It Ain't Easy, Brother!

But there is a way.

You have probably been told that all religions lead eventually to the same place. This is a popular concept. But did you know that Jesus personally stated:

"The gate that leads to life is small and the road is narrow, and those who find it are few?"

No—it isn't easy, brother, but there is a way—a way to eternal life and salvation. You owe it to yourself to know the unvarnished truth about this vital matter. Nothing can be more important. Your future life and present happiness depend upon knowing the truth.

The Holy Scriptures explain the way. You need not, you must not depend on someone else's ideas about it. A guide to help you find the scriptural way to eternal life can be yours free and without obligation. Just complete the attached coupon with your name and address.
