

Radar Station Sets Open House Sunday Afternoon

Annual observance of Armed Forces Day will open the gates of Condon Air Force Station, a radar site located six miles west of Condon on highway 206 to the public Sunday. The station will hold open house for the residents of eastern Oregon. The event starts at 1 p.m.

A full afternoon of events is scheduled. The radar site will provide a tour of the entire radar complex. A guided tour will take the visitors through the operations and equipment sections of the SAGE System of radar coverage.

Included in the tour will be a trip through the recently completed search radar system which is one of the most advanced radar systems in operation at present. This new system is housed in a four story structure and the visitors will receive an elevator trip through the structure.

Various displays will add to the program. Static displays include a helicopter, U. S. Army weapons and equipment, lapidary products, items from foreign countries, Air Force uniform exhibit and electronic gadgets. Entertainment and refreshments will be provided for the visitors of this Air Defense Command unit.

Ben Musa of The Dalles, state senator and president of the Oregon Senate, will be the guest speaker for the occasion.

Mr. and Mrs. Dick Borman spent Mother's Day in Baker visiting his mother, Mrs. Sarah Borman, and also his brother-in-law and sister, Mr. and Mrs. Al Hacker.

Senior Citizens Get Exemptions

Property tax exemption applications have been accepted from 36 Morrow county residents under the new senior citizens exemption law passed by the 1963 legislature, Rod Thomson, county assessor, states. Total value of property exempted is \$24,905 assessed value.

Another some 30 persons who applied did not qualify for the exemptions, he said. Under the new law, elderly property owners with annual gross income of less than \$2500 are allowed exemptions on property taxes in accordance with the value of the property and age of the owner.

The law also carries a deferral feature on property taxes whereby the taxpayer may defer to later years or to his heirs the payment of the taxes. Thomson said that many asked about this provision but that none chose to apply for deferral after the provision was explained to them. Deadline for applying for exemptions for the 1964-65 roll has now passed and no more can be accepted for the coming fiscal year.

Permits Approved

At a short council meeting on May 4, building permits were approved as follows: Norman Case, new carport, 380 Riverside Ave., \$250; J. W. Buschke, 315 Union Ave., alterations and repairs, add two rooms, \$3,000; Dr. James W. Norene, veterinary clinic, 860 Heppner Highway, \$10,500.

Mr. and Mrs. C. H. Perrot and daughters Lesley and Susan of Portland were week-end visitors at the home of her mother, Mrs. Lester Doolittle of Heppner.

Events, Exhibits Planned Saturday At Army Depot

A rash of red faces is expected to afflict local Army recruits when the Navy steals the show at Umatilla Army Depot's Open House at Hermiston next Saturday, May 16.

According to a statement from Lt. Commander J. R. O'Connor, USNR, Commanding Officer of USNR Electronics Div. 13-25, based at Pendleton, his unit is making plans to swear in a recruit at the site of the Navy's sea rescue and survival exhibit, which will be set up at the Depot in conjunction with Armed Forces Day.

A color guard, officers and men will witness the induction of an unidentified Hermiston man into the U. S. Naval Reserve at 11:00 a.m. UAD Open House visitors will be welcome to attend the brief, colorful ceremony, O'Connor said.

The Army and Oregon National Guard have scheduled a number of demonstrations during the Open House program, according to Henry Owens, UAD Armed Forces Day Project Officer. These will include demolition of explosives by UAD Ordnance technicians, and tactical firing of 81MM mortars by men of Co. B, 2nd Bn., 186th Infantry, (ONG) of Pendleton.

Air forces will be represented by an air survival gear display from the 123rd Fighter Interceptor Squadron, ONG, and a fly-over of F-89 jets by the same Squadron at 3:30 p.m.

Exhibits will include an atomic energy display by the General Electric Co., a mobile safety testing unit, courtesy of the Oregon State Traffic Division, and a mobile emergency exhibit from the office of Civil Defense.

Missiles will be on display at the Depot, together with a variety of smaller projectiles, military equipment, and weapons, including a huge M56 90MM self-propelled anti-tank gun. Also on the Open House program are tours of the Depot, an afternoon sky diving exhibition, a band concert, movies, and low-price cafeteria service.

Scout Troop Takes Overnight Campout

An overnight campout near Reed's Mill was enjoyed by Boy Scout Troop No. 600 Friday night. Scoutmaster Ernest Christopherson and Explorer Scoutleader Joe Hartle accompanied the boys on the outing.

Scouts going from the Cobra Patrol were Frank Lovgren, patrol leader, Matt Warren, Mike and Steve Hedman. From the Eagle Patrol were Neal Christopherson, patrol leader; Ivan Carlson, Brian Hughes and Kelly Green.

To be eligible for these campouts the scouts must be taking part in their scout activities and attending 75 percent of the meetings.

Notice of Candidacy

I hereby announce my candidacy to succeed myself for the office of Sheriff of Morrow County subject to the will of the Republican voters of Morrow County at the Primary election, May 15, 1964.

Ponies Bag Bobcats In Final Outing

Heppner's Ponies finished out their season with a 4-2 record as they trounced Irrigon 18-0 at Irrigon, May 8. Russell Kilkenny and Kent Pratt fired a one-hitter at the Bobcats while the Ponies backed them with 14 hits.

The Ponies' big inning was the fourth when they picked up seven runs. The local nine scored in every inning but the second and held the Bobcats scoreless.

Kilkenny and Pratt allowed no runs on one hit, walked one and fanned seven enemy batters.

Schmeder and Bedord, Irrigon hurlers, allowed 14 hits, including five triples, walked four and fanned seven. Two of the Ponies' triples were off the bat of Kent Pratt.

Heppner Swamps Burners In Season Finale

Heppner's Mustang baseballers ended their season on a sweet note Saturday as they took both ends of a double bill from the Burns Hilanders, 5-3 and 12-5, on the Heppner field. The win in the first contest of the day left the Mustangs in sole possession of second spot in the western half of the Greater Oregon league. The second-place finish was the third second place finish in a major sport for the Horsemen this year.

Wahtonka of The Dalles finished the campaign in first spot in the loop. The Eagles sported a 5-0 league mark to win the title. The Mustangs were 3-2 for the league and 11-5 for the season.

Burns had beaten three teams from the A-1 Intermountain league this year and threatened to give the local lads a run for their money for the runner-up position in the loop in the Saturday finale.

The threat lasted until the sixth inning of the initial contest, a seven-inning affair, when the Mustangs broke a 3-3 stand-off with two more counters on a hit by Bill Snyder, a walk to Jim Doherty, and a fielder's choice which was thrown home and got away, allowing Doherty and Snyder to score.

Earlier in the contest, the Mustangs had taken a 3-0 advantage in the third inning when they scored three tallies on a dropped third strike to Dave Anderson and hits by Stuart Dick, Don Munkers, and Carl Bauman.

The Hilanders flew back to knot the score at 3-3 when they scored three runs in the top of the fourth.

Ken Smith pitched the victory for the Mustangs, going all the way and striking out seven Burns batters. The win gave Smith a record of 6-3 for the year. He won his last five in a row.

Heppner came up with a fine display of hitting to swamp the Hilanders in the second, five-inning affair. The Mustangs scored every inning and collected eight of their runs in the first frame.

Stuart Dick, Don Munkers, Carl Bauman, Ken Smith and Sam Strait all hit two safeties for the Heppnerites. The big blow of the game was a bases-loaded double by Strait in the first inning.

Bauman went to the mound for the Mustangs for the second time this season and turned in another creditable performance. The Mustang first sacker struck out two to even his record at 1-1.

Pete Glennie, Mustang dia-

mond coach, commented that he was pleased with the performances of his charges for the season and pointed out that 16 of 17 are returning next year. The only loss to the Horsemen is a great one indeed as they will lose their prime pitcher, Ken Smith, who will graduate in two weeks, and is rated among the top 20 pitchers, statistically, in the state, an enviable record.

Scores:
Burns 000 300 0 3 7 1
Heppner 003 002 x 5 6 2
Smith and Daggett; Wilbur and Brinkley.
Second game:
Burns 003 02 5 4 4
Heppner 821 1x 12 10 5
Bauman and Daggett; Erwin, Wilbur (4) and Brinkley.

We drove 3,243 miles to make a point about our Super Turbine transmission.

You can do it on the way to the grocery store

Would we drive a Buick with a Super Turbine transmission* all the way from Pasadena to New York City just to win Class C in the Mobil Economy Run?

Of course. And just in case anyone failed to get the message, we did it twice again. And won Class D and Class G. In all, Buick entered 4 classes, and won 3—more than any other make of car. (Remember when people used to think Buicks used a lot of gas?) Did we make our point about the Super

Turbine transmission? You bet.

Obviously you aren't planning to drive 3,243 miles to prove your new Buick is economical. And you can't expect to get as many miles per gallon as the experts in the Economy Run. Still, it is nice to know you can win the economy run around town. And the good looks prize at the same time. See your Buick dealer about it. No doubt he'll think of a number of other reasons to drive a Buick.
