Heppner Runners Top Hermiston

Heppner's cross country team, running in a four-way meet in Pendleton Tuesday, came out third, winning over Hermiston High school varsity, and trailing Pendleton and Kennewick.

In cross country, the lowest score is the winner, and Pendleton had 37, Kennewick, 38, Heppner 80 and Hermiston 82.

Twenty-eight runners participated, and Tim Smith came in fourth in the individual competition running the distance in 14:25, a new record for him. Randy Stillman was in 13th place with 15:07, beating his previous mark by 25 seconds; Bill McLeod was 18th with 15:28, also topping his previous best; and Jim Sherman was 25th in a time of 17:15.

Rod Fife of Hermiston covered the distance in 14:00 to lead the field, followed by Bob Seeborg of Pendleton in 14:16, and Paul Buechler of Kennewick was third in 14:22.

This was the fourth meet of the season for Heppner High's young team, and the first time it had defeated another school's varsity.

Coached by Don McClure, the squad goes to Burns Friday for a meet there and then runs at Hermiston Tuesday. District meet will be Friday, October 29, at Pendleton with the top two teams qualifying for the state meet. Participating will be Nyssa, Burns, Heppner and Wah-tonka.

The boys run 2 1/4 miles in cross country competition.

Cardinals Whack Echo, Nail Down Grid Title

In crushing Echo there Friday night, 39 to 7, Ione's Cardinals sewed up the Umatilla-Morrow 8-man football championship after playing just two league games.

This was accomplished with an assist by Riverside, which defeated Weston the same day, 14-13. With only four teams in the league, Ione has a record of 2-0, while Riverside and Echo have each completed their schedules with records of 1-1 and 1 tie. Weston, which plays the Cardinals at Ione Friday, has an 0-2 mark. So the Friday outcome will have no bearing on the championship.

In scoring the one-sided victory over Echo, the Cardinals played excellent football.

"It was one of the best games I've seen a team play for a long time. The boys knew it was for the championship. The linemen opened holes so big anyone could have gone through," Coach Gordon Meyers said.

Action started early. On the second play of the game, Mark Halvorsen took the ball on a bootleg around right end and went 69 yards to a touchdown. Jay Ball ran the extra point, and Ione held an early 7-0 lead.

Coming back in the first quarter, the Cardinals drove down field and Ball scored through the middle from the two. The extra point was a pass from Ball to Leon Magill and Ione was in front, 14-0.

In the second quarter, Bob Baker added to the total with a one-yard plunge, but the point try was no good, and at half-time, the Cards led, 20-0.

After intermission, Baker scooted around end and romped 48 yards to score in the third quarter. The conversion attempt again was no good, and the tally was 26-0. Later in the third, Halvorsen broke through off tackle and galloped 45 yards to score, making it 32-0.

Echo prevented a shutout in the fourth when George Koffler crashed over from the two and he also ran the extra point, bringing the count to 32-7.

In making a desperation pass later in the game, Echo found that Keith Nelson of the Cards was there to pick off an interception, and he ran 60 yards for the final touchdown. Halvorsen passed to Pat McElligott for the point, and the final score was 39-7.

"It was a great team effort," said Coach Meyers. "I'm just so

proud of those kids I could name them all as outstanding, but there's no sense in that." He said that Echo's offense looked good but Ione was "great" on defense. The Card line also did good work on offensive blocking.

Ione gained 299 yards rushing and 62 passing. Echo gained 18 rushing and 106 passing.
