

# Governor Hatfield Due for Breakfast

Governor Mark Hatfield will make an informal appearance in Heppner at a breakfast meeting at the Wagon Wheel Cafe Friday, October 23, en route to Pendleton for a dinner meeting Thursday night (tonight) in Condon.

Breakfast will be served here at 7:45 a.m., and tickets may be obtained from Herman Winter or Jim Meyers.

County Republican Chairman Don Turner said that Republican candidates will be at the meeting for an impromptu party rally but tickets are being sold to Democrats and Republicans alike.

In Condon the governor is to speak at a Republican fund raising dinner, and he was to appear at Madras before arriving at Condon.

He is due to spend the night in Heppner, after which he will make the breakfast appearance.

From here he will continue to Pendleton where he will urge election of Republican candidates in Umatilla county.

The banquet room in the Wagon Wheel Cafe will accommodate only 45 and so those who wish to attend should see Winter or Myers for tickets at once.

GOVERNOR MARK HATFIELD

## Fire Destroys Truck and Hay

Fire Tuesday morning destroyed a truck and trailer and their load of hay on the Condon highway about a half-mile south of the Bill Privett place.

R. A. Lovell was driver of the truck, which was owned by Heilberg and Lovell of Hermiston. The fire apparently started back in the load of hay out of an undetermined origin. It could only be theorized that it ignited from a cigarette tossed out by a passing motorist. The truck driver said he does not smoke.

Fifteen tons of hay were lost as well as the vehicles. The Heppner fire department was summoned and arrived in six minutes after the alarm was received but the fire had burned some 15 or 20 minutes before the call could be made.

Traffic on the highway was blocked for perhaps a half hour. Fire Chief Charles Ruggles said he did not believe there was any insurance on either the load nor the truck.

## Speech Contest Postponed Week

Annual Soil Conservation speech contest, scheduled for Wednesday night, October 21, at Heppner High school, has been postponed for one week and will be held Wednesday night, October 28, at 8 p.m. in the Heppner High multipurpose room, Kenneth Turner, chairman of the contest, announces.

Postponement was necessary because of the illness of Mrs. Janet Groves, Heppner High speech teacher, interrupting the preparation of her students for the contest.

Morrow County Grain Growers will award trophies to the three winners, and the first place winner will continue on to the area contest.

The public is invited and urged to attend the contest. Topic will be on range management.

# Giles French, Ben Musa Speak at Chamber Here

State Senator Ben Musa of The Dalles and Giles French of Moro, candidates opposing each other for the senate seat from the 18th district, shared the program at the Monday luncheon meeting of the Heppner-Morrow county Chamber of Commerce.

Each talked for about 10 minutes on non-political subjects.

French, the first speaker, said that this country is in the inevitable process of change.

"Some won't like the changes, but there is not much chance to stop them," he said.

An abundance of water from the Columbia River, good roads, air and railroad transportation make this an excellent site for industrial development, he said.

"All that industry needs is here but labor," he said. "With labor we could appeal to almost any company that might be interested in coming here."

"We have so much electricity we are giving it away. What this change will do to wheat farming I don't know. We might have to go to raising lettuce. But we have people and we will have change."

French said that residents should take an interest in what is going to happen and try to control it without leaving the matter to the government.

He also discussed the public lands program, which he said is "terribly involved." In the Mid-Columbia area there is a "lot of BLM area land not being used and not being rented to stockmen," he declared. French anticipates that there will be some opportunity to buy public lands.

He added that a legislator should know all about the area he seeks to represent, and touched on the matter of property taxes, saying that this area,

## Resolution Backs Willow Project

A resolution backing the Willow Creek project was approved by the Inland Empire Waterways association at its annual meeting Monday and Tuesday in Spokane.

Judge Oscar Peterson, a director of the association, asked for the resolution which urges "authorization of the Willow Creek project by the committees on public works of the U. S. House of Representatives and the Senate."

One of the principal speakers at the meeting was Lt. Gen. Walker K. Wilson, Jr., Chief of the Corps of U. S. Army Engineers. One of the principal subjects discussed at the meeting was that of the Northwest intertie and the treaty with Canada. Judge Peterson was in Spokane from Sunday through Tuesday.

## Two Heppner Seniors Receive Merit Honors

Based on test scores made last March in the National Merit Scholarship exams, Jean Stockard and Michael Sweek, Heppner High seniors, each received a letter of Commendation from the Merit Scholarship Board, according to Mrs. Margaret Kirk, counselor.

Scores made by these two students placed them among the 38,000 top seniors who received similar honors. These students, together with the 14,000 finalists, make up about 2 percent of the top seniors of the nation, according to the letter received at the high school, along with the special commendation.

Copies of the letters are to be forwarded to the admissions office of the college of their choice, to be considered in the granting of scholarships and admission for next year.

## Daylight Savings Ends Sunday Morn

Daylight saving time will end in Oregon at 2 a.m. Sunday morning, so clocks should be set back one hour to coincide with standard time.

Those who forgot and went to church an hour late when daylight saving started early in the year may forget to switch back and arrive at church an hour early this time.

By law in Oregon daylight saving time ends on the last Sunday of the month of October.

## Hunting Mishaps Involve Three Over Week-end

One hunter died of a heart attack and two others suffered injuries in separate mishaps in the area over the week-end.

Dr. John Wilson, 63, dentist, of Myrtle Creek, died in his home trailer about 8:30 Sunday morning after suffering a heart attack. His wife was with him and they were camped about six miles northeast of Spray.

Dr. C. M. Wagner was summoned and he flew to Spray in his airplane. The man was dead when he arrived. Mrs. Wilson said that he had complained of pains the night before.

Jerry Sweeney of Sweeney Mortuary brought the body to Heppner, and it was forwarded to Myrtle Creek Monday for final arrangements.

Mrs. Vera Mueller, 35, Portland, was injured in a freak accident Saturday evening that could have cost her life, if circumstances had been slightly different. She was riding in a pickup truck in the neighborhood of the Tupper work station while her husband, Daniel Mueller, was driving. A 13-year-old son was in a camper mounted on the pickup.

A 22 rifle the son was handling accidentally discharged, and the bullet went through the glass window at the front of the camper, through the glass in the back of the pickup and struck Mrs. Mueller in the back of the head, apparently nearly spent by that time.

The bullet pierced her scalp and flattened against her skull. The family came to Heppner to give her medical treatment. Her doctor said that she reported that the bullet stung when it hit but she suffered little other ill effects. There was little bleeding.

She remained in Pioneer Memorial hospital overnight for treatment and observation.

In another accident, Arnold Peterson, 55, Portland, suffered a seriously cut hand Friday night when he hit his knuckles with a hatchet while trimming the bristles of a buck he had killed. The accident occurred in the Kinzua area, and he was given first aid treatment in Kinzua before being brought to Heppner. Deep stitches were taken to close the injury. He was not hospitalized.

## Kenneth Cutsforth Census Crew Leader

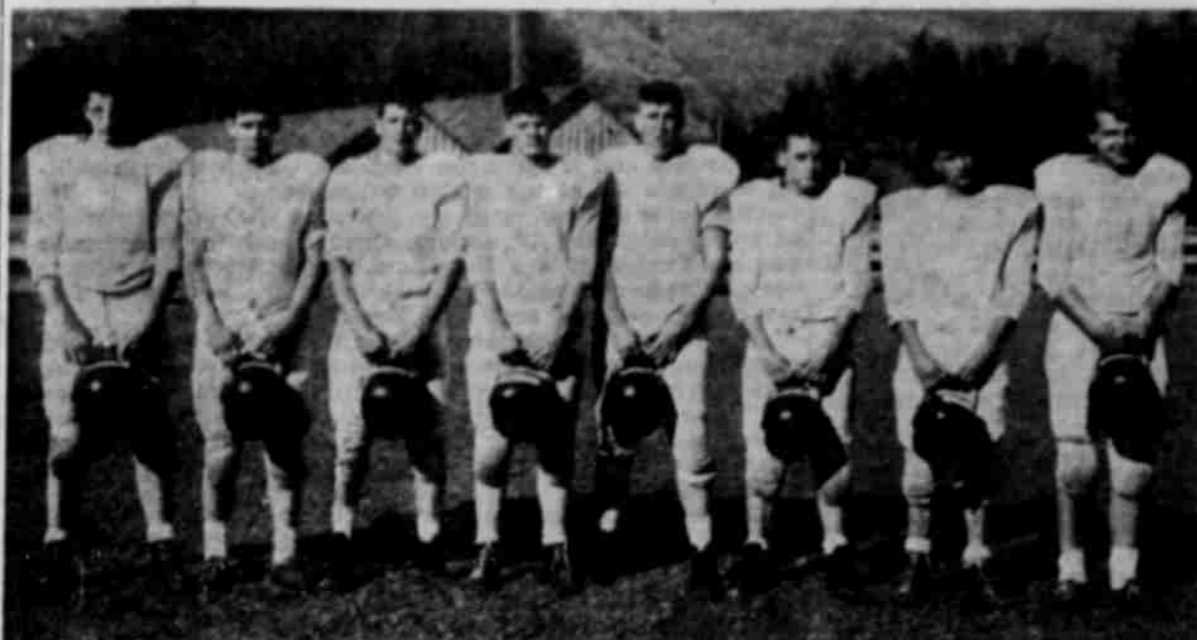

Kenneth Cutsforth of Heppner has been named a crew leader for the 1964 Census of Agriculture, John E. Tharaldson, director of the regional office of the U. S. Bureau of the Census at Seattle, announces. Cutsforth is one of about 1,825 persons throughout the U. S. to receive this appointment.

He will supervise a team of census enumerators who will visit all farms and ranches in Umatilla, Morrow and Gilliam counties to collect official census questionnaires from farm operators. Enumeration of all farms in the county will take place in November and early December.

## Four Portlanders Involved in Brawl

Four Portlanders are free on \$50 bail each after their arrest early Sunday morning on charges of being drunk and disorderly. Sheriff C. J. C. Bauman said.

The four allegedly were involved in a brawl in a local tavern after coming to Heppner on a hunting trip. Booked in the Morrow county sheriff's office were Don Lee Hawn, Allen Thompson, Lawrence Thompson and Thomas William Marlon. They were cited to appear before Ted Smith, city recorder and municipal judge, November 22 at 10 a.m.

HEPPNER HIGH SCHOOL seniors who will play their last home game of their high school careers against Burns Hilanders here Friday night are (from left) Carl Bauman, Dave Hanna, David Anderson, Larry Heath, Mike Warren, Lee Daygett, Greg Pierce, and Bruce Spencer. Other seniors not pictured are Don Munkers, Dean Robinson, Frank Robinson, Jay Ball, Stuart Dick, Dan McQuarrie, Doug Anderson, and Kip Morris. (G-T Photo)

# League Crown Hangs On Burns Game Here

There is every reason for all football followers of Heppner High school to be in the stands at the rodeo grounds Friday night at 8 p.m. when the strong Burns Hilanders meet the Mustangs.

Both teams are undefeated in league play and are fighting it out for the championship. It will be the last home game of the season for Heppner and 16 seniors and four senior managers will make their final appearance in front of a home crowd.

A Heppner victory will give

them the championship even if they should lose to Sherman county at Moro in their final game next week. In this case Burns and Heppner would have 3-1 marks but the Mustangs would represent the western division of the Greater Oregon league against the eastern winner for state playoffs by virtue of having defeated the team with which it is tied.

The western division championship will play Vale of the east on Saturday, November 7, at 2 p.m. (Mountain Standard Time).

Burns has held an edge over the Mustangs for the past several years, although the teams have staged some classic battles. Followers of the Heppner eleven believe that this might be Heppner's year to knock over the Hilanders.

The noise parade and pep rally, postponed from the homecoming game against John Day, will be held prior to the Burns game. Classes and organizations of the school will have entries in the parade that will leave the rodeo grounds at 4:45 and wind its way to the main intersection downtown. The pep rally will be held at the intersection.

Some gloom settled in the Mustang camp early this week when Tim Driscoll, ace back, was ill, and it looked as if he might be out for the rest of the season. This would have been a serious blow to the Mustang's hopes for Driscoll has turned into the scoring power for the Heppner eleven.

However, his father, Jim Driscoll, said Wednesday that reports indicate Tim's illness is not serious. He has shown good improvement and was expected to be out to practice again Wednesday.

With Driscoll back in the lineup, the Mustangs should be about at full strength. Fullback Dean Robinson has recovered from his injury and is ready for action again.

## Luiten to Speak On Measure No. 3

Irvin H. Luiten, representing the Fair Workmen's Compensation committee, will be the speaker Monday at the regular luncheon meeting of the Heppner-Morrow county Chamber of Commerce. Luiten is associated with the Weyerhaeuser Company in Portland.

Luiten will speak on ballot measure 3 that will be on the general election ballot. He was the originator of Red Hat Day in Oregon. An ardent hunter, he plans to do some bird hunting while here over the week-end.

## School Delegates Attend Region Meet

Eight Heppner and Lone High school student body officers and two advisors attended a two-day, Region I workshop, held in the First Christian church in La Grande last Monday and Tuesday. Heppner high students attending the conclave with advisors Gordon Pratt and Pete Glennie, were Mark Brown, Carl Bauman, Karen French, Margaret Green, Judy Smith and Tony Doherty. Attending from Lone were Sid Zinter and Shirley Hicks.

Region I is made up of 35 high schools, divided into four sections which are Baker, La Grande, Ontario and Pendleton; Heppner and Lone being members of the Pendleton section. Workshop meetings, conducted by the students, were mainly group discussions on problems common to high schools in the region.

Principal speakers secured for the meetings, held twice yearly, were Rep. Al Ullman and Dr. Rempel, new president of Eastern Oregon College.

Group meetings featured discussion of such topics as "The Importance of Athletics in School," "A Code of Dress," and "Should the Mandatory School Age be 18?" Results of these meetings were summed up in a panel discussion before the entire group on Tuesday.

## Club Cancels Dinner

The turkey dinner has been cancelled that was originally planned for Saturday, October 31, at the Heppner IOOF hall the Three Links club of Sans Souci Rebekah lodge. In its place, a food sale will be held at the Red and White Grocery on Saturday morning, October 31.

## Facsimile Ballot Printed This Week

Facsimile general election ballot for Morrow county is printed on page three, section two, of this paper. This is published as required by Oregon state statute so that the public may study the ballot and become informed prior to election.

It is an exact duplicate of the ballot that will be used in the election except that candidates' names are rotated on some of the ballots in order that each will be at the top of his section on an equal share of the time.

Voters are advised to have the ballot for further reference.

## French to Speak At Lone Dinner

Giles French, Republican candidate for the state senate from the 18th senatorial district, will be the principal speaker at a Republican dinner at Lone Thursday, October 29, at 7:30 p.m. Women of the Willows Grange will serve.

Other Republican candidates will also be present at the dinner. Tickets are being sold at \$3 each and may be obtained from Gar Swanson and Jim Barnett in Lone, Gena Leonard and Ken Peck in Lexington, Herman Winter and Jim Meyers in Heppner.

# Heppner School Serves 1940 Lunches In Week

(Ed. Note: This article was written by Mrs. Gladys Van Winkle, Heppner elementary cook, in observance of National Hot Lunch Week.)

What really goes on behind the serving counter when it comes to preparing a school hot lunch for one week?

For one given week the cooks at the Heppner Elementary school prepared and served a total of 1940 lunches. The preparation and serving of these meals entails 106 "woman" hours. There are three cooks and four student helpers in the cafeteria.

In order to participate in a Type A lunch program, these daily requirements must be met: Two ounces protein per serving, 1/4 cup vegetables and/or fruit (two servings of vegetables, or two fruit or one serving of vegetable and one serving of fruit). Included in this requirement must be a vitamin C rich food daily and a vitamin A rich food twice weekly. Two teaspoons of butter per lunch must be served daily also.

In order to include all of this

and keep the cost at a minimum, since the lunches are 25c per student and 30c per adult, takes quite careful planning.

For the week of September 28-October 2, 180 lbs. of beef, 48 lbs. of ham, 60 cups of dried egg, 50 lbs. of dried beans, and 24 lbs. of tuna fish were consumed for the protein. Seventeen cases of canned fruits and vegetables, one crate of lettuce, 40 lbs. of cabbage, 55 lbs. of fresh carrots and 25 lbs. of celery provided the vegetables and fruits. Bread and butter and seasonings used 65 lbs. of butter.

The state provides flour, powdered milk, rice and corn meal besides some meat, vegetables and fruits.

The menus include hot bread at least once a week. The elementary lunch program uses 40 lbs. of flour, eight pounds of shortening and eight pounds of powdered milk for the rolls.

When Junior comes home and says, "I sure didn't like anything we had for lunch today," one might smile and say, "I know, dear, but it was a balanced meal."

# Candidates Pay Visits To County

Campaign for the general election was at its peak this week as candidates are hurrying to get in their best licks with voting time just 12 days away—Tuesday, November 3.

Most of the candidates for state and district offices have visited in Heppner, and presidential candidates have been extolled in absentia by members of their parties at various meetings and rallies.

Voters in Morrow county will face a much smaller ballot than they had at the primary election, but there are more races upon which they will have to decide.

Heading the list, of course, are the presidential candidates, Barry Goldwater for the Republicans and President Lyndon Johnson for the Democrats, together with their running mates, William E. Miller, Republican, and Hubert H. Humphrey, Democrat, for vice president.

The lone Congressional race in this district is that between Democrat Al Ullman, incumbent, of Baker, and Everett J. Thoren, Republican challenger, of Elgin, for the seat from the 2nd Congressional district. Congressman Ullman visited in Heppner last week.

One of the most interesting races in the state is that between Tom McCall, Republican, and Alfred H. Corbett, Democrat, both of Portland, seeking the position of Secretary of State to be vacated at the end of the year by Howell Appling who did not seek reelection. Consensus is that the two men are running close as of this time.

Robert W. Straub of Eugene, former state Democratic party chairman, is making a strong bid to unseat incumbent Howard Belmont of Canby as state treasurer. Belmont, known as "Mr. Integrity" by his supporters, has been in public office for many years.

Attorney General Robert Y. Thornton, Democrat, Salem, is challenged by Merlin Estep, Republican, also of Salem, for the attorney general position.

Coming closer to home, Giles French, Republican, of Moro, former legislator for 17 years, seeks to represent the 18th senatorial district (Gilliam, Hood River, Morrow, Sherman, Wasco and Wheeler counties) as state senator. He opposes Ben Musa of The Dalles, Democrat and incumbent, who is now serving as president of the senate.

Two new candidates are vying for the position of state representative from the 25th representative district (Gilliam, Morrow, Sherman, Umatilla and Wheeler counties). They seek the position to be left by Jack Smith of Condon who is not seeking reelection. Irvin Mann, Jr., Republican, of Stanfield is opposed by Martin H. Buchanan, Democrat, of Milton-Freewater. Both are receiving a strong backing and this looks as a tight race.

At the county level, Oscar E. Peterson, Republican and incumbent, faces opposition in Paul Jones, Democrat, for county judge. Judge Peterson was nominated by Republicans in May after he had once withdrawn from the race and re-entered. Jones has been conducting an active campaign for the position.

Two are competing for the one county commissioner post to be filled. They are Walter H. Hayes, Republican, of Boardman, who is in the role of the incumbent, and Maxwell Jones, Democrat, of Irrigon. Hayes was appointed to the commissioner position following the resignation of Milton Biegel last year.

Mrs. Sadie Parrish, county clerk, won the nomination from both parties in May and runs uncontested as clerk. The same is true with C. J. D. Bauman, sheriff for many years, who seeks reelection, and with Sylvia McDaniel for county treasurer.

There are contests for port commissioner with Joseph T. Stone, Democrat, of Boardman, seeking reelection for a two-year term but opposed by Donald E. Turner, Republican, of Lexington.

Four candidates, two from each party, are running for three 4-year terms on the port commission. They are Al Lamb, incumbent, and Lloyd Berger, both Democrats; and Dewey West, Jr., and John R. Krebs, Republicans and both incumbents.

Four state measures face voters—measure No. 1 which seeks to abolish capital punishment, measure No. 2, which would amend the constitution to permit the state to lease real property for a period not exceeding 20 years (both of these are by referendum); measure 3, which would change the state Workmen's Compensation law from an elective to a compulsory system; and measure 4, which would prohibit commercial fishing for salmon and steelhead in all Oregon inland waters. Both of the later measures are on the ballot by initiative petition.

One county measure is on the ballot, that to provide a 3-year serial levy for county roads of \$100,000 per year.

On the judiciary ballot, which is printed on the same sheet as

(Continued on page 8)
