If you haven't examined a new Chevrolet since Telstar II, the twist or electric toothbrushes,

shame on you!

You've been missing out on a lot that's new and better since '62:

- A more powerful standard Six and V8 (155 and 195 hp, respectively).
- New Turbo-Jet V8s with displacements of 396 and 427 cubic inches that you can order.
- A fully synchronized 3-speed transmission as standard.
- A Turbo Hydra-Matic transmission available.
- Deep-twist carpeting on every model.
- Six-month or 6,000-mile lubrication intervals.
- Self-adjusting brakes.
- A Delcotron generator that extends battery life.
- Self-cleaning rocker panels.
- Up to 3" more shoulder room; increased leg and head room.
- A smoother coil-spring suspension.
- New sound and vibration dampeners throughout.
- A longer body, a wider frame and tread.
- Items you can add, such as AM-FM Multiplex Stereo radio, Comforton automatic heating and air conditioning, and a Tilt-telescopic steering wheel (or one that tilts only).
- Standard safety items on all models, including front and rear seat belts, back-up lights, windshield washers, padded instrument panel, padded visors, 2-speed electric wipers, outside mirror, shatter-resistant inside mirror and non-glare wiper arms. (Use them to best advantage.)
- And of course the great buys you can get right now from your Chevrolet dealer.
