Club Hears Pointers On Flower Gardening From Mrs. Rawlins

Interest in home flower gardening grew among members of the Heppner Mother's club Monday evening with the interesting presentation of a "Garden Clinic" by Mrs. William Rawlins, member of the Ione Garden club and 4-H flower club advisor. Discussion centered particularly on varieties of flowers, shrubs and plants which she has found will do well in yards in this climate and soil.

The meeting was held in the home of Mrs. Melvin Dixon, with Mrs. Ray Williamson as assisting hostess.

The program followed a short business meeting, opened with members answering roll call by naming their favorite flower. Mrs. Bob Henry was invited to be a member of the club, and guests, Mrs. Loren Lucore and Mrs. Bernard Damon, were introduced.

Mrs. Rawlins referred to the selecting and organization of flowers bordering the yard in a way as to present a pleasing "outdoor picture" continuously through the summer months. "Iris do especially well here," she said, and should be encouraged. Daffodils, primroses, petunias, zinnias, phlox, most flowering shrubs, delphinium, gladioli, and many varieties of dahlias were recommended for planting here. She encouraged gardening as a "family hobby," with many members participating and enjoying its beauty. Dahlias from her husband's special collection were offered as mementos to those attending.

The following new officers were installed: Mrs. Harold Laird, president; Mrs. Herman Winter, vice president; Mrs. Dixon, secretary-treasurer, and Mrs. Williamson, program chairman. Mrs. Anita Stockard, past president, extended appreciation to officers who have served the past year. Door prize was won by Mrs. Roice Fullerton.

Delicious frozen fruit salad dessert was served during the social hour.

World Delegate Billed Festival Speaker May 13

An attractive Hood River homemaker, Mrs. Riddell (Athalia) Lage, will give the Extension Unit women of Morrow county a picture of what it's like to be one of over a thousand delegates to a United Nations of women—the ACWW (Associated Country Women of the World) Triennial—at Morrow county's annual Homemaker Festival at the Willows Grange hall on May 13, beginning at 10:00 a.m.

The theme of the festival, "ACWW Down Under" is in deference to the Triennial trip Athalia made to Melbourne, Australia, in 1962. This was the 10th Triennial ACWW conference which is held once every three years, to reinforce mutual concerns of women in the free world. Communitistic countries do not attend. Although differences in language and culture present barriers, women of the world want many things for their children, says this Hood River homemaker. These include, food, health, services, and a chance to live in peace.

With the aid of colored slides, Mrs. Lage will show how delegates representing more than six million women in 33 countries gather in one large assembly hall to conduct business. All meetings are in English with interpreters provided for those who need them. Pictures of her travels in Australia and the Orient tour afterwards will be included in the slides.

This former president of the Oregon Home Economics Extension Council, represented 22,000 homemakers who regularly take part in the Oregon State University's cooperative extension programs, says Esther Kirmis, Morrow county extension agent.

Other special guests at the May 13 festival will be Miss Jessalene Mallalieu, OSU recreation specialist, Corvallis; Mrs. L. D. Vinson, District VII representative, Kimberly; Mayor and Mrs. Charles O'Connor, Ione; and members of the Morrow county Fair and Rodeo court, adds Miss Kirmis.

There will be displays of the several mosaic workshops held throughout the county this year. (Jessalene Mallalieu trained the original leaders), also dresses from the Dressmaking I work-

Special music will be furnished by the Ione school band under the direction of Carol Miller, notes the local extension worker. A noon luncheon will be served for \$1.25 by the Willows Grange Home Economics club. Tickets may be obtained from the county committee women in their area or the county agent's office, explains Miss Kirmis. A coffee hour, served by the Rhea Creek unit, will start at 10:00 a.m.
