

# Boardman Grange Discusses New Hall

By MARY LEE MARLOW

**BOARDMAN** — Nathan Thorpe, master of Greenfield Grange, called a special meeting Saturday night to discuss plans for a new grange hall to be built in the new town. A plan was presented and discussed, but no decision was made.

A contractor has been consulted, and members are asked to draw up plans to be considered. The building is to be 40 by 70 feet, and will have a meeting hall, dining room, kitchen and rest rooms.

## Guaranteed Warranty Used Car Sales 27,000 in 22 Months

More than 27,000 "Guaranteed Warranty" used cars have been sold in Oregon by franchised new car dealers since the "GW" program was introduced 22 months ago by member firms of the Oregon Automobile Dealers Association.

Charles W. Wentworth Jr. of Portland, OADA "GW" chairman, reports the figures, noting that since 1960, nationally, more than 2 1/2 million warranties have been issued by the 8000 participating dealers from coast-to-coast. "GW", says Wentworth, "is the only used car warranty plan endorsed and supervised by OADA, which now has 172 member-dealers offering 'GW' warranties and repair service in 55 cities, within 50 counties in our state."

A "Guaranteed Warranty" certificate gives a "GW" used car owner a one-year guarantee of a 15% discount on all parts and labor for non collision repairs, without any mileage limitation. The discount, Wentworth stresses, is not a marked-up affair. It is a true figure, because owners do not show their "GW" certificate until after repair work is completed. Unlike other warranties, "GW" is good throughout the U. S. and Canada.

"This is especially important with the vacation season starting," says Wentworth. "There are hundreds of 'GW' dealers ready to honor this warranty certificate in all the adjoining

states, and British Columbia and Alberta. They can be identified readily from their display of the familiar "GW" oval emblem.
