

Demonstrations Of Flower Ideas On Club Program

By KATHERINE LINDSTROM

IONE—Ione Garden Club met July 13 at the home of Mrs. Ernest Christopherson, Jr., with Mrs. William Rawlins assisting. New officers filled the chairs with Mrs. C. C. Jones, president, presiding.

The very attractive year books were given out, containing dates, places, roll call topics, and programs.

A number of containers and vases were brought and used in the roll call response. Each was discussed and how best it could be used in arrangements. Mrs. F. T. Martin, who recently attended the State Federation of Garden Clubs, reported on the splendid meeting held recently in Klamath Falls.

The program was on the "basic elements of design" given by Mrs. Rawlins. She discussed form, line, color, and texture of flowers.

Mrs. Andy Van Scholack demonstrated making rosebuds using wood fiber, and showed several beautiful specimens among which was a lovely bouquet for a bride.

Other demonstrations using garden flowers for corsages were given, showing wiring, wrapping stems, and tying ribbon bows. Mrs. Edith Nicholson and Mrs. Omar Rietmann led these demonstrations.

A committee to make the booth for Morrow County Fair was appointed and some plans outlined.

This year the club will sponsor 4-H club members and other children of that age in entering flowers and arrangements at the fair. Some containers will be supplied. A sweepstake prize of \$5 will be given the child receiving the most blue ribbons.

The next meeting will be held August 10 at the home of Mrs. Phill Emert with Mrs. Neils Anderson as co-hostess. A discussion on basic design, conditioning flower for arrangements, and others, will be shown by Mrs. Martin and Mrs. Rawlins.

Mrs. Tom Huston will discuss miniatures.

Mrs. Garland Swanson and her daughter, Mrs. Kenneth Turner, and girls drove to The Dalles on Monday, where they

KEEP YOUR FARM SAFE

A WISE FARMER IS A SAFE FARMER

To the farmer working against time and weather, delay can mean the difference between a crop and no crop, a good year, or a lean one. So accidents have no place in his schedule; they cost money, delay production--and the growing season keeps rolling along.
