

Election Friday To Pick Nominees For All Offices

(Continued from page 1)

Nixon, Nelson Rockefeller, William W. Scranton and Margaret Chase Smith, while President Lyndon Johnson stands alone on the Democratic ballot.

Among candidates for delegates to the national Democratic convention, second district, is Al Lamb of Heppner, who has gained considerable prestige around the state as campaign manager for Al Ullman and through his work as manager of Morrow County Wheat Growers and for farmer cooperatives.

In the race for position seven of the Supreme Court, nonpartisan, Judge Edward H. Howell of John Day has been drawing favor of eastern Oregonians but will have strong contention from Judge William S. Fort of Eugene, Judge Ralph M. Holman of Clackamas county, and Attorney Jason Lee of Salem.

An unusual pressure is exerted this year on election returns because of the clamor of television station and wire services for reports on the Republican presidential preference. An elaborate system has been set up in the county to get early incomplete returns. However, counting boards have a big task ahead of them with the long ballots to count, and it is not expected that complete returns will be available or known before Saturday morning.

Promotion Told

Morrow county friends of B. C. Pinckney, manager of the Oregon Bank's branch in The Dalles, will be interested to learn that he has been promoted to assistant vice president of the bank and has been assigned to the New Business Development department of the Bank's head office. He will continue to have his headquarters in The Dalles. Announcement of the promotion was made by C. F. Adams, president.

May 18 Deadline For Tax Appeals

Oregon property taxpayers have until Monday, May 18, to appeal this year's assessments to their county boards of equalization, the State Tax Commission points out.

Each county board convened on Monday, May 11, to begin its annual review of assessments. Under Oregon law a property owner may appear in person or be represented by an attorney or other agent before the board when it considers petitions for reduction of assessments.

Taxpayers cannot wait until receiving their tax statements in the fall to appeal their assessments. If they do not know the assessed value of their property at this time, they can learn it at the county assessor's office.

If a taxpayer feels that the assessor's appraised value of his property exceeds market value, he may appeal by petition to the county board of equalization. Forms for this purpose are available in the assessor's office.

Myrtle Gilman Dies at Monument

Mrs. Myrtle Irene Gilman, 72, died at her home in Monument Saturday, May 9, after returning from hospitalization at Pioneer Memorial hospital for some time.

Funeral services were at Creswick Mortuary Chapel Tuesday with the Rev. Charles Knox, pastor of the Heppner Christian church, officiating. Interment was in the Heppner Masonic cemetery.

Mrs. Gilman was born in The Dalles on December 27, 1891, and was married at Vancouver, Wn., to Peter Gilman in 1950.

Surviving are the husband and four brothers, Clifford, Cecil and Virgil Aiken, all of Portland, and Allen Akin, Ridgefield, Wn.

Board Purchases Two School Buses; Talks of Ag Shops

Two new school buses were purchased following opening of bids by the directors of Morrow County School District R-1 Monday night. Successful bidders were Heppner Auto Sales, which submitted a bid of \$6,033.30 for a 54-passenger Ford bus with Superior body, delivered in Heppner, and with trade-in; and Farley Motor Company, which offered a 54-passenger GMC with Superior body for \$6,294, delivered in Heppner with trade-in.

Others submitting bids were Lexington Implement Company and Fullerton Chevrolet Company. In another important item of business, Director Howard Cleveland urged that a meeting of a committee to investigate possibilities for financing construction of high school shops at Heppner and Lone be held soon with the hope that something could be done this year. A meeting was called for Tuesday night with shop teachers to be present.

Principal Hillard Brown of the Heppner Grade school reported on work that has been ordered to be done by the state fire marshal at Heppner and Lone elementary schools for fire protection. He discussed sprinkler systems which could be installed in the schools and urged action soon. The board did not act on this matter, however, pending more study.

Because of complications on division of property ownership at the Pine City school, the board voted favorably on a motion by Director Irvin Rauch that the property be withdrawn from the board. The board previously had offered it for sale but found this difficult to culminate because of clauses in the deed to the property.

A letter from the State Department of Education was read to the board approving leveling of land at Heppner elementary school by a private individual in exchange for part of the George property. The leveled land would be used as playground area. However, some directors felt that the offer of the private party had now been withdrawn. The board nevertheless passed a motion to authorize such a transaction if any reliable private party showed interest in the proposition.

Mr. and Mrs. Floyd Hutchins spent the past week on a trip to Salt Lake City, Utah, where they visited with their daughter and son-in-law, Mr. and Mrs. Larry Angel. The Hutchins went via Wyoming and returned through Nevada. They report a fine trip despite a close call when their car hit snow in rounding a bend and went into a skid. It threatened to send them plummeting over a cliff, but Hutchins was able to regain control of the vehicle without accident.

Mr. and Mrs. Willis Roller of Palo Alto, Calif., are here visiting with Mrs. Nellie Anderson, mother of Mrs. Roller, and many friends. They are on an extended visit and expect to build a mountain cabin on property on Willow Creek.

Mr. and Mrs. Don Whitesmith and family were overnight visitors Saturday with Mrs. Don Bennett and family. On Sunday they continued on to Walla Walla to see Mr. Bennett, who is progressing slowly from a serious eye injury in St. Mary's hospital.

Mr. and Mrs. Earl Ayres returned home early last week from a two weeks trip to Europe that they won in a contest on sales of Mercury automobiles. They report a very enjoyable time and especially enjoyed visiting Italy.

Earl said that he particularly was interested in visiting the old Roman ruins and other places of historical significance in that country.

France was not so impressive because the people did not seem to be friendly, he said.

They stopped at the World's Fair in New York and found some of the exhibits very impressive, but Ayres' opinion was that it was considerably surpassed by the Seattle World's Fair.

The Heppner couple made the trip by air to Europe with other Mercury dealers around the country who had qualified for the trip.

Ayres Return From Trip Abroad

Mr. and Mrs. Earl Ayres returned home early last week from a two weeks trip to Europe that they won in a contest on sales of Mercury automobiles. They report a very enjoyable time and especially enjoyed visiting Italy.

The Heppner couple made the trip by air to Europe with other Mercury dealers around the country who had qualified for the trip.

Cemetery District Budget Vote Slated

Voters in the Ione-Lexington Cemetery Maintenance district will cast ballots on the district budget Friday when they go to vote in the primary election, Robert Abrams, attorney, states.

The district does not have an established tax base, and voters will decide whether to levy \$14,875 for the maintenance and operation of the cemeteries in the district. Abrams said that the amount is less than that levied last year and, if passed, it will require a levy of between one and two mills for taxpayers in the district. At least five cemeteries are included.

The budget provides for employment of sextons and continued improvement of the cemeteries with some fencing included.

Anderson Goes East

County Agent N. C. Anderson left by train over the week end for St. Paul Minn., where he was called because of the critical illness of his brother, Woodrow Anderson, who is suffering from cancer and has been under treatment for a number of years. He was reported to be very low when Anderson received the call here. While in that area Anderson also expected to pay a visit to his father, N. C. Anderson, Sr., in North Dakota. He planned to be back later this week.

Mr. and Mrs. Willis Roller of Palo Alto, Calif., are here visiting with Mrs. Nellie Anderson, mother of Mrs. Roller, and many friends. They are on an extended visit and expect to build a mountain cabin on property on Willow Creek.

Mr. and Mrs. Don Whitesmith and family were overnight visitors Saturday with Mrs. Don Bennett and family. On Sunday they continued on to Walla Walla to see Mr. Bennett, who is progressing slowly from a serious eye injury in St. Mary's hospital.

Cindermen Win; Slate Saturday For Track Affair

Heppner High school's track squad added another trophy to its collection, at least temporarily, Saturday at Umatilla when it walked off with a first place finish in the Athena Invitational track meet. The Mustangs won a leg of the revolving trophy and should they win it again next season, they will take permanent possession of the piece.

The injury-plagued Mustangs won a close verdict over the McEwen of Athena Scotties to cop the award. The Horsemen collected 53 points to 47 1/2 for the Scots. Umatilla scored 44 points to finish third in the affair. Pilot Rock, Weston, Helly, Ione, Riverside, Echo, and Stanfield finished in that order behind the Vikings.

The Mustangs won three first-place finishes in the meet. Bill Weatherford clocked a 20.9 seconds in the 180-yard low hurdles to cop first and tie the Heppner High record. Weatherford also picked up a second place finish in the 120-yard high hurdles with a time of 17.9 seconds.

Tim Driscoll made it a 1-2 finish for the Heppnerites in the high hurdle event when he cleared the barriers in 16.5 seconds to finish in the top spot.

Driscoll and Weatherford were also on the Mustang 880-yard relay team which took that event with a time of 1:39.7. Others on the relay team were Doug Dubuque and Larry Muesig.

Other Mustang placings: 100-yd. dash, Dubuque, second, 10.6; 440, Driscoll, third, 56.0; and Dean Robinson, fifth, 58.6; 880, Daryl Dick, third, 2:13 and John Wagenblast, fourth, 2:18; mile, John Wagenblast, third, 4:59.6; and Mark Brown, fourth, 5:11.3.

Two-mile, Brown, second, 11:18; and Terry Hutchins, third, 11:35; low hurdles, Raymond Nichols, third, 22.2; high jump, Dave George, tied for second, 5.6; pole vault, Nichols, tied for fifth, 8.6; shot put, Dubuque, fifth, 41.8; discus, Dubuque, fourth, 112.

Saturday, track action will return to Heppner for the last time this season when the Mustangs play host for the 7 A-2 sub district track meet.

Six teams will compete in the meet for berths in the 7 A-2 district meet, Saturday, May 23, in Nyssa. Those teams in the meet, besides the Mustangs, are Pilot Rock, Wahtonka of The Dalles, Sherman, Burns, and Grant Union of John Day. Starting time for the meet is 1 p.m.

Mollahan Hired As City Officer

Floyd Hutchins, city police officer for a number of years, resigned last week, effective May 5, and John Mollahan, son of P. A. Mollahan, was hired to replace him, Chief of Police Dean Gilman said.

Hutchins had served as patrolman on night duty. He said Wednesday that his immediate plans are quite indefinite but that he expects to remain in Heppner. At the present time he will do horse shoeing work, he said.

Mollahan has been employed by Ken Cutsforth on the latter's farm. His father, Pat, is relief officer for the city, and he has a brother, Larry, who is a policeman in San Francisco. Mrs. Don McClure is a sister, and another brother, Bob, is a career man in the army.

Major portion of funds raised by the county extension emergency committee to support the budget of the county extension service has been returned to the 82 individuals and eight organizations who contributed to it, Mrs. E. M. Baker, secretary, reports.

The committee raised \$3,503.88 to assure a third county agent in the county after the county budget committee, at its final hearing last year, pared the extension service budget for 1963-64. Their work was nullified, however, when Joe Hay, 4-H agent, was released in cutbacks made after the defeat of the state tax program in October.

Mrs. Baker said that about six-sevenths of each contributor's money has been returned. A sum of \$500 has been held for needs in the extension office to complete the fiscal year, but it is expected that this will be returned to donors after the start of the new fiscal year.

Decision to hold the \$500 for the time being was made by the committee at a recent meeting. Dick Wilkinson is president and Kenneth Smouse is treasurer.

Death Claims Father Of Mrs. Peterson

Frank Spittle, 95, of Astoria, father of Mrs. Lucy Peterson of Heppner, died in Astoria Sunday. He had been a practicing attorney there for many years. For a time prior to his retirement he was the oldest practicing attorney in Oregon.

He was born in Dudley, England, and came to this country as a young man in his 20's. He studied law at night and worked days until he passed the bar examination, being in the last group that was permitted to take the examination without a college degree. Mr. Spittle was a lifelong member of the Episcopal church and held a life membership in the Hope Lodge, a Masonic order in England.

Funeral services were Thursday (today) at the Grace Episcopal church in Astoria.
