Nielson Plans Trip To Native Denmark To Visit Relatives

John Nielson of Heppner was probably disappointed in the sudden failure of the airline strike settlement over the weekend as anyone in the country. He is making a visit to his native land of Denmark to visit his wife's four sisters and his own two sisters and two brothers, all of whom live near Copenhagen.

As of Monday, he did not know whether he would be going by slow train or fast train from Hinkle, or by plane from Portland in order to be in Chicago in time to leave at 7 a.m. Saturday, August 6, for his over-the-pole flight to Copenhagen.

Nielson will meet his daughter and son-in-law and their daughters, one 16 and one 17, in Copenhagen for the family visits. The daughter and son-in-law will be making the trip from their home in Seattle.

On Nielson's return flight, he plans to leave Denmark September 16, at 3 p.m. and arrive at Seattle at 5 p.m. the same day, with time changes considered. He will then return to Heppner.
