4-H Home Ec Events Set for County Fair

BY DONNA GEORGE

Final touches are being placed on plans for 4-H home econom-ics events at the Morrow Coun-ty Fair August 24-26. Included are various contests and exhib-its relating to the 4-H projects of clothing, home improvement, knitting and foods.

The public is invited to view the exhibits of the variety of articles made by girls and boys in these projects and also to observe the action of judging contests, food preparation contests, demonstrations and public 4-H demonstrations and public 4-H

Four-H members exhibiting are reminded that exhibits must be in place by 10:30 A.M. Tuesday, August 24. With the exception of the public 4-H dress revue these exhibits and events will be in the fair annex.

The program is as follows: Tuesday, August 24 10:30 A.M.—Exhibits in place

and judging begins.

1:00 P.M.—Clothing judging 2:00 P.M.-Home improvement

judging contest
2:45 P.M.—Foods judging contest (note change from schedle in premium book) 3:30 P.M.—Food preparation

Wednesday, August 25 9:00 A.M.—Judging of junior and intermediate dress revue participants 10:30 A.M.—Judging of senior

1:00 P.M.-Judging of knitting 2:00 P.M.-Knitting judging

3:00 P.M .- (Dress revue rehearsal) 3:00 P.M.-Cake baking con-8:00 P.M.—Public 4-H dress revue, Catholic parish hall

baking-have been added this year for girls in the junior div-They start at 3:30 Tuesday af-

They start at 3:30 Tuesday afternoon. First will be the measuring contest for beginning foods members who will be judged for accuracy and efficiency in measuring ingredients. Entered in this are three Boardman girls: Tarina Lowe, Karen Phillips, and Diana Rash. Mrs. Arnold Hoffman is their 4-H leader.

State Fair visitors have long admired the work of Oregon's 4-H club members, but what they may not realize is that many of these young people are actually choosing their future careers through their 4-H project, points out Burton S. Hutton, Oregon State University state 4-H club leader.

Muffin baking will begin at 4:00 when contestants bring ingredients and utensils to mix and bake muffins before the exploration features of OSU's judge. Scores will be based on the member's skills and the finished product quality. Vivian Phillips, Boardman, and Barbara Alstott of the Butterfingers club, led by Mrs. Wallace Wolff of additional emphasis this year additional emphasis this year. Heppner, have entered.

Frances Abrams and Susan Melby, both of the Kettles and Spoons 4-H club of Heppner will compete in cake baking at 3:00

P.M. Wednesday.

Most challenging will be the intermediate luncheon contest from 4:30 to 7:30 Tuesday. Like 4-H exhibits or watches the cake baking, it is for members who were 12 to 14 on January 1 enrolled in Phase 3 or above of 4-H Foods, Participants will be judged not only on ability to prepare food but also on planning and serving as hostess. They will prepare and serve the meal to guests, providing the judge with copies of their menus, recipes, time schedule and meal cost. Entered in the through which they may find the career they want to pursue, luncheon contest are Linda Cooper and Sue Griffith, also of the Kettles and Spoons club led by Mrs. Bob Abrams. Mrs. Doug Drake is superintendent of these

Brand Book Ready For Distribution

The 1965 livestock brand book of the Oregon Department of

Agriculture is now off the press and ready for distribution.

Price of the book, which is in a loose-leaf holder and larger in size than previous books, is \$9. This also includes the year-liv supplements. The charge is and tell about some particular and tell about some particula ly supplements. The charge is and tell about some particular made to cover the cost of print-skill or fact they have learned, ing and assembling the book.

The name index, only, can be coursed for \$5, according to Mrs.

and in contests in which they learn to tell quality differences.

The last four days of the Fair secured for \$5, according to Mrs. Wilma Russell the department's will feature a 4-H sheep, swine,

dogs, dairy goats, beef and dairy of this book the alphabetical listing of brand owner's complete address in the index. contains

brands registered with the de-partment, approximately 2,200 of which are horse brands. Since the book went to the printers, the department has recorded 1,026 new brands. These will be included in a supple-ment to the book published early in 1966. The brand book is published every five years by the department, with a supplement issued every year.

County Agent's Office CROP-WEATHER SUMMARY

For Week Ending August 6 (Compiled by the Oregon Crop and Livestock Reporting Service, U. S. Dept. of Agri-Wheat Protein Survey culture. Portland) Spring grains being harvested except higher elevations in southern part of our county. Deliveries to elevators in northern part slowing down. Test weights very good. Yields quite variable but most in 25 bushel range. Some third cutting alfalfa underway. Continues with '65 Crop

By EUGENE WINTERS

The wheat protein survey initiated in 1963 will be continued with the 1965 crop. Samples have been taken at the different elevators in the county as well as in other wheat producing counties. Later in the season analysis will be made at the Pendleton Experiment Station. Cooperating growers will receive a copy of the results.

The survey was undertaken to gather information that would help growers produce the kind and quality of wheat in demand by the highly competitive export market.

It is generally agreed wheat protein levels vary with variety, seeding date, applied nitrogen, soil depth, yield and weather conditions. Specific information about these facts on individual farms may make it possible to produce the quality more desired.

The wheat protein survey program is a cooperative effort of grower, the Oregon Wheat Commission and Oregon State University.

David McLeod, Morrow Coun-ty ASC office manager, told me last week his office is now mailadditional emphasis this year through a special display featuring careers in agri-business, home economics and forestry ing out wheat certificate payments.
