Sewing Club Works On Wool Articles

The "Teen Seamers" 4-H sewing club met May 16 at the Alfred Nelson home. Our leader, Mrs. Keith Rea, looked over our wool practice articles and helped us with many problems we might have encountered. She also demonstrated making buttonholes and different hems in various materials. By our next meeting we are to have our exhibit patterns fitted and laid out on the material.

Our next meeting will be held at the Bryce Keene home on June 11.
