This Month Featuring CENTRAL MARKET

C. E. (CLINT) McQUARRIE, owner of Central Market, stands by new dairy and packaged meat cases recently installed in the large market. In the nearly ten years he has been in the grocery business here, McQuarrie has continuously improved and expanded facilities in his store. The present spacious market was opened in March, 1960, to bring south Morrow county the most modern conveniences in food shopping.

FORREST BURKENBINE, courteous store manager of Central Market, stands beside well-stocked shelves as he prepares a grocery order. With Central Market for five years, Forrie joins with Owner Clint McQuarrie to see that customers get prompt and efficient service.

NEW WARM-ROOM food lockers, just installed at Central Market, provide another service to customers at Central. McQuarrie stands besides some of the units which are available for rental. He and Mrs. McQuarrie (Marie) are active in civic life and community affairs here and are considered real boosters for Heppner and Morrow county.
