city attorney of The Dalles, and Bill Johnson, Seattle, Wn., city planner from the firm of Cornell, Hayes, Howland and Merrifield.

Cancer Fund Drive Successful

The Boardman Tillicum club collected a total of \$223.46 for the Cancer Fund as reported by Mrs. H. M. Walker, drive chairman at the meeting of the club last week at the home of Mrs. Joe Tatone. Mrs. Joe Houston was a guest.

Officers elected for next year are as follows: Mrs. Walker, president; Mrs. LaVerne Partlow, vice-president; Mrs. Zoe Billings, recording secretary; Mrs. Dewey West, treasurer; Mrs. Ralph Skoubo, corresponding secretary.

Delegates elected to attend the Oregon Federation of Women's clubs convention in Salem May 7-8 are Mrs. Walker, Mrs. Skoubo and Mrs. Ronald Black.

The possibility of holding a rummage sale in May was discussed.

The next meeting will be at the home of Mrs. Walker May 12. Mr. and Mrs. Oliver Creswick of Heppner will be guests. Creswick is candidate for Morrow county judge, and will speak to the group.

Commission Adopts Budget

The budget of \$31,000 was adopted by the Morrow County Port Commission at a meeting here last week. The budget wasn't raised from last year, being kept under the six percent limitation. It will mean about a two mill levy in the district, according to Dewey West, port president.

Harlan McCurdy of Heppner, and Jack Hynds of Cecil, members of the budget committee, were present, as well as commissioners Gar Swanson of Ione, Al Lamb of Heppner, Dick Krebs of Cecil, and West.

The Altar Society of St. Mary's church met at the first of last week at the home of Mrs. Dante Daltoso with Mrs. Ray Gronquist as co-hostess.

The society will sponsor a May procession and crowning of the Blessed Mother on Mother's Day, May 10, following the 10 a.m. mass at the church. All school children will participate, and one girl will be elected to crown the statue of Our Blessed Lady.

There will be a picnic for the children's choir members in the city park some time during May, the date to be announced later. Mrs. Delmer Hug and Shirley Zielski will be in charge.

Mrs. Ronald Banzer and Mrs. Hug were appointed in charge of cleaning the church for the month of May.

The next meeting will be at the home of Mrs. Hug May 25 at 8 p.m., with Mrs. Banzer as co-hostess.

Mrs. Joe Tatone was hostess for a meeting of the Stanfield Women's Study Club at her home Thursday of last week. Mrs. Tatone, who is district president of the Oregon Federation of Women's Clubs, installed the following officers: Mrs. Ralph Bartley, president; Mrs. Jaffe Anson, vice-president; Mrs. Eugene Needles, secretary; Mrs. Gaylord Madison, treasurer.

What happened to the other 8 eggs?

Truth is, the hens just didn't produce them. Our picture shows the importance of adequate water for poultry. An egg is 2/3 water, so you see what can happen when hens get thirsty.

Livestock, too, needs plenty of water... a cow should have from 12 to 15 gallons a day; each 250 lb. hog needs 2 gallons, and a mature steer drinks 10 or more gallons of water a day.

An adequate electric water system can supply all the farm water needed, dependably and economically. Does your present water system meet these basic needs? See your rural electric system for professional advice on a water system to meet your needs.
