Insurance Company Working in Area

Roy Lindgren of Salem, State Sales Manager for American Republic Insurance Company of Des Moines, Iowa, was in town this week making arrangements for the coming visit of a group of his company's representatives. Starting next week these men will be contacting residents of this area to explain American Republic "LifeGuarded" Protection Plans. These plans are available only through authorized representatives of American Republic and all residents will have an opportunity to qualify.

American Republic was founded in 1929 and writes the tenth largest volume of individual and family health insurance of any company in the United States. The company ranks number one among the top 40 insurance companies in its field in percent of premium dollars returned to policyholders in claim benefits. An American Republic advertisement will be found elsewhere in this paper.

Santa Says:

HO! HO! HO!

I Can See

Morrow County Folks Have

Converted To Electric Heat 'Cause

There's Snow on Their Chimneys Tonight!

That's a mighty sound deduction, Santa. Yes, many have switched to **ELECTRIC HEAT** and for six good reasons...

1. **It's More Comfortable**
... No drafts ... no hot and cold blasts ... uniform temperature
2. **It's More Convenient**
No pipes, ducts, radiators, chimneys, nor furnaces ... change any room's temperature as desired ... no filters to clean
3. **It's Cleaner**
No flame, no soot, no ashes, no dirt ... no air blowing through dusty pipes
4. **It's Safer**
No explosive gases ... no fumes ... no fire hazard ... no pilot light to go out ... safe as the light you read by
5. **It's Healthier**
... Oxygen is not consumed by a flame ... air always clean and fresh ... no hot spots nor chilling drafts
6. **It's Economical**
Low installation cost ... low depreciation ... low maintenance ... no wasted heat in unused rooms or up a chimney ... no auxiliary motors

Santa, Don't You Wish Everyone Had ELECTRIC HEAT? We'll Bet Mrs. Claus Does!

WE WILL HELP YOU PAY INSTALLATION COSTS OF PUTTING ELECTRIC HEAT IN YOUR HOME AT THE RATE OF \$5 PER 1000 WATTS. THUS IF IT TAKES 10KW OF INSTALLED ELECTRIC HEAT, WE WILL PAY YOU \$50
