

THESE TWO Mustangs, glowering at each other, fortunately are on the same team and don't have to test each other in action. At left is Greg Pierce, end for the Heppner High eleven, who turned in a fine defensive game against Condon, and at right is David Anderson, who is doing top service at guard. Both are seniors. Greg is 5-9 and weighs 145, David is 6-0 and weighs 160. (G-T Photo)

Improved Heppner Gridders Trip Condon Eleven

Much improved after their first game, the Heppner High school football team defeated Condon Friday night, 12 to 0, at the rodeo grounds. The score reversed the defeat suffered a week earlier at the hands of the Enterprise Savages, 12 to 0.

All scoring of the game was in the first quarter, with Tim Driscoll going into the end zones both times. One was a 20-yard pass play with Quarterback Don Munkers finding the target, and the other was a 20-yard run by Driscoll.

The Mustangs were inside the Blue Devils' 30-yard line five times in the game but were unable to stack up any more points. On one occasion they were held just a yard or two short of the goal line.

On the other hand, Condon threatened only once. They were inside the Mustangs' 30 on only the one occasion before the threat bogged down.

The Blue Devils didn't find the same weakness in the Mustangs that the Savages had used to their advantage. This was on pass defense. Only once did a would-be receiver for Condon break free, and he failed to make the reception. The Mustangs had drilled on pass defense during the past week. Condon did complete two passes for 43 yards, but in neither case was the receiver wide open.

Stuart Dick was leading ground gainer for the winning eleven, making 103 yards and averaging 5.7 per carry. Driscoll was responsible for 66 yards and averaged 4.7 yards.

David Hanna was credited with 10 unassisted tackles and Gene Pierce had eight. Hanna's defensive effort included five key blocks.

Coach Jim Potter's team rolled up 263 yards rushing to 63 for Condon. The Mustangs completed only one pass—good for the touchdown—for 20 yards. Total yardage, thus, was 283 for Heppner and 106 for Condon.

The coach was impressed with his team's pass defense and had an especially good word for Jim Doherty, sophomore, who did an outstanding job in this department.

Rob Myers was hailed as a "tremendous" back for Condon and was responsible for most of their yardage.

Coffee for Mann Slated Monday

Mr. and Mrs. Herman Winter will be hosts at a coffee hour for Irvin Mann of Stanfield, Republican candidate for state representative, at the Winter home, 810 Fairview, Monday morning, starting at 10 a.m. The public is invited.

The Winter home is located across from the fairgrounds and is a blue and white house.

Jaycees to Have Car Wash Saturday

Heppner Jaycees will hold a car wash Saturday, September 26, from 8 a.m. to 5 p.m. at Jack's Chevron station, according to Don McClure, chairman. Proceeds will be used to finance the public service projects planned by the organization during the year.

Charges will be \$1.50 for first-class wash job, and \$7.00 for complete wash and wax job.

HOSPITAL NEWS

Patients admitted to Pioneer Memorial hospital for medical care during the past week, then released, were the following: David Hanna, Heppner; Marie Hulett, Kinzua; Rose Moe, Heppner; and Gregory Miller, Ione.

Those admitted, and still receiving medical care are Joyce Phegley, Heppner, and Kelly Krieger, Heppner.

Mr. and Mrs. Paul Arbogast, Heppner, are parents of their first child, a daughter, born Tuesday, September 22. She has been named Mary Catherine, and weighed 7 lbs., 4 oz. at birth. Maternal grandparents are Mr. and Mrs. B. D. Taylor of Milton-Freewater, and great grandfather is P. L. Taylor of Walla Walla. Paternal grandparents are Mr. and Mrs. Ira Arbogast of Ukiah.

Mrs. William J. Doherty is convalescing at home after being a patient at St. Anthony hospital. She returned home Sunday and is making steady progress.

Umatilla Edges Heppner Jayvees; John Day Coming

By KIT ANDERSON

Heppner Mustangs jayvee football team's spirits were dampened Monday night when the Umatilla Viking jayvees edged them, 7 to 6, in the first game of the season for the young Horsemen.

The two teams found the going rough in the first half as neither was able to score.

The Heppner Jayvees struck first in the third quarter when Jim Jacobs rolled to paydirt from the 3-yard line. The point after touchdown was unsuccessful, and the Heppner boys had a 6 point lead.

Umatilla gained ground quickly, and early in the fourth quarter tallied a touchdown with a 12-yard run. The point after was good, and the Vikings led by the final margin of 7-6.

Heppner had one more chance but a costly fumble turned the oval back to the Umatilla lads who held on to the end.

Coach Joe Hausler said the boys played a fine game. He felt that the heavier Umatilla line made the difference. Coach Hausler complimented Earl Perkins and Jim Jacobs on fine performances.

The Heppner boys play the John Day jayvees Monday, September 28, at 3:30 p. m. at the rodeo grounds here.

Mr. and Mrs. Stan Nevis of Santa Rosa, Calif., were guests from Wednesday until Monday of Mr. and Mrs. Archie Alderman. Mrs. Alderman and Mrs. Nevis are sisters. The California couple made the trip north by airplane and the group attended the Pendleton Round-Up. On Sunday they went to Providence hospital, Portland, to visit Bob Lovgren who is improving following surgery and treatment to a back condition. Also going to Portland to see Lovgren were Mr. and Mrs. Jim Lovgren, Al Lovgren, Mrs. Howard Keithley and Mrs. Larry Simmons. Mrs. Simmons was in the same hospital for knee surgery and came home early this week.

Blue Mountain Expects Increase

Blue Mountain college expects an increase in enrollment on the first day Monday, September 28, Wallace McCrae, president of the college, said.

The faculty engaged in a week of pre-school preparation this week, starting with a general staff meeting at Emigrant Springs state park Monday at 10 a.m.

Among those who extended greetings at the session were Supt. David Potter of Morrow county schools; Kenneth L. Stanhope, Supt. of Umatilla county schools; Michael J. Kilkenny, chairman of the BMC board of directors; and President McCrae.

The group enjoyed remarks by Dr. Francis Rempel, new president of Eastern Oregon College.

J. W. (Bud) Forrester, vice president of the State Board of Higher Education, and Dr. Erwin Lange, member of the State System of Higher Education, Community College Committee, spoke on "The Place of the Community College in Oregon Education."

Also speaking were S. E. Brogotti, past chairman and member of the State Board of Education, and Dr. Leon P. Minear, superintendent of public instruction.

The faculty held general meetings Tuesday and Wednesday, and registration started Thursday, continuing Friday.

First student assembly is scheduled for Wednesday, September 30.

Dobyns Discovers Drowning Victim

Noel Dobyns, former Ione resident now living at Florence, discovered the body of Dale Bennett washed ashore near the Umpqua River north jetty on Sunday, when he was flying his plane along the coast.

Dobyns has been searching the area by plane every few days since August 31, when a boat accident caused the drowning of his friend.

Accompanying him in the plane was Gordon White, Ione, who was spending his vacation with him.

Today is '65 Pontiac Day.

1965: The year of the Quick Wide-Tracks

What do we mean by "quick"? Just this: A new-all-over Pontiac offering a new Turbo Hydra-Matic—the silkiest, swiftest-shifting automatic transmission you ever touched a toe to; eager new Trophy V-8 power; new steering agility; a surer-footed Wide-Track ride. And a new Pontiac Tempest that's become even more of a Pontiac with new style, new length and Pontiac-quick reflexes to match. You never knew cars could be so beautiful, and so keenly alert to your touch. This is your year to drive a Wide-Track—quick!

'65 Pontiac Pontiac How does the success car outdo itself for 1965? Beautifully, just beautifully. But this Pontiac has no intention of getting by on looks alone, though it could. So there's new quickness, Pontiac style. A new nimbleness. New fuel savings. A smooth, easy new ride. Drive a '65 Pontiac and see how one success leads to another.

'65 Pontiac Tempest Tempest's even more of a Pontiac now, and what more could a car be than that! The '65 Tempest looks like a Pontiac, as you can see. Rides like a Pontiac on Wide-Track. Goes like a Pontiac, too: a 140-hp six is standard. Or you can get a quick V-8, up to 285 hp. You'll wonder how we can keep the price so low on so much car.
