# FARMERS:

STELL ROTELLA T 20W/40 is a superior, heavy-duty engine oil. When hot, it acts like a heavy, 40-weight oil, giving extra protection. When cold, it acts like a light, 20-weight oil, helping you get easier starts on winter mornings.

You don't have to switch to a different grade for summer and winter.

Rotella T contains special additives to help protect engines against wear and insure top performance. You can use this one oil in practically all your equipment—gasoline and most diesel engines.

NOTE: Where Series-3 engine lubricants are recommended, use Shell Rimula Oil.

Paul Pettyjohn can supply all the lubricants you need.

When you call the number below, you can get all the lubricants you need for your farm equipment. These include:

Shell Donax T oils to help torque converters and hydraulic systems stay clean and free from rust.

Shell Spirox EP heavy-duty gear lubricants for differentials and stick-shift transmissions.

Shell MP Grease is for small jobs around the farm where a hand-held grease gun is convenient.

Shell Darina AX multi-purpose grease. Works effectively under severe vibration and heat.
