Potter Speaks to Club On Problems Relative To School Progress

"Change is inevitable and we must learn to adjust to it," were words of advice given by Superintendent David Potter in a talk on school problems and program before members and guests of the Soroptimist club at the noon luncheon meeting last Thursday.

Other guests of the day were Mrs. Potter and Mrs. Jerry Sweeney. Introducing the speaker was Mrs. Jim Hager, program co-chairman.

Main business discussion centered on plans for developing interest and attendance at the Dale Carnegie demonstration meeting, held Tuesday evening. Reinstated as a member was Mrs. Conley Lanham.

Supt. Potter spoke of the present appraisal now being made within our county school system, including a teacher evaluation plan to help achieve more efficiency in both elementary and high school grades. The administration, he said, has also been working closely with Dr. Errett Hummel, Portland State College professor, who will soon release a report on study of the relocation of Riverside high school. Public acceptance of long-range planning is very important, he remarked, in order to meet needs of our students in years ahead. Questions were asked and discussed on needs in improving vocational training and making it more easily accessible to high school graduates.

Club members called at the home of Mrs. Leta Thomas Saturday evening to surprise her with a going-away handkerchief shower. Mrs. Thomas left by car Monday morning to spend the winter months in Arizona. After the opening of the gifts by Mrs. Thomas, birthday cake honoring those with birthdays in November was served to eleven members and guests present.

Emma Jones Receives Good Wishes of Many On 94th Birthday

Born November 14, 1870, to Mr. and Mrs. J. C. Kirk, Morrow county pioneers, was Mrs. Jeff (Emma) Jones, who was feted Saturday, on her 94th birthday, with a birthday party in her honor given by Miss Bess Huddleston and Mrs. Clive Huston at Miss Huddleston's residence.

Some 20 well-wishers were on hand to compliment Mrs. Jones, who enjoys remarkably good health even to the extent of maintaining her own home on Gale street.

Mrs. Jones, widowed for many years, has three children, Mrs. Ellis Hendrickson of San Leandro, Calif., Glen Jones of Portland, and Alva Jones of Heppner. She has four grandchildren and 11 great grandchildren. One of the county's oldest residents, Mrs. Jones remains an active member of the Christian church.

Guests enjoyed refreshments of fancy cookies, coffee and cake served by the hostesses. Assisting the honoree with her many lovely gifts was her great grandson, Steve Jones.

Dried Arrangements Subject of Program At Lone Garden Club

Beautiful fall arrangements decorated the Ralph Crum home last Tuesday for the November meeting of the Lone Garden Club. The arrangements were made by Mrs. Vida Heliker and Mrs. Crum and stressed the use of common materials, such as live willows and greens along the roadways and creeks. One which attracted particular attention was a silver buffet arrangement used earlier in the year in decorating for the silver wedding anniversary of Mr. and Mrs. Crum.

During the business meeting, plans were made to give remembrances to persons who will be living alone at the holiday season. Club members are anxious to hear of such persons before their next meeting.

The Korean 4-H Garden club project was discussed and the club voted in favor of sending a donation for garden materials for them. The project is sponsored through the United States 4-H Garden club.

A Christmas show was announced for November 28 and 29 in Kennewick, Wn., with members urged to attend.

Mrs. William Rawlins, Mrs. Fred Martin and Mrs. Edith Nicholson reported on a luncheon attended recently for garden club officers and members at Guenther's Restaurant in Pendleton.

The program consisted of ways

Program on Credit Informs Heppner Unit

Miss Donna George, county home extension agent, led 20 Heppner Extension Unit members in a very timely and informative project based on points for and against the use of credit, entitled, "The True Cost of Credit," at the unit's November meeting held last Tuesday at the home of Mrs. R. G. Watkins.

Mrs. Watkins, unit chairman, presided at the business meeting that preceded, along with a potluck luncheon, the project lesson.

New business included plans for a food sale to be held in February, proceeds going to the Esther Kirmis Memorial Fund. Members were reminded that December is the month for the unit's gift contributions to the State Hospital in Pendleton.

The Christmas meeting is planned for December 8, at the Riley Munkers home.
