Wrangler's 6th Spring Meet Calls Big Field of Cow Cutters

this week end. Gene Pierce of the Wranglers said that entries had been coming in good, in-cluding some from Idaho.

cluding some from Idaho.

The meet will get underway at the county fairgrounds at 7:30 p.m. Saturday and will continue until Sunday afternoon. Cutting events will be in the new covered arena at the fairgrounds. 12-ft. addition to the side of the building this year provides room for bleacher seats for spectators inside for the first for spectators inside for the first time. A fence separates the spec-tator area from the arena proper. In cow cutting there will be five divisions—junior novice.

registered, junior registered, novice and open—each with two go-rounds. Cutting events will be at 7:30 p.m. Saturday, 9:30 a.m. Sunday and 12:30 p.m. Sunday in the covered arena. Women's cutting is set for Sunday with an \$8 entry fee and \$2 office charge.

This year there will be \$75

This year there will be \$75 added money to the novice division and \$150 added money to the open purse. Horse blanket trophies will be provided for the junior novice, registered and junior registered divisions.

Barrel racing and team roping will be at the Wrangler grounds Sunday at 1:30. In the barrel racing there will be two go-rounds with \$10 entry fee and \$2.50 office charge. This is OBRA approved. In team roping. Wranglers only may participate. Entry will be \$7.50 per man, \$10

Board Employs 2 More Teachers

county school system were filled at a special meeting of the board of directors of the system Tues-

Two new teachers hired were Mrs. Janet Richardson Dock-weiler of La Grande, who will be assigned to the A. C. Hough-ton school, Irrigon, and Mrs. Patricia Bushway of Salem who will teach art at Heppner High school and Heppner junior high. Mrs. Dockweller, who has a B. A. degree in elementary edu-

cation from Eastern Oregon College, comes with two years teaching experience at Union. Her husband, who works for Union Pacific Railway, has been transferred to Hinkle.

Mrs. Bushway, who holds a
B. A. degree in art at Portland
State College, also has two
years' teaching experience.

Mrs. Richard Meador presented four pupils to the board in
an interesting discussion on the
teaching of Modern Math. The four are in an "Early Bird Math class" which comes to Heppner Elementary schoool voluntarily at 7:30 a.m. each school morning to participate in the exploration of modern mathematics. The four, Bob Peck, Terry Peck, Robbie Abrams and Mark Lovgren, assisted in explaining the

subject to the school board.

Mrs. Fred Hoskins talked to the board on the need for a special class in high school for the retarded. She now teaches such a class in the elementary

Architect Howard Glazer was at the meeting to present pre-liminary plans for Riverside High school and an addition to the A. C. Houghton school, Irri-

A tentative school calendar for 1965-66 was presented but was not adopted. It calls for opening of school on September 7, 1965, and closing on June 3, with Christmas vacation from December 23 to January 3 and a week for spring vacation, March 14-18, 1966.

TERRY LYNN McCOY

LYLE DEXTER HOBBS

ROY RAYMOND OBERMEIER

Three Boys Top **Honor Students** At Riverside High

BOARDMAN—Terry Lynn Mc-Coy, son of Mr. and Mrs. Benne E. McCoy of Irrigon, will be vaiedictorian for the 1965 graduat of high school work.

Terry has been very active in school sports, and was named inspirational football player of the year. He has held numerous offices in the FFA, and was awarded the State Farmer's here Saturday and a dual track Award, and received a scholar-meet here Tuesday top the ship award from both the Union Pacific and the Standard Oil

> He has also served in many this year as student body pres-

Terry plans to enroll at Oregon State University at Corvallis, where he plans to major in chemical engineering.

Co-salutatorians for the class of 1965 are Lyle Dexter Hobbs and Roy Raymond Obermeier. Store Both boys have identical GPA's lent. of 3.74. Lyle, the son of Mr. and

has been active in sports, par-ticipating in basketball and in and Lucky Strike snow jayvee track team is at Hermis- track. He has also been active courtes.

Temblor Noticed Here Thursday Morn

A slight temblor, apparently from the same earthquake that shook Seattle, was noticed by some in Heppner Thursday morning (today). Probably the majority, how-ever, never felt the quiver as they went about their daily

City Superintendent Vic Groshens was at the sewage disposal plant about 10:30 a.m. when he noticed a wave form on the water in one of the huge concrete tanks. Another city employee was with him, and asked, "What on earth caused that?"

Groshens replied, "It's an earthquake." Waves on the water were probably six inches high,

Groshens said. "Nothing other than an earthquake could cause that in that big concrete tank," Groshens said

At the Gazette-Times, the temblor was not noticed. The big press apparently was run-ning, and it creates its own

Boards to Hear Taxpayer Appeals

Oregon property taxpayers have until May 17 to appeal this year's assessments to their County Boards of Equalization. Each county board will con-vene on Monday, May 10, to be-gin its annual review of assessments. Under Oregon law a property owner may appear in per-son or be represented by an at-torney or other agent before the board when it considers petit-

the assessed value of their prop-erty at this time, they can learn the most popular theme. nomah County), they can de-termine the true cash (market)

If a taxpayer feels that the assessor's appraised value of his property exceeds market value, ne may appeal by petition to the county Board of Equalization. Forms for this purpose are available in assessor's offices.

From the board decision, the taxpayer may appeal to the State Tax Commission (or, in the case of real property, directto the Oregon Tax Court's Small Claims Division if the market value as determined by the Board is not more than

Good Old Days' Is Parade Theme

Theme of the 1965 Morrow county Rodeo parade will be "The Good Old Days."

This idea was submitted by Mrs. Ralph Scott of Lexington, and as the winner, she will receive two tickets to each after-noon performance of the rodes. A number of entries were

ions for reduction of assessments.

Taxpayers cannot wait until receiving their tax statements in the fall to appeal their assessments. If they do not know the assessed value of their prop.

Unfortunately fice, By multiplying the assessed were submitted too late to be value by four (except in Mult-considered. Deadline had been announced as April 24.

Jaycees to Install

The local chapter of the Jun-ior Chamber of Commerce is combining a banquet with an fitting memorial that could be evening program that will include the installation of recently elected officers, Wednesday. May 5, at the Wagon Wheel

Cafe, beginning at 8 p.m.
Slate of new officers to be seated are Charles McKinnon, president; Doug Gribble, vice-president, and Wayne Lamb, secretary-treasurer. Don Hughes and Lyle Jenson will be installed as directors. Pendleton Jaycee officers will conduct the installation.

Jerry Sweeney, life member of the Jaycees and past president of the Ontario chamber,
 will be guest speaker. Harley
 Sager will preside as master of

Bank Gives Grill, Tree to City Park On Anniversary

Heppner's city park has a new barbecue grill and a new red meple tree, presented in com-memoration of the 100th anni-versary of the First National

Bank of Oregon.

John Venard, manager of the Heppner branch of the bank. made the formal presentation to Mayor Al Lamb and Councilman LeRoy Gardner, chairman of the committee on parks, Monday The cast metal grill is set in

concrete near a picnic table in the park, handy for those who would like to use it for their picnics. A marker in the concrete base explains that it was presented by the First National

Original idea to mark the an niversary was that the bank would present a tree in every community in the state where it had branches. However, Manager Venard found that the most expensive tree that he could buy here still left enough money out of his allotment to buy the grill, and he thought this would be a

Grade School Sets Musical Program

All children in grades six, seven and eight in the Heppner Elementary school will present a musical program for the ob-servance of Music Week on May 4 at 8 p.m. in the junior high gymnasium.

Mrs. Ola Mae Groshens and Arnold Melby will direct the young musicians. Admission of 50c for adults and 25c for students will be charged with the money to be used to purchase honor pins for general music classes and letters for the band.

On the program, as well as choral and band numbers, will be solos and ensembles from the music classes and the band.

Music Week is traditionally characteristic week in May.

May Susan Wheelhouse, Arbitishing work is done and ensembles from the published in the Gazette-Times over a period of weeks after finishing work is done and ensembles from the gravings are made. money to be used to purchase

School and College **Elections Monday**

Election of directors and advisory board members for Morrow County School district will be held, and at the same time the vote on the Blue Mt. Area college election is elsewhere in Education district budget will be held. In addition, two direc-tors of the two-county college district will be elected.

Robert B. Abrams of Heppner, who has served as a director of the college district since its in-ception, is a candidate for re-

Marion and Linn Proposal Backed By Chamber Vote

Proposal that the second Con-gressional district be enlarged by the addition of Marion and Linn counties rather than by the addition of a portion of Multomah county was supported by Heppner-Morrow Chamber of Commerce at

Monday meeting. A resolution proposed by Her-man Winter, chairman of the legislative committee, was pass-ed to that effect by unanimous

The Marion and Linn proposal is in a House bill in the legis-lature, while the Multnomah proposal is in a Senate bill. Winter pointed out that the predominantly agricultural area of the 2nd district has much more in common with Marion and Linn counties than it does with Multnomah county, a nonagricultural area.

Charles Hoover of the State Employment Service, Pendleton, was speaker at the luncheon meeting and discussed the Uma-tilla-Morrow Manpower Resources study now in progress.
