

What If THERE WERE NO STORES IN HEPPNER?

Imagine your dismay and exasperation, if you woke up one morning to find that every store had disappeared from town? Need a pack of cigarettes, a tube of toothpaste, a loaf of bread? You'd have to travel miles and miles, or send away to a catalog house. You wouldn't like this . . . even a little bit!

IT CAN'T HAPPEN HERE- If You Shop At Home

You wouldn't want to live in a town without stores. You want stores NEARBY for the things that can't wait. Like a prescription that must be filled in a hurry. Or a new shirt when your supply runs out. But every time you go out of town or send out of town for something you DON'T need in a hurry, you make it that much harder for local stores to stay in business and be on hand to serve your "convenience" or "emergency" needs. Out-of-town buying hurts them, hurts your home town . . . and ultimately hurts you! The dollars you spend at home help pay local taxes and maintain local services, employment and business stability. Most important, they help keep local stores in business for YOUR convenience. It pays YOU best to shop hometown stores FIRST for ALL your needs! The money you spend here does DOUBLE DUTY for you.
