The Whirlpool Vibrabath is on rollers and will be available to anyone in the entire school or to anyone in the community should the need arise.

As there was plenty of material on hand, the Grange voted to complete the stage and refinish the anti-room also. Maurice Groves will be contacted to do the work.

Theme for the program was "Friendship Garden" and Mrs. Lee Palmer sang "The Garden of Love," accompanied by Mrs. Omar Rietmann. Roll call was answered by "I know something about you."
