

Primary Election Set for Tuesday; Campaign Quiet

(Continued from page 1)

as a majority on his own ballot, he will be considered elected. The same contest for representative in the legislature, 28th district, that faced voters in the general election of 1964 will come up again in the fall, with Irvin Mann, Republican, victor in the first race and present representative, running unopposed on his ballot, and Martin Buchanan, Democrat, back again on the Democratic ballot without opposition. No political excitement is generated on this position at this time but a lively campaign is expected this fall.

At the statewide level are some of the more interesting races in the primary election. Robert W. (Bob) Straub, present state treasurer, is opposed in his bid for Democratic nomination for governor by State Senator Ben Musa of The Dalles, Emmet Rogers of Polk county and Margaret Mary Fields of Portland. The real race is conceded to be between Straub and Musa.

McCall Win Conceded

For the same position on the Republican ballot, Tom McCall, Secretary of State, is matched against John Laurin Reynolds. McCall is almost certain to be an easy victor, and again, the real race will come in the fall when McCall faces either Straub or Musa.

While there are no candidates for Commissioner of the Bureau of Labor on the Republican ballot, the Democratic candidates draw some interest. Norman Nilsen, incumbent, who is opposed by C. D. (Chuck) Hoffman, who served as head of the apprenticeship program under Nilsen until they were involved in a controversy, and Hoffman filed against him.

Another state contest is on the nonpartisan ballot with Superintendent of Instruction Leon P. Minear, incumbent, being challenged by Walter S. Blake, Jr., former dean of men at Willamette University, Salem. This race is drawing considerable interest statewide, Dr. Blake's appeal being that of "fewer frills and more fundamentals" while Dr. Minear stresses experience and professionalism.

At the national level, the position of U. S. Senator, to be vacated by Senator Maurice Neuberger, draws top interest around the state. On the Democratic ticket, Howard Morgan and Congressman Robert Duncan are conducting a vigorous campaign with the Vietnam issue being the predominant basis of their labors. Almost forgotten is a third man on the ticket for the position, Gilbert L. Meyer of Troutdale.

For the nomination for senator on the Republican ballot, Governor Hatfield is opposed by three candidates, none of whom is given much of a chance of defeating him. They are George Altwater, Jim Bacaloff, and Walter Huss. Again the "main event" is expected in the general election.

Nomination of Congressman Al Ullman is opposed by Wm. Quigley of Baker on the Democratic ballot with Everett Thoren, who ran in 1964, on the Republican ticket.

The two measures on which voters will decide will be: 1. Whether to impose a 4c per pack tax on cigarettes with the estimated \$10 million annual revenue earmarked against property taxes and for counties and cities.

2. Whether to give to the State Legislature the power to de-

Ione Students Elect Officers

Karen Nelson, member of next year's senior class at Ione High school, was elected student body president at elections May 10. Other candidates nominated for this office were Berniece Matthews, Pat McElligott and Virgil Morgan.

Leon Magill was elected vice-president, with Bonnie Hynd as the other candidate for this office.

Nominees for the office of assistant secretary-treasurer were Willa Johnson, Kathy Keene, Maureen McElligott and Bonnie Akers. Willa was elected to this office. Berniece Matthews, who has served in this capacity this year, will automatically advance to secretary-treasurer next year.

Kathy Keene, a junior next year, will serve as annual editor. Editor of the school paper will be filled next year.

Mark Halvorsen and Jay Ball were chosen by the students as outstanding citizens of the senior class.

Students chose the following varsity yell leaders: Janet Palmateer, Bonnie Morgan, Bonnie Akers and Teresa Stefani.

McCabe, Kilkenny Top Pony Nine

By PHIL AYRES

Pat Kilkenny and John McCabe were the two main causes for the Ponies' undefeated baseball season, just concluded. Kilkenny was tops in hitting categories. He had a 500 batting average, knocking in 11 RBI's, and he also had two smashing home runs.

McCabe, pitcher for the Ponies, had a 6-0 record. He struck out about 70% of his opponents and also had a very good batting average at .333. He hit one driving home run.

Phil Ayres and Tommy Hughes were among top hitters for the Ponies, each with a .400 average. The team had a .252 average.

Coach Tom Hughes had a very good year, being undefeated both in football and baseball.

Averages for the Ponies are as follows:

	AB	H	RBI	AVG.
Kilkenny	16	8	11	.500
Ayres	15	6	8	.400
Hughes	5	2	1	.400
McCabe	15	5	6	.333
Crisp	13	4	3	.308
Huson	13	4	6	.308
Kemp	15	4	1	.267
Gunderson	10	2	1	.200
Norton	7	1	1	.143
Harsin	5	0	0	.000
Curnutt	4	0	0	.000
Van Marter	8	0	0	.000

Home runs—Kilkenny 2, McCabe 1.

Bochee Speaks On Youth Needs At Chamber Meet

Youth of the community feel that there is a lack of interest in them as persons by leaders of the community.

This was the thought expressed by the Rev. Al Bochee, youth activities chairman of the Heppner-Morrow County Chamber of Commerce, who spoke on the subject of needs of youth at the Monday meeting of the organization.

The Rev. Bochee said that youth problems here are in four areas:

1. Not enough recreation. Adults may disagree, he said, but the feeling that there is a lack of recreation in the county is a reality on the part of youth.

2. Alcohol. Young people are getting alcohol, and it is getting them into problems, he said. "There is more of this than we realize," the speaker said.

3. Economic or vocational opportunities are lacking. Young people go to college and few come back, the Rev. Bochee said. "We lose the cream of the crop to other areas."

4. Moral problems. "A lot of us would like to close our eyes to these and say we don't have them. We need to face them squarely."

Young people want more responsibility, the youth chairman said.

"We should try to give them more responsibility in our own homes. Basically, delinquent children come from delinquent homes," he said. He added that the economic status of the home and the living conditions are not the principal factors in determining whether a home is "delinquent."

Parents are largely responsible for those young people who seem to have a disrespect for law or other people, he said.

"How many parents have left their children in the car, given them a penny and told them that if they see a cop come by, to put the penny in the meter real quick?"

The youth chairman said that he feels that establishment of a youth center in the county is a real need for the age group here.

Junior Trackmen Win Invitational

Continuing in the winner's circle, Heppner Junior High's cinder speed merchants won the Arlington May Day Invitational Track Meet May 5.

Pacing the young stars was Linda Starks, with firsts in high jump and softball throw, followed by Dean Wright, Craig Munkers, Gwen Drake, Linda Eckman, John Hall, Jerry Cecil, Patti Luciani and Bev McIntyre, each of whom placed in two events.

Coach Dick McIntyre said that he is very proud of the team's efforts on the field and their behavior off the field.

Team scores were: Heppner, 198½; Wasco, 170; Arlington, 124; Irrigon, 111; Ione, 79; Echo, 77½; Olex, 43; Fossil, 35; and Condon, 2.

4 Seniors Named For Scholarships

Four students from Heppner High school have been selected by the State Scholarship Commission of Oregon as recipients of 1966 scholarships.

Those receiving tuition and fee remission scholarships are Karen Yvonne French, Margaret A. Green, Jean Marie Realy and Mark Andrew Murray.

Miss French and Murray will attend Oregon State University. Miss Green will attend University of Oregon and Miss Healy will use her scholarship at Eastern Oregon College.

The recipients of the cash award scholarships were announced this week by E. B. Lemon, chairman of the Scholarship Commission, which awards these grants to be used at any accredited college or university, either private or public, in Oregon. The scholarships range in value from \$100 to \$500.

Chapter to Give \$300 Scholarship

The Morrow County Chapter of the National Foundation of the March of Dimes will sponsor a cash scholarship of \$300 for any high school senior of the 1966-1967 class who wishes to go into any branch of the medical field. It will be paid by semesters or quarterly. Applications will be available at all the Morrow county schools in the fall.

Any second term student already in this field can apply for this scholarship for second year help.

For further information, call Heppner 676-9484 or Ione 422-7419.

Mustang Trackmen Go to District

With some outstanding performances behind them, Heppner High's trackmen enter the district meet at Ontario this week-end with eleven having qualified at the sub-district meet.

Coach Don McClure announced that those who will compete, leaving here Friday, are the following:

Tim Driscoll, 100 yard dash

Mustangs Break Records, Win 3rd In Sub-District

By MAC HOSKINS

Capturing three firsts and two seconds, the IHHS track team took third place in the sub-district meet held at Burns last Saturday. Only the powerful squads from Burns and Malheur piled up more points than the Mustangs, who tallied 77.

Two of Heppner's three victories also established new sub-district meet marks. Tim Driscoll, who was third in the 880 in the state meet last year, ran a 2:01.4 in his specialty to surpass the former record of Burns' Bob Rhen by 1.4 seconds. Speedy sophomore Dave Hall skinned over the 120 yard high hurdles in 15.2, which demolished the 15.5 standard set by Sherman's Doug Bish several years ago.

The only other Mustang blue-ribbon winner for the day was Tim Smith, who demonstrated fine two-mile form with a 10:26.3 clocking.

Driscoll also took a second in the 220 in 23.2. Mick Kindie leaped 11'6" in the pole vault.

and 880; Dean Kindie, 220 and high hurdles; Allyn Witherrite, 440; Mark Brown, 880; Tim Tullis, mile; Bill McLeod, mile; Ken Morgan, low hurdles; Dave Hall, low hurdles and high hurdles; Steve Wagenblast, discus; Jim Jacobs, shotput and Mickey Kindie, pole vault.

Hall and Driscoll set records in the sub-district. Hall running the high hurdles in the new time of 15.2, and Driscoll running the 880 in the record time of 2:01.4. Heppner broke two of the four records eclipsed at the sub-district meet.

far below his season best, but still good enough for second place.

Hall scored another six points with his third place in the 180 yard low hurdles. Fourth place finishers for Heppner were Tim Tullis (54 flat in the 440), gutty freshman, Rick Witherrite (11:32 in the 2-mile), Ken Morgan (22.1 in the low hurdles), Driscoll (17'10" in the broad jump), and the 880 relay team (consisting of Dean Kindie, Mick Kindie, Ken Morgan, and Dave Hall) with a time of 1:39.9.

Dean Kindie also took fifth in the high hurdles, while Bill McLeod ran a sixth place mile in 5:07. IHHS weight men came up with two sixth places against some of the finest competition in the state. Burly Jim Jacobs pushed the shot 43' and Steve Wagenblast, who along with Hall, had set a school record in the previous meet, spinned the discus 132 feet.

Heppner's junior varsity spikers also did a fine job against strong competition by nabbing five firsts in the JV meet: Steve Pettjohn in the mile, Mark Tullis in the high hurdles, Dean Kindie in the low hurdles, Hall in the broad jump, and Stan Rauch in the shot put. Mustang mentor Don McClure credited freshman Vern Frederick so on with a fine second place JV 2-mile.

Are You Satisfied with Students' Attitudes and Reading Skills?

Thoroughly qualified with 18 years experience as an educator.

Many Oregonians are not satisfied. They are concerned about the education their children are not getting. Lack of respect for authority, poor reading, poor vocabulary... these are just a few of the weaknesses resulting from teaching methods prescribed by the incumbent State Superintendent of Public Instruction. Walter Blake will help correct these inadequacies.
