The next meeting will be at the home of Mrs. Leo Root March 21 at 8 p.m.

WALTER S. BLAKE, Jr., dean of students at Willamette University in Salem since 1958, has announced that he will be a candidate for state superintendent of public instruction in the May primary election. The office is non-partisan.

Proposed School Budget Calls For Levy of \$868,000

salary, and \$150 raises each are allowed for the district secretary and clerk.

Instruction Down

Requirements for instruction show a decrease of \$3,300, the total being \$871,338 as compared with \$874,638. This is achieved despite the fact that teachers will receive regular increments as provided by the salary schedule. It is due primarily to the fact that one principal provided in the 1965-66 budget was not hired because the two principalships at Ione were combined into one and because one teacher provided for in Heppner was not hired. Entering the picture, too, is the fact that some teachers coming into the system were on lower steps of the salary schedule than those they replaced.

Most other sections of the budget are closely comparable to the figures for 1965-66. An item under student body activities provides an additional \$410 for publications to cover deficits being experienced in production of school annuals, raising the budgeted figure to \$1450 from \$1040.

Under food service an increase of some \$3,000 is included to provide for a helper at A. C. Houghton school on the lunch program there.

Textbooks under instruction are placed at \$8500 as compared with \$5520 for 1965-66, but the budget from the current year had to be supplemented with \$3000 from the emergency fund, making the proposed outlay about the same.

Periodicals, pamphlets and newspapers are increased to \$1350 from \$900. The superintendent had requested the amount be increased to \$1200, explaining that he felt these periodicals are the most economical teaching materials that the district can obtain. The committee increased the figure to \$1350.

An item of \$3800 requested by Morrow county for attendance services and juvenile court in cooperation with the county was not approved and was deleted from the estimates.

Budget Talks Offered

Superintendent Potter has emphasized that he is willing to go to speak to any group in the county at any time on the budget and to answer any questions or hear any comments. Complete copies of the budget may be obtained at the district school office in Lexington any week day from 8 a.m. until 5 p.m. The published budget is only a summary and does not show items in detail. One of the taxes to be levied as proposed in the budget, \$260,303 is within the six per cent limitation, and \$89,141 is not subject to the limitation, leaving \$519,008 outside the six per cent limitation.

These figures could be changed by any alterations in the budget made at the time of the public hearing. At the election on April 12, the voters will cast ballots either for or against the amount above the six per cent limitation.

Serving on the budget committee are Ellwynne Peck, Lexington, chairman; Frank Anderson, Heppner, secretary; Jack VanWinkle and Clinton McQuarrie, both of Heppner; Robert Sliard, Boardman; Charles Carlson, Ione; and Mrs. Warren McCoy, Irrigon, all lay members; and board members: Irvin Rauch, Lexington; Donald McElligott, Ione; Ralph Skoubo, Boardman; Kenneth Batty, Howard Cleveland and Dr. L. D. Tibbles, all of Heppner; and Maxwell Jones, Irrigon.

ton champs. In the previous season, the Mustangs finished in the third position and had to playoff for the right to compete at La Grande. Then they bowled over all competition and walked off with the district trophy.

Coach Bob Clough's lads appear to be in fine fettle for the tournament. Those who saw them play Grant Union Saturday pretty much agreed that it was one of their better games.

The first six—composed of Gene Heltker, Jim Doherty, Mac Hoskins, Jim Jacobs, David Clark and Russell Kilkenny—comprises a high-geared outfit with speed, poise and shooting ability. Good strength has been showing from reserves, too, coming from David Gray, Steve Warren, Dennis O'Donnell and Steve Wagenblast.

Recently Coach Clough has pulled Jeff Turner and David Hall up from the Jayvees to round out the squad.

The Mustangs are sure to have a large following of supporters from home. Report by mid-week was that all available lodging in La Grande had been taken.

However, lodging has been arranged for the team at a motel.

Spectator buses will leave from the high school both Friday and Saturday to the games, leaving at 4 p.m. each day. The band and drill team will also make the trip.

Admission to the tournament is \$1.50 for adults and \$1 for students each night. There is no advance ticket sale.

Mayor Al Lamb Taken to Portland

Mayor Al Lamb, who was transferred to Providence hospital, Portland, last Thursday from Pioneer Memorial hospital in Heppner, seems to be a "little better" and somewhat stronger, his son, Wayne, said after returning to Heppner Tuesday night.

Lamb was taken by ambulance to Providence for specialized treatment. He has been suffering from a stroke incurred on his return from a trip to Washington, D. C., in January.

The son said that Mayor Lamb was quite weak upon his arrival in Portland but seems to be responding some to treatments now. Mrs. Lamb is staying in Portland, and Wayne was with her from Friday until Tuesday. Another son, Ken, of Irrigon is there at present, and a third son, Harry, of Seattle, Wn., was to come down later in the week.

It is not known at this time how long he must be hospitalized there.

2 Schools Give \$331 to Drive

Heppner Elementary and Heppner High schools have contributed \$331.92 to the March of Dimes drive, according to Tim Driscoll, who, with Gene Heltker, was chairman of the drive in the schools.

The High school gave \$68.64 in donations from the junior and senior classes, he said.

However, the elementary did far better with \$263.28 turned in from special benefit events. One of the largest sources of revenue came from a basketball jamboree event. Cake sales and class donations also aided the cause.

Winning room for donations for the upper four grades was that of Mrs. Dorothy Harris, while the room of Mrs. Juanita Carmichael was winner for the lower four grades.
