## Postal Service Fees To Raise March 26

Effective on Saturday, March 26, special service fees of the U. S. Postal Dept. will increase, with the result that it will cost more to purchase a money order, send a registered or certified letter or insure a parcel. Similar increases will affect international rates. Detailed information may be picked up at the post office from James H. Driscoll, postmaster, or one of the postal employees.

## 4-H Club Meets

The seventh meeting of the Kettles and Spoons 4-H club on March 22, 1966 at Mrs. Robert Abrams home was called to order by president, Linda Cooper. The pledges to the flags were led by Sandra Flaiz and Teresa Wright. We revised our schedule for demonstrations. We planned for activities ahead. The meeting was moved to be adjourned by Sandra Flaiz. Francis Abrams seconded the motion. We had cocoa and went home.

## Food Sale Planned

Home Economics club of the Lexington Grange will offer baked "Easter Goodies" for sale the afternoon of Good Friday, April 8. The sale will be held in front of the Western Auto store, starting at 3:00 p.m. A variety of Easter pastries and prepared foods are expected to be on sale to the public.

## More than 600 Use Equipment To Aid Crippled

A total of 458 adults and 146 children throughout Oregon were aided by the Easter Seal society's equipment pool during the past year, according to Dick Yost, president of the Oregon Society for Crippled Children and Adults, the Easter Seal Agency.

Equipment loaned included wheelchairs, crutches, walkers, special braces, artificial limbs and hydraulic lifts. Yost said the equipment pool began operations in 1951 with only a few pieces but now has over 400 pieces of equipment valued at \$35,000.

The Easter Seal society provides the equipment for short term or lifetime use. Yost reported, and the users include persons with arthritis, cerebral palsy, heart conditions broken bones, multiple sclerosis, paralysis and cancer.

Many of the youngsters and young adults are attending grade school, high school and college through the use of Easter Seal equipment. The youngest user is 18 months and the oldest 101 years.

Equipment is currently being used in Portland, Woodburn, Gold Beach, Lebanon, Hood River, Toledo, Myrtle Creek, Walla, Clowderdale, Culp Creek, Salem, Heppner, Pendleton, Madras, Roseburg, Astoria, McMinnville and Salem.

Equipment is loaned on recommendation of the patient's physician, the only qualification being that the person is financially incapable of providing his own and cannot qualify for aid from any other agency.

Yost pointed out that the equipment pool is only one of several projects supported by the society's annual sale of Easter Seals.
