

## Pancake Dinner To Benefit Scout Troop Projects

Tickets were placed on sale this week for a benefit pancake dinner, sponsored by Boy Scout Troop 661. The dinner will be served Saturday, June 12, at St. Patrick's parish hall between 4 and 8 p.m.

Proceeds from the dinner will be used to help scouts in the troop attend a week of summer camp at Wallowa Lake next month and to help buy needed camping equipment, according to Moose Stephens, scout master. Tickets may be purchased from scouts or at the door with family tickets priced at \$3; adults, \$1, and children, 50c. Families who attend the Little League double header baseball games in the afternoon are especially invited.

The troop will send three junior leaders to Junior Leader Training Camp at Wallowa June 26-July 2. Going will be Bobbie Abrams, Jimmy Healy and Gary Munkers. Others will attend the regular summer camp the week of July 11-17.

The troop was reorganized in January, with 15 boys now attending regular meetings each Monday evening at 7:30 at the American Legion hall. Any boy, 11 years of age or over, wishing to join is invited to attend the meetings, or phone 676-5579.

Activities of this year have included a winter camp at Tupper Corral, a spring camp at Tanara Springs, attending the district camporee in Pendleton, and another overnight camp planned for June 18-19.

## Lack of Drivers Cancels Road-e-o

The Heppner Jaycee chapter has announced the cancellation of the Teen-age Road-e-o which they had planned to sponsor for young licensed drivers this spring. An insufficient number of eligible and interested drivers were signed to compete, according to Harley Sager, chairman.

It is hoped that, with the addition of driver training courses in high schools in the county next year, the contest can be held in conjunction with the course, Sager said, and that more interest will be developed by next spring. It is also thought that it could be enlarged to include other nearby towns.

## Weight Training Program Proposed

High school coach Don McClure said this week that he is planning to start a weight training program at Heppner High school for those interested. Anyone from 10 years and up will be eligible to participate.

It is planned to have hour to 1 1/2 hour sessions in early evenings three days per week on physical fitness apparatus. Those interested are asked to call McClure at 676-5800.

## County Health Group Schedules Fall Mobile Unit

A meeting was held May 25 in the Morrow county health department office to make plans for the projected visit of the mobile x-ray unit to Morrow county. Present were Don Harman, Portland, case finding director of Oregon TB and health association; Don Swanson, Portland, mobile X-ray coordinator; Ray Buckwalter, program director of the eastern council of OTHA; and officers of Morrow county council of OTHA. Mrs. Bill Cox, president; Mrs. Herman Green, secretary; Mrs. Jack Loyd, director, and Mrs. Lowell Chally, county health nurse.

Tentative plans have been formulated for the mobile x-ray unit to visit South Morrow county August 19 in Ione, and August 20 and 21 in Heppner. It will visit North Morrow county October 20 in Boardman and Irigon. Definite dates and times will be announced later. A pre-planning community organization meeting is set for early in August.

## Mrs. Dixon Better

Mrs. Melvin Dixon is back home and feeling much better after becoming severely ill Saturday night from a penicillin reaction. She was taken to the Pioneer Memorial hospital for emergency treatment after she collapsed after taking a penicillin pill for a cough. Mrs. Dixon responded quickly to the treatment and was able to be dismissed early in the week.

A sudden serious illness of his father at Woodburn has caused concern for Jack Locke and family. They went to Woodburn Friday to visit his parents, Mr. and Mrs. Jack Locke, Sr., and found that he was ill and had to undergo an operation at Salem Memorial hospital Saturday. The junior Lockes attended a wedding in Portland Friday night, as planned, but spent the week-end in Salem. Suffering from a kidney ailment, complicated by a heart condition, Jack Locke Sr. remained in critical condition early this week.

## HELP US SPREAD THE "SAFETY WORD," 4-Hers urge

"Won't you please help us spread the 'safety word,'" cry the eight national winners of \$500 General Motors Scholarships for outstanding 4-H safety activities. "We would like everyone to hear more about this life-saving subject."

Promoting safety is almost a full-time job for these young people. Typical of the eight winners is Gwendolyn Zeigler, 17, of Rincon, Georgia. Extremely active in her community, she has presented 157 safety demonstrations to nearly 6,000 people, made many radio and TV appearances, written more than 90 newspaper articles and prepared innumerable safety posters. Gwendolyn has also found time to organize safety clubs for young people and conduct a community-wide fire extinguisher sale.

### 49 Receive Trip To 4-H Club Congress

In addition to the eight national winners, 41 state 4-H safety winners received all expense paid trips by GM to the 4-H Club Congress in Chicago. General Motors is now in its 21st year of sponsoring awards in the 4-H program.

The national winners include: Thelma Cambridge, 18, Apple Valley, Calif.; Susan Noble, 18, Nampa, Idaho; Michael Hunter, 17, Rochester, Minn.; Marleen Retzlaff, 17, Walton, Neb.; Leonard Parren, 17, Oneonta, N. Y.; Linda Joyce Richardson, 16, Verden, Okla.; and Susan Burns, 17, Pikeville, Tenn.

## Every Litter Bit Hurts

In the parking lot or along the highway, grown-ups know that every litter bit hurts. But they forget. And that's how it all begins. Bit by bit the litter piles up and America the beautiful becomes America the ugly. The litterbug is catching, too. Don't let it spread. Help stamp out littering, by setting the right example. Always carry a litterbag in your car. Always use it. If Mom and Dad remember, the youngsters won't forget to Keep America Beautiful!
