

## Over The

## Tee Cup

By DEE GRIBBLE

If you see 15 gals around with sunburned noses, you can safely bet they are golfers, as that many had lunch at the club house last Tuesday, then played nine sunny holes of golf.

Winners for the most 6's in the beginner's group was Mary Malcom, and for the most 4's for the advanced group was Hester Creswick. Vi Lanham, absent from our group for a year while traveling around the continent, was given a very warm welcome.

Gina Leonard, who was in charge of the coffee pot, brought a friend, Lois Ellis, who stayed and played the nine holes and declared, "I haven't played many better courses."

Others playing were Bebe Munkers, Kay Robinson, Kay Anderson, Cork Norene, Hazel Mahoney, Helen Schaffitz, Marie McQuarrie, Lois Hunt, Janet Turner and Dee Gribble.

Have you heard that Judge Carmichael made a hole-in-one (his second) on the No. 5 hole this last week? Watch out or he will retire the trophy.

Judge Carmichael shot a 67 for low gross, and Larry Prock a 57 low net to take top honors in the men's spring warm-up tournament at the Willow Creek course last Sunday. Maurice Brown shot second low with a 68, closely followed by Maurice Groves, 69, and Lowell Gribble with 70. Other lows were Phil Mahoney, 63; Ed Schaffitz, 64; Bob Mahoney, 65; Ray Ferguson, Harlan McCurdy and Bert Corbin with 66's.

In the low handicap class, Don Turner (our active, activity chairman) thought he had long drive until Jerry Daggett, giving it his "all," teed off with a mighty blow and outdrove the entire field. Maurice Brown zeroed in on the flag for closest to the pin on No. 4 and Phil Mahoney did the same for high handicappers. Bob Mahoney got the only "eagle" for the day, after chipping in on No. 8. Bob Kilkenny, Dean Hunt and Elden Padberg (our Lexington new players) played out two holes of "sudden-death" to decide ownership of a new putter, with Padberg the winner. Several other "stickers," including Ted Palmateer and Hugh Salter, came late but scored well.

Later in the day a best-ball tournament was played, with elimination coming by taking the most strokes per hole. Ten started out (Hazel and Bev Gundersen the only gals). Hazel and Maurice Brown, winners, were pressed by Harry O'Donnell (ousted on No. 7) and Bev dropped out on No. 8. From where I caddied (for Bev) it looked like fun and the fellows weren't giving an inch of turf, either.

Fifteen golfing gals ate and played Tuesday. Winners for least putts (the new greens have surely added strokes to our scores) were tied between Gena and Mary Malcom, with Gena getting the not on a flip of the coin. Hazel earned it for the regulars, using 16 putts.

Champion golfer in the Kid's Tournament Saturday was Jeff Turner, with Russell Kilkenny runner-up. Closest to pin was Jon O'Donnell, long drive went to Rick Johnson. For Pee-Wee's, Pat Kilkenny had low gross and Steve Hutchins had low net.

**GOLFERS TAKE NOTE!** Kinzua wants ALL golfers for breakfast at 8:30, and golf all day on Sunday, June 21. Plan now to be on hand.

## Jerald Rea Joins New Condon Firm

Jerald Rea has resigned his position with the Bank of Eastern Oregon here, effective June 1, to become associated with a new company, Highland Machinery, at Condon, he announces.

The firm will be agency for John Deere farm machinery, and Rea will be associated in it with Ray Nelson of Portland, Bill Romine, Pendleton, and Joe Potter of Walla Walla, Wn. All will be active in the business and Rea will be parts manager.

Rea formerly was associated with Tri-County Equipment Company here, former local John Deere dealers, and prior to that was with Empire Machinery Co. here. He was employed by the companies from 1957 until Tranco discontinued the local branch last year. Rea served as manager of the company here for a time. He expects to move to Condon next week.

At the same time, Gene Pierce, president of the Bank of Eastern Oregon, announced that Larry Prock, formerly employed by the bank here for two years, will return to the local bank. He is now employed by Oregon Bank in Pendleton and for a time was employed by the Security Bank in Portland while attending school there.

Mrs. Norman Templeton, presently employed by the Bank of Eastern Oregon, has also resigned effective June 1 in order to move to Portland with her husband who will attend business college there. He is currently employed by Kinzua Corporation. Replacing Mrs. Templeton is Mrs. Jim (Mariys) Phegley.

## Heppner Students Win \$3950 Awards At Commencement

(Continued from page 1)

attained a perfect 4.0 in the last period.

Larry Muessig was recipient of a \$275 athletic scholarship to Treasure Valley college, Ontario, for his work in football.

Named as outstanding citizen in the class, selected by the faculty, was Steve Peck and the award was presented by Mr. Pratt.

All formal speaking on the program was done by students. Lee Padberg, president of the senior class, welcomed the parents and friends and gave facts on the class. He said that 30 of the 39 will further their education in higher institutions, junior colleges, community colleges or vocational schools. Padberg pointed out that dropouts in the class have been considerably less than average.

Jennifer Brindle as salutatorian expressed appreciation to parents and faculty, as well as the board of education, for the opportunities given the students of the class and admonished her fellow students, as they leave high school, to act as mature individuals.

Following the class motto, "Great Hopes Make Great Men," Valedictorian Bill Sherman said that all citizens are aware of the privileges that citizenship carries but should also be aware of their responsibilities. Goals of individuals are different, he said, but basic to each is the belief in the dignity of man and the privilege to seek freedoms and possess rights which are termed "inalienable." The goal of Americans can be no finer than the soul of Americans, he said. He stressed the need for emphasizing spiritual values and pointed to dangers inherent in becoming a people of automatized conformity.

"Great hopes truly make great men," he said, "but we must first make sure that our hopes contain right values and then make greatest use of our capabilities to realize these hopes."

Both the salutatorian and valedictorian were presented trophies for their scholastic attainments.

James Sutherland, one of the senior class advisers, presented the class to Milton Morgan, chairman of the board of education, who commended the class and the parents and then presented diplomas.

The Rev. Melvin Dixon delivered the invocation and pronounced the benediction. The high school band, directed by Mr. Melby, played the processional and recessional.

## Al Lamb Wins Demo Delegate

Al Lamb, Morrow county Democratic central committee chairman, was assured a place at the Democratic national convention as a delegate Tuesday when tabulations were completed on the delegate race in the second Congressional district.

Lamb ran second to Gene Conklin of Pendleton but finished ahead of R. E. (Bob) Goad of Pendleton and Mrs. Boyd Overhulse.

Conklin had 29,587 votes in the unofficial count of the 18-county district to 19,524 for Lamb. Goad was close behind with 18,777 and Mrs. Overhulse trailed with 14,023.

Counting the delegate votes proceeded very slowly across the state. While Morrow county's tabulation was complete by Saturday morning, the day after election, the Associated Press reported to the Gazette-Times on Tuesday of this week that some of the counties still had not reported on the convention dele-

## Conservation Tour Slated on June 5

The annual Conservation and Better Farming Methods tour will be held this year on Friday, June 5, N. C. Anderson, county agent, announces. The tour will take a different route than in the past years with special emphasis on irrigated practices on Hinton and Butter Creeks.

To be observed on the tour will be new and established seedlings of alfalfa and grass, leveling done in 1963, irrigation ponds, drainage tile, land now being leveled, channel chases, irrigation dams, rodent control with the gopher getter, various types of irrigation using borders, sprinklers and concrete turnouts.

Touring Sandhollow and Blackhorse canyons, tour members will see weed control, irrigation ponds, soil bank seedings, strip cropping, diversion ditches, erosion control dams, and pasture management.

Everyone is invited to participate in the tour which will start at the fairgrounds at 9:30 a.m. Transportation will be provided by school bus. The only requirement is that you bring a sack lunch for our noon stop," says Anderson.
