## Lloyd Berger Total Incorrect in Story

Total for Lloyd Berger, candidate for Morrow county port commissioner on the Democratic ticket, was in error in the primary election story in last week's Gazette-Times.

ished sixth in the high hurdles, Dubuque took fifth in the shot put, Terry Hutchens pulled up sixth in the mile, Bill Weatherford got fifth in the low hurdles, and Mark Brown ran fourth in the two-mile.

## Padberg Grabs Two State Berths In District Meet

Burns' Hillanders made it a runaway in the district 7 A-2 track meet at Nyssa Saturday as they racked up 151 points to far out-distance the eight other schools in the meet. Nyssa finished second to the Hillanders with 106 points and Sherman was in third spot with 75 points.

Heppner's Mustangs finished in the fourth spot in the affair for the third year in a row. The Mustangs picked up 47 points to gain their spot. Behind the Horsemen came Pilot Rock, Grant Union, Vale, Enterprise, and Wahtonka, in that order.

A first or second-place finish in the meet qualified that competitor for the state A-2 meet in Eugene June 5 and 6.

Heppner will be represented at the state affair by its ace distance runner, Lee Padberg, who captured a first-place finish in the mile and a second in the 880.

Padberg, who has been sidelined following an appendectomy, returned to action a little over two weeks after the operation to turn in a fine display of athletic desire. So determined, in fact, was the Heppner athlete that he set a new district record in the mile event. The old record of 4:42, which Padberg set last year, was erased with a clocking of 4:38.7.

The mile competition was not enough for the Heppnerite as he galloped to a 2:02.2 time in his 880 bid and ran a leg on the Heppner 880 relay team which placed fifth in the competition. Padberg's time in the 880 tied his own school record in that event.

Two other Heppner High standards fell during the meet. Tim Driscoll toured the oval in the 440 in a 5:53.2 time to break the old mark of :53.1 and Doug Dubuque heaved the discus 136' 2", bettering his old record of 132' 5". Driscoll's time in the 440 gave him a third-place finish in the district while Dubuque finished fourth in the platter throw.

440 gave him a third-place fin-
