

Scotty Hall Dies Of Heart Attack

James L. (Scotty) Hall, who operated Scotty's Ice Cream in Heppner for years, died July 28 in Vancouver, Wn., after suffering a heart attack. He was 65 years of age.

Hall operated the business here during World War II years, but in recent years he and his wife lived at 4903 N. E. 27th, Portland. He was active in the Masons here.

Funeral services were in the Ross Hollywood Chapel on August 1.

Surviving are the widow, Mrs. Evelyn Hall of Portland; a daughter, Mrs. Betty Richards; a son, Kenneth Hoyt of Independence; and four grandchildren.

Heppner Boys At Range Camp

Four Morrow County boys are attending the Oregon Youth Management Camp near Seneca this week. The boys, all from Heppner, are Gary Munkers, Jim Healy, Kelly Green and Rob Abrams.

Their sponsors are the Heppner Chamber of Commerce, Morrow County Livestock Growers, Heppner Soil Conservation District and Morrow County Farm Bureau. Each sponsor contributes \$30.00 toward the expenses of one boy at the camp.

Robert Benson, co-chairman with J. G. Stephens in Morrow County for this year's camp, took the boys to the camp Sunday afternoon.

Mr. and Mrs. Fred Gimbel, Rick and Tracey were in Heppner Monday and had an enjoyable day visiting friends. Now living in Lincoln City, they were on vacation and visited three days with his parents and relatives in Hermiston, and attended a Pacific Power picnic at Battle Mountain on Saturday. They returned to Hermiston Monday night and expected to go back to the coast Tuesday.

Wheat Utilization Group Urges Cake Entries

Through the years, cake-baking contests sponsored by the Oregon Wheat Growers League throughout the state have been highlights at county fair time. And this is no exception at the annual Morrow County Fair.

"It is our hope that there will be lots of entries in our own Morrow county cake-baking contest on Wednesday, August 24," it was emphasized by Mrs. Louis Carlson and Mrs. Lindsay Kincaid, co-chairmen of the wheat utilization committee of Morrow County Wheat Growers League.

The chairmen wish to emphasize the fact that entries are open to any resident in Morrow county, women or men over 21, or married women or men, excluding professional bakers. Wives of wheat league members are also urged to take an active interest and place entries. Cakes are baked at home in familiar surroundings, and brought to the fair pavilion the morning of the judging.

Judging of this year's "Our Family Favorite" chocolate cake, with chocolate icing, will be by an accredited judge who will also judge the open class baking entries in the foods department, with Mrs. George Curran as superintendent. Scoring is based on 110 points for perfect score; outside appearance, 30 points; inside appearance, 40 points; flavor, 30 points, and frosting, 10 points.

Cash premiums will be paid directly to the winners from the Wheat League office. County premiums are \$3.00, first; \$3.00 second, and \$2.00, third. Ribbons will be given out after judging at 9:00 a.m.

First place winner will be eligible to enter state bake-off at the annual state convention of the Oregon Wheat Growers League in December. Top award of \$100 will be paid the state winner, and a rotating trophy will be presented at the annual banquet. Local winners will also have registration fees, banquet tickets, and some incidental expenses paid at the state convention. Last year's winner was Mrs. Avery Taylor, who also made a good showing at the state bake-off in Pendleton.

As encouragement for a larger audience and attendance at the baking contest this year, additional chairs will be provided by the chairmen for seating

convenience. Anyone with questions is asked to contact either Mrs. Carlson or Mrs. Kincaid, or check with the fair premium book of this year. Recipe for the cake and icing in this year's contest is printed in the fair premium booklet. Anyone who does not have a copy may obtain one from the county extension office.

Two Place High In Ski Tournaments

Exceptional water skiing abilities of two lone boys was proven over the week-end as teammates Tom Heimlinger and Frank Halvorsen scored victories in two different tournaments.

Frank captured first place in the boys' jumping division at Seattle's big Seafair tournament with a very fine jump of 85 feet, with great form. Tom jumped against 18 of the finest men jumpers in the western region in the Regional Championships at Berkeley, Calif., and placed fourth.

Competing against Tom were Larry Penacho, world record holder; Denny Ryves, national record holder; and Chuck Stearns, perennial overall national champion. Tom got a break in the draw and got to jump last. In trying to "go all out" and surpass distances of the "big boys" Tom misjudged the wicked wake, was forced to cut on the jump in order to avoid a crash into the protective batter boards, causing him to take a spectacular 10-foot fall.

Safety director Dr. Demby examined him as he lay in the water trying to recover from having the wind knocked completely out of him. After no evidence of back injury or concussion was found, the doctor allowed Tom to continue jumping in the event. The large crowd showed its approval of his courage as he continued on to jump well over 100 feet and place fourth in the big event.

Next competition for the boys will be at the Tri-Cities tournament on August 20 and 21, to be held on Columbia Park near Richland.

4-H Horse Show For Fair Awards Set for Sunday

By GAIL L. McCARTY
County Extension Agent

The annual 4-H horse show held at fair time will be this Sunday at the Morrow County Fairgrounds starting at 1:30 p.m. All 4-H horse club members are urged to participate as this will be the event for which county fair premiums are paid and State Fair participants selected. There will be horsemanship and horse showmanship contests as well as classes of horses to judge.

This event is scheduled in advance of County Fair this year in order to allow representatives to participate in the 4-H horse show at the Oregon State Fair which begins on August 22.

4-H Pig Scramble Rules
The annual 4-H pig scramble is being planned for the evening of Thursday, August 25, immediately before the 4-H and FFA Livestock Auction Sale. This is an excellent means for a young 4-H club member to get a start in a livestock project. The rules are as follows:

1. The Morrow County Fair and Rodeo will not be responsible for any accident connected with this contest.
2. 4-H boys and girls participating in the Morrow County Fair and Rodeo enterprises are eligible for this contest, providing they have not caught a pig in last year's scramble.
3. Ages of contestants must be 9 to 13 years, by January 1, 1967, inclusive and they must have the consent of their parents or guardians. Contestants must be able to supply suitable feed and facilities for pigs caught in the Scramble.
4. An application must be filled in and signed by the applicant, approved where designated by county agent and parent.
5. Participants catching pigs are required to take the pigs out of the arena in the allocated time.
6. The pig must be fed out in a 4-H project, it or one of its litters exhibited at the 1967 fair.
7. Any premium money or other money derived from the sale of the pig will be paid entirely to the boy or girl.

Many Help Stop Fire at Emerts

Field fire that got out of control at the Delbert Emert place at lone for a short time late Monday afternoon burned a considerable area but did little damage, Mrs. Emert said Tuesday.

Mrs. Emert said that it seemed "everyone came from everywhere" to help put out the fire, and it was virtually extinguished by 7:30, two and a half hours after it started. It didn't reach wheat fields, being stopped at a fence line. Although the wheat was harvested, cattle were in the stubble.

A man working for the Emerts was burning dodder weeds in ditches and around alfalfa fields when wind suddenly whipped the fire out of control about 5 p.m. The weed problem had become more serious since the floods of 1964-65 had brought in more weed seeds. Burning is necessary for their control.

When the fire swept out of control, most of the area burned was covered with weeds, too, and so the fire probably did more good than damage. Emert was not at home at the time of the fire, and Mrs. Emert was very grateful for the help of the neighbors and friends who came and helped in fighting it.

Mrs. Frieda Slocum returned this week from attending a summer session at the University of Utah in Salt Lake City. Among her campus observations, Mrs. Slocum found that with buildings getting so wide-spaced, students are finding campus buses to be a most welcome addition.

Mr. and Mrs. Gordon Kunkle and children, Steve, Lori, Terry and Tom, of Dallas visited Saturday evening and Sunday with Mr. and Mrs. Wes Sherman. They were en route home from a trip to Minnesota where they visited Mrs. Kunkle's father and mother. This was Mrs. Kunkle's first trip to Heppner, but he coached at Moro in the late 1940's and brought athletic teams here. Mr. Kunkle is assistant superintendent of schools Dallas.

help of the neighbors and friends who came and helped in fighting it.

Boschee Nominated For Church Position

Rev. Al Boschee, minister of the Heppner and Lexington Christian churches, has been nominated as the representative of the Christian Churches of Oregon on the Town and Country Committee of the Oregon Council of Churches.

This committee considers matters related to the work of the churches in rural areas of the state. Rev. Melvin Dixon of the Heppner Methodist church is also a member of this committee.

Boschee is at the present time a member of the Town and Country church committee of the Christian Churches of Oregon.

HOSPITAL NEWS

Patients who were admitted to Pioneer Memorial hospital during the past week, and are still receiving medical care, include the following: George DeLaurie, Heppner; Edith Case, Heppner; Patricia O'Hara, Heppner; and Clarence Moore, Long Creek.

Those who were admitted for medical care, and were later dismissed, were the following: Mary Krieger, Heppner; Deanna Kilgore, Heppner; Ray Johns, Fossil; Ray Barnett, Lone, and Allen Burkenbine, Heppner.
