

Communist Privilege?

Russian children hang up their stockings on New Year's Eve, in anticipation of Grandfather Frost's visit. Though Communists eliminated the religious

celebration of Christmas, they allowed the children's festivities of the season to remain.

Improved

The one on top is a world famous legend. The one below it is the same legend redesigned into an all new station wagon.

It has the deluxe interior appointments and comfortable ride of a fine passenger car... carries six big adults plus more luggage and equipment than you can imagine. It's powered by America's only automotive overhead cam engine, the high torque Tornado OHC... offers optional extras such as automatic transmission, independent front suspension, power steering and power brakes. But the all new Wagoneer is really a 'Jeep' vehicle at heart.

The 'Jeep' Wagoneer goes up steep hills, over rough rugged terrain and through snow and mud that leave other cars helpless. And around slippery turns that cause fishtailing and skidding, it hugs the road with traditional 'Jeep' traction.

The big reason is 4-wheel "Drivepower." All four wheels are power wheels instead of just two. Take a demonstration drive soon. You've never driven a car that can do the things this one can.

Risley Family Loses Possessions In Trailer Fire

By MARY LEE MARLOW

BOARDMAN — Fire of unknown origin destroyed the trailer home of Mr. and Mrs. Eugene Risley just before noon Friday. Nothing was saved in the blaze, which completely gutted the structure.

The city fire truck was called to the scene, and it was thought the fire was out, but about 3 p.m. it broke out again, but the contents had already been destroyed before then.

No one was in the trailer at the time, as the family had been staying in the home of Mrs. Risley's parents, Mr. and Mrs. Claud Worden, in whose yard the trailer was parked, due to frozen water pipes.

Among the things lost were Christmas gifts for the Risley children. The loss was partially covered by insurance.

Garden Club Observes Christmas

Mrs. Glen Carpenter was hostess for the Christmas party and meeting of the Boardman Garden club at her home Friday evening. Co-hostesses were Mrs. Zeal Gillespie, Mrs. Florence Root and Mrs. Louise Earwood. Roll call was answered by giving the name of a favorite evergreen. Mrs. Frank Marlow was a guest.

Mrs. Root gave a reading, "Palestine Cornflower." The club voted a donation to the Risley family, who lost all their belongings in a fire Friday.

It was also voted to assist with the auction sale to be put on in the community to raise funds for the grange hall in the new town.

Mrs. Arthur Allen reported on the Housing Clinic.

Following the meeting a Christmas party was held with exchange of gifts. Each member also received a gift from Mrs. Charles Anderegg which she brought back from her trip to Europe last summer.

Christmas Program Enjoyed

The annual Mystery Sisterly Christmas party was held at the Community church Wednesday afternoon, with members of the Ladies Aid Society as hostesses. The Home Economics club of Greenfield Grange members were guests. Mystery Sisters were revealed with exchange of gifts, and new names drawn for next year.

Mrs. Russell Miller was in charge of the following program: group singing, "Silent Night," trio, "The beautiful Hills of Judea" and "Oh Holy Night" by Franell Walker, Annie Obermeier and Carolyn Burg; organ solo, "A Birthday of a King," Carolyn Burg; reading, Christmas story from the Bible, Mrs. Delia Faulkner; group singing of Christmas carols; reading, "My Room in The Inn," Mrs. Herman Burg.

In charge of refreshments were Mrs. Emery Lyons, Mrs. Louise Earwood, Mrs. Florence Root and Mrs. Seth Russell.

Unit Plans Housing Clinic

Mrs. H. M. Walker was hostess for the Home Extension unit at her home Tuesday with Mrs. Bernard Donovan as co-hostess. The subject was "Scandinavian Cookery," and the noon meal served was along that line. The business meeting was held at 10:30 a.m.

Mrs. Arthur Allen reported on the Boardman Housing Clinic that a steering committee has met and outlined plans for meetings to provide housing information of interest to those Boardman residents who will be moving because of the John Day Dam. A series of three meetings in March was planned: 1. "Should you move your house?" 2. "Financial and legal aspects of housing." 3. "Planning or remodeling kitchens, bathrooms and utility rooms."

The Silver Tea for the Esther Kirmis Memorial Fund will be held at the home of Mrs. Glen Carpenter January 14 from 10:30 a.m. to 4 p.m.
