Little Sisters Club Starts Basic Sewing

Little Sisters 4-H club has had two meetings during the past month. On November 11 we met at the lone school. Mrs. Roland Bergstrom told us about correct posture in walking, climbing stairs and modeling. After a sack lunch at noon we basted hems in dish towels. Mary Pat McElligott led songs and Loy Bergstrom led games. At our meeting November 16 at the school we practiced sewing on sewing machines and hemmed dish towels on the machines. Joan McElligott was hostess and one member was absent.

the great equalizer-

RURAL ELECTRICITY . . .

More than any other single factor, electricity has helped to "equalize" living conditions in rural America with those in urban America. In addition to the labor-saving devices now in use on the farm, all rural families are able to enjoy the benefits and comforts made possible through electricity.

Modern industries, once confined to the big cities, have sprung up around the countryside, helping provide jobs and payrolls to keep the wheels of commerce turning . . . because adequate, economical electric power is available.

As pioneers in the electrification of our area, we are proud of having contributed our share to the progress and prosperity of our people and this community.

Red, white, & blue chip investment

You won't get rich overnight buying U. S. Savings Bonds. But for the long run, they make an excellent investment.

You get a guaranteed rate of interest—3 3/4% when held to maturity—so there are no ups and downs to worry about.

You also get certain tax advantages since Savings Bonds aren't subject to state or local income taxes and the federal tax can be deferred until the Bonds are cashed.

But probably most important is that Bonds pay off in more than dollars. When you get your Bond investment back you know it has helped Uncle Sam strengthen the cause of freedom (your cause) all around this troubled world of ours.

Buy U. S. Savings Bonds and own a share of America. It's a good outfit to do business with.

Quick facts about Series E Savings Bonds
