Mr. and Mrs. Tom Driscoll Now At Home in Portland

Guests came from considerable distances to attend the late summer wedding of Miss Judy Anne Schmidt, daughter of Mr. and Mrs. Elmer H. Schmidt, to James Thomas Driscoll, son of Mr. and Mrs. James Driscoll, all of Heppner. Vows were exchanged in Hope Lutheran church August 13, with the Rev. Kenneth Robinson performing the ceremony.

Entering on the arm of her father, the bride was lovely in a full-length gown of white satin brocade, fashioned with long sleeves and scoop neckline. Accenting the bouffant skirt were two dome pleats in front and a matching detachable train with two dome pleats extending down the back. She carried a crescent shaped bouquet of white gladioli surrounded by white carnations. An illusion elbow length veil was held in place with a white pearl tiara. Matron of honor for her sister was Mrs. David Creswick of Salt Lake City, Utah. Bridesmaids were Miss Bonnie Belmsa, Heppner; Jean Adkinson, Pilot Rock, school roommate of the bride, and Jill Schmidt, sister of the bride.

Attendants wore identical pale green brocade street-length dresses, fashioned with bell-shaped skirts, and circlet hats made of matching material with short illusion veils. They carried crescent shaped bouquets of green spider chrysanthemums, centered with green gladioli. Sally Matheny, Heppner, served as flower girl, wearing a pale green whipped cream dress with gathered skirt. Her nosegay was of white rosebuds and she wore a circlet of daisies at the back of her hair.

Organist for the ceremony was Mrs. Gerald Jonasson, who also accompanied the soloist, Oliver Creswick, when he sang, "O Perfect Love," and "Wedding Prayer."

Lighting the tapers before the ceremony were Janice and Sharon Belden, cousins of the bride, of Spokane, Wn. They wore identical green taffeta dresses with matching bow hats and wristlets made of green spider chrysanthemums.

Serving as best man for his brother was Tim Driscoll, Heppner. Ushers, all fraternity brothers of the groom, were John J. Nott of Longview, Wn., Richard Tate, Milwaukie, and Dennis Doherty, Heppner.

For her daughter's wedding, Mrs. Schmidt wore a green whipped cream dress with white accessories. Mrs. Driscoll, mother of the groom, chose a beige suit, with green hat and beige accessories.

The couple greeted their relatives and many friends at a reception in the church social rooms. In charge of arrangements were Mrs. Don Evans and Mrs. Orval Matheny, assisted by Mrs. Kenneth Robinson, all of Heppner.

After cutting and sharing the first piece of wedding cake, it was served by Miss Karen Nelson of Hereford, and Mrs. Robert Spike of Echo. Mrs. Robert Snell, Spokane, Wn., cousin of the bride, served coffee, and Mrs. Darryl Bruning, Portland, sister of the groom, poured punch.

Passing the guest book was Miss Cheri Snell, and in charge of the gift table were Miss Bonnie Rogers, Emmett, Idaho, and Mrs. Les Belden of Spokane, aunt of the bride.

For going away the bride chose a two piece ensemble of orange and yellow whipped cream print, with white accessories.

Their honeymoon trip took them to Cocalila Lake in northern Idaho. The couple is now at home at 300 Lincoln Street, Fairview, Ore., near Portland. Driscoll is teaching his first year at Reynolds High school, and Mrs. Driscoll is attending Portland State College. Both are graduates of Heppner High school and the groom received his degree at the University of Oregon last year.

High School Girls Report on Summer Highlights to Club

Summer experiences of three high school girls were shared with members of the Soroptimist club at its luncheon meeting last Thursday noon. Two of the girls, Judy Jones and Marsha Lovgren, were the club's scholarship winners for showing outstanding school citizenship last year. The third girl, Patti Collins, was assisted in her expenses by the club when attending Girls' State in Salem, sponsored annually by the American Legion Auxiliary.

Both Judy and Marsha reported on highlights of the summer camp which they attended in successive weeks in July at the Methodist church camp at Wal-lowa Lake. Both were enthusiastic participants in the camp program, participating in many outdoor activities, hiking, crafts and study. Judy is the daughter of Mr. and Mrs. Marcel Jones, and parents of Marsha are Mr. and Mrs. Marshall Lovgren, all of Heppner.

The organization and function of government was impressive to Patti, daughter of Mr. and Mrs. Bill Collins, during her week's stay at Girls' State. Having a part in the actual setting up of a county government was of vital interest to Patti, and she had the opportunity of filling the office of county commissioner for "Kirkpatrick" county, named after the retiring Girls' State Director Nancy Kirkpatrick. She recalled that the actual visiting of the House of Representatives and State Senate while in session were of great interest. A scrapbook and souvenirs of the week were shared with club members.

The girls were introduced by Mrs. Charles Starks, program chairman. Founder's Week of the National Federation of Soroptimist clubs is being observed this month by the local club. The first club of the national, and later international organization, was chartered in Oakland, Calif., October 3, 1921. Each year Founder's Week birthday pennies from clubs over the nation are sent in for use in granting federation scholarships and fellowships.

A trophy recently received for the club's float, as first place winner among service clubs entered in the Pendleton Dress-Up Parade, will be put on display in Peterson's store window. It is the second year the club has been awarded a trophy for a float entered in behalf of improving public relations and as a public service project.

March of Dimes Shifts Emphasis To Birth Defects

The National Foundation of March of Dimes is undergoing a second transformation, according to information received by Mrs. Jack (Shirley) Loyd, Morrow county chairman for the foundation. The first shift came when it transferred its attention from infantile paralysis to birth defects and arthritis. This was after development of the Salk polio vaccine and polio was virtually vanquished.

When it included financing of research on arthritis, an area in which other, though smaller, agencies already were at work, it received some criticism. Now the foundation has announced that it is transferring its arthritis program to a new voluntary agency, the Arthritis Foundation of America, in which it is hoped all research into the causes and treatment of arthritis will be consolidated.

The National Foundation henceforth will concentrate on birth defects, a field that has been otherwise largely neglected, and one which bears an obviously close relationship to polio, since both afflictions are associated with children.

The foundation now supports 49 birth defect centers and clinics in 26 states but declares that there is a need for at least twice that many. It points out a need also to inform the public on the nature of birth defects, what can be done to prevent some of them, and what must be done to lessen the toll they take each year.

With its efforts concentrated in the single area, the foundation asks renewed public support when it launches its annual fund-raising campaign in January.
