Kelso-Bell Vows Exchanged Saturday At Church Ceremony

KINZUA — In a candlelight ceremony Saturday afternoon, August 13, at the Kinzua Community church, Miss Sharon Anne Kelso, daughter of Mr. and Mrs. Robert M. Kelso, became the bride of Daniel Edward Bell, son of Mr. and Mrs. Willard J. Bell, Sr. of Fossil.

The double ring service was read by Rev. Edwin Derrick before the altar which was flanked by tall arrangements of yellow gladiolus and white carnations.

The bride, escorted to the altar by her father, wore a floor length gown of light blue brocade with a long sleeve overblouse of light blue lace. Her finger tip length veil of blue net was held by a crown of blue lace with flowers of the lace applied on the net. She carried a spray arrangement of white carnations.

Matron of honor was Mrs. Paul Oyster; maid of honor was Miss Becky Schroeder, and bridesmaid was Mrs. Ray Reesor. All wore identical floor length gowns of yellow peau de sole fashioned with a scooped neckline and their shoulder length veils were held by yellow circlets. All wore white accessories and aurora borealis pendants, and carried yellow and white flowerballs.

Cindy Bowman was the flower girl and wore light blue peau de sole with a short yellow head veil and carried a white basket of petals. Ring bearer was Michael Rice.

Candle lighters were Theresa and Christine Vader of Astoria, nieces of the groom.

Jack Bell of Fossil served as her brother's best man with his brothers-in-law, Charles Vader of Astoria and Roy Curtis of Wallowa as groomsmen. Ushers were Floyd Rollins of Pendleton and Jack Chase of Fossil.

Traditional wedding music was played by Mrs. Robert Kelso who also accompanied W. C. Freeman when he sang "The Twelfth of Never" and "Lord, Bless This Hour".

The bride's mother wore navy blue with white accessories and mother of the groom chose a blue and white two piece knit ensemble with blue accessories. Both had corsages of white carnations.

Miss Belinda Meadows was in charge of the guest book with Miss Sally Schroeder and Miss Rita Sitton attending the gift table.

The reception was held immediately afterward in the church annex where the three-tiered wedding cake topped with a bride and groom centered the lace covered table. After the newly married couple shared the first slice of cake, it was cut and served by Mrs. Verne Edwards of Fossil.

Pouring coffee was Mrs. Bert Hoover of Kinzua and serving punch was Mrs. Jack Bell of Fossil. Miss Sara Bowman passed out the rice bags.

Both Mr. and Mrs. Bell are graduates of Wheeler High school in Fossil and they will make their home in Kinzua where Dannie is employed by Kinzua Corporation.

Degree Lodge Enjoys Barbecue Meeting

Members and guests of the Degree of Honor Protective Association met at the home of Mrs. Mary Bryant on Tuesday evening, August 9, for an outdoor barbecue. Assisting with arrangements was Mrs. Lincoln Nash. A group of 25 persons enjoyed the evening.

During the business meeting which followed, the secretary read a letter from the organization's national secretary congratulating Karen Hams, upon qualifying for a \$200 Degree of Honor scholarship.

National Treasurer and State Director Clara B. Gertson reported on her plans to attend a national board of directors meeting at St. Paul, Minn., August 23 and 24. She will join Mrs. Esther Morgan, national first vice president, of Shelton, Wn., and they will travel together by train from Pasco, Wn. Mrs. Gertson also reported on her recent tour to Alaska and Canada.

Mrs. Pete McMurry was hostess to the evening meeting of the Carnation club on Friday, August 12.

Sperry Descendants Gather for Reunion

Forty descendants and friends of Emery and Frances (Compton) Sperry met at Hat Rock Park Sunday, August 14, for their annual family picnic and reunion. After enjoying a potluck dinner at noon, the younger members of the group spent much of the afternoon swimming with older members visiting and reminiscing of the past.

Two members of the Sperry family were present. Mrs. Roy Thomas of Walla Walla and Mrs. Blaine Chapel of Ione. Mrs. Berl Ward of Townsend, Montana, was unable to attend.

Prizes were awarded the following: married the longest, Mr. and Mrs. Bert Bleakman of Hermiston; anniversary nearest the date of picnic, Mr. and Mrs. Tom Fraters, Grass Valley; coming the greatest distance, Frankie Harshman. Eugene couple married the shortest time, Mr. and Mrs. Joel Engleman, Ione.

A short business meeting was held, with Mrs. Loyd Harshman and Mrs. Verl Warrens chosen as committee leaders for the coming year.

Court Well Received During Busy Schedule Of Public Appearance

Morrow County's Fair and Rodeo Queen Erna Winchester and her princesses, Susan Lindstrom, Mardee Childers, Barbara Bloodsworth and Verina French and their chaperone, Mrs. Archie Munkers, had a very busy Saturday before the big coronation and queen's dance.

At 8 a.m. they left for Hermiston taking their horses and outfits to ride in the Umatilla County Fair Parade. The court was accompanied in this parade by four standard bearers from Morrow county, Judy Jones, Theresa Munkers, Marcia Jones and Gail Malcom.

After riding in the parade, members of the court were guests at a dinner given for visiting courts and for the Umatilla court and their families and other notables at the Recreation Hall at the Umatilla Fair grounds.

Following the luncheon the court rode in the grand entry for the Umatilla County Junior Rodeo and then quickly loaded their belongings and returned to Heppner.

At 6 p.m. Saturday the mothers of the court and Mrs. Munkers gave an informal potluck dinner at the Wrangler's club to which they invited the Rodeo Board and the 1965 queen and court and their families.

Today, Thursday, the queen and her court will be guests of the Soroptimist Club of Heppner during the court's regular luncheon meeting.

Friday they will go to Pendleton to make a radio broadcast for Radio Station KTX. This program will be heard at 1 p.m.

Nickerson Daughter Travels Around World With ISA Study Tour

Lisa Nickerson, daughter of Dr. and Mrs. Francis Nickerson of Eugene and granddaughter of Mrs. Grace Nickerson and the late Frank Nickerson who operated the Morrow County Abstract and Title Co. in Heppner for many years, has done something while still in college that many people aim at doing all their lives. She has made a trip around the world.

The Eugene Register-Guard devoted a full page to a description of Miss Nickerson's trip of last school year. The trip was an accredited study trip, spending eight months with 14 other United States students in the International School of America (ISA) and for which she received a year of academic college credit. The participants lived for some time in each country, visited and attempted to really know the people.

"People were wonderful to us," the article quotes her as saying, "but there is a definite resentment of United States policies everywhere we went except Germany. People feel our government meddles in other countries' affairs and that it is insensitive to other countries' feelings." She is quoted as saying that she was asked most often to explain United States policy in Vietnam and our problems with integration.

For Lisa the world was a college classroom. In an eight month study tour, she visited Asia, the Middle East and Europe while earning a year of academic credit. She will soon enroll for her senior year at the University of Pennsylvania in Philadelphia. Her father is dean of men on the faculty at the University of Oregon at Eugene.

In the interview she stated "Before I went I was planning to major in Near Eastern Archeology, but after seeing the modern world, I've lost all interest in the ancient. Now I plan on studying some phase of international relations."

Mrs. Sara Morrow of Prescott, Ariz., is Visiting her son-in-law and daughter, Mr. and Mrs. Bob Abrams, during August.

Travels in Germany Found of Interest To Barnes Family

Typical of the international range of families even in a small town these days is the family of Mrs. Gerald Barnes (Carolyn McDaniel), daughter of Mr. and Mrs. Carl McDaniel and a 1958 graduate of Heppner High school.

Mr. and Mrs. Barnes and their three small children, Andrea Joan, 4; Leslie Kim, 3, and Douglas Paul, 1, in September, moved to Frankfurt, Germany, early in June from their home in Maryland. The father is employed there with the Federal government and Mrs. Barnes is helping in a clothing company which makes uniforms.

Interesting correspondence has been coming from the Barnes family to her parents here. Some quotations from the letters follow:

"Last week-end we drove south to Heidelberg which is really a fairytale city. It looks like something in a drawing. We drove up a mountain (rather like the old loops on the Columbia, though not such a distance) to a restaurant which overlooked the city. Directly below us was a huge old castle which looked as though it had been there since the beginning of time. On below lay the old part of the city and the river, here and there through the trees on the river hillsides, were the traditional pink-roofed houses. Very lovely.

"One funny thing here that I haven't been able to get used to is the length of time we have daylight. Because we are pretty far north (as compared to Maryland) it doesn't get dark until about 9:15. Then at about 4 a.m.—guess what, there's the sun again!

"I went to a German-I course. It is taught by two Germans and they are like nothing ever seen in American schools. They leap and jump about, snapping their fingers and shouting at us. It is really a lively class! They speak nothing but German to us. Each class is three hours long—Monday and Wednesday—for two months. I have a feeling I'll have to sweat for those three credits!"

Each day is filled with new and interesting things to see in Germany and the surrounding countries.

Ayres Enjoy Luxury Cruise to Caribbean With Mercury Dealers

Mr. and Mrs. Earl Ayres returned Sunday from a business-pleasure trip which they took as Heppner Lincoln-Mercury dealers to the Caribbean to preview the division's new models aboard a luxury liner and on the beach at St. Thomas, Virgin Islands.

The Lincoln-Mercury division showed their 1967 cars as part of a seven day "Caribbean Capers" voyage which 570 contest winning dealers and their wives took from August 6-13 on the S. S. Independence from New York to St. Thomas and San Juan, Puerto Rico.

The 1967 Mercury and Lincoln Continental lines were shown on the Independence and the Mercury Cougar, the division's new specialty car, on the beach at St. Thomas.

Entertainment on the voyage was headlined by singer Vic Damone while Chris Schenkel, director of ABC-TV sports handled the product presentation.

According to Earl Ayres the trip was wonderful. He and Mrs. Ayres flew to San Francisco from Portland by private airline and then went on from there by chartered plane stopping at Los Angeles. They were aboard the ship a week.

Death Takes Sister Of Mrs. Harrison

Mrs. D. H. Courtney of Forest Grove, sister of Mrs. Fred Harrison, Sr. of Heppner died Friday, August 12, after being hospitalized for more than two months.

Funeral services were in Portland and Mr. and Mrs. Harrison, Sr., and Mr. and Mrs. Fred Harrison, Jr., of Pendleton drove to Portland Sunday to attend. They returned Monday.

Mr. and Mrs. Courtney had observed their golden wedding anniversary two years ago in June. They have lived in Forest Grove for the past 30 years.

Mrs. Irene Wyman and daughter Sheridan were in Portland from Thursday until Sunday. Miss Wyman was bridesmaid at the wedding of Miss Judy Hamilton and James Johnson in St. Bartholomew's Episcopal church at Beaverton. Mrs. Wyman was to assist at the reception but became ill with the flu Friday night and was unable to attend.

Morrow County CROP-WEATHER SUMMARY Week Ending August 12

(Compiled by U. S. Department of Agriculture, Portland)

Grain harvest 85 per cent completed. Most of what is left is in the higher areas of south Morrow. Wheat average south Morrow 18 to 20 bushels—north Morrow 28 to 30. Good alfalfa regrowth noted as a result of June and July moisture on water short irrigated lands in narrow valleys.

Crop Prospects Improve in July

On August 1, grain crops in Oregon showed improved production prospects, according to the Oregon Crop and Livestock Reporting Service. After a slow start because of unfavorable spring growing conditions, crops responded to the favorable maturing weather during June and July.

Wheat production prospects, particularly winter wheat, showed considerable improvement during July, with yields turning out better than expected. Production is now set at 25.6 million bushels, over 1 million more than last month's estimate, but nearly 5 million bushels below the 1965 crop.

Several other grain crops also showed substantial improvement in production prospects during July. Oats, now placed at 6.2 million bushels, compared with 5.5 million but are still below the 1965 crop of 7.8 million bushels; and barley, estimated at 16.8 million bushels, compares with the 14.8 million bushels of the 1965 crop of nearly 17 million bushels. For both these crops yield prospects increased 5 bushels per acre during July. The Oregon forecast for corn and dry field peas remained unchanged from last month's forecast. (Corn for grain at 949 thousand bushels and dry field peas 143,000 hundred pound bags).

Hay production at nearly 2 million tons remained about the same as a month ago.

Surveys Made On Windbreaks To Aid Farmers

By GENE WINTERS
County Extension Agent

Last Wednesday proved to be an excellent day to observe the effectiveness of windbreaks. It was also a good day to demonstrate wheat losses from a combine harvester during a windstorm.

We, Charles Rose, extension forester, and I, visited ten windbreak plantings in the county during the day. As a result of the observations here and in other Columbia Basin counties, recommendations for establishing and managing windbreaks will be brought up to date this fall.

Wheat losses during that windy afternoon of harvesting could have run as high as several bushels. Kernel counts showed one and two bushel losses. In the case of Gaines wheat a bushel per acre loss would average between 15 and 16 seeds per square foot.

Referendum Up for Approval For Use in Wool Promotions

Morrow County wool growers won't want to overlook the referendum on the lamb and wool promotion and marketing program.

The referendum will determine whether or not deductions will continue to be made from producer payments earned under the national wool program. Funds collected are used by the American Sheep Producers Council to carry out a program of advertising, promotion, and related activities under an agreement with the Secretary of Agriculture.

Approval of the new agreement would authorize payment deductions of up to 1 1/2 cents a pound of shorn wool and 7 1/2 cents a hundredweight on unshorn lambs. These deductions compare with 1 cent and 5 cents in the past. The higher deductions were recommended by ASPC member organizations as a means of financing a moder-

ately expanded promotion program for both wool and lamb. David McLeod, ASCS office manager, said ballots will be mailed to all known county wool producers in early September.

Sandbur Control Studies Made

This week several Columbia Basin county courts, county weed supervisors and county agents are visiting a number of sandbur control plots in Umatilla county.

Field sandbur, being a shallow rooted annual grass-like plant, has proven difficult to control season-long with soil sterilants. Several treatments with contact herbicides and grass killers are necessary during the growing season for control.

As a result of the Umatilla tour and local plots, we hope to find the material and timing necessary for satisfactory control of this pest with soil sterilants.

in said Estate and the Court has fixed Tuesday, the 6th day of September, 1966, at the hour of 10:00 o'clock a.m. of said day as the time and the court room of the County Court in the County Court house in Heppner, Morrow County, Oregon, as the place for the hearing of objections to such Final Account and Report and the settlement thereof.
