time 4-H and FFA livestock will be weighed on arrival and tagged, he said. Previously it was weighed on Thursday morning after a 12-hour shrink.

Eight Pigs in Scramble

Eight pigs are lined up for the always interesting pig scramble Thursday night and more will be obtained if needed, McCarty said. At the livestock auction the same night the staff of First National Bank of Oregon, Heppner Branch, will act as clerks once more.

In food service to the public, the fair will be well prepared again this year. The 4-H Snack Shack with Paul Arbogast as chairman will be open throughout the fair, and it will feature a Dollar breakfast for all who wish to eat their morning meal on the grounds.

The home-cooked foods of the Rhea Creek Grange will assuage hungry appetites Thursday from 4 until 7 p.m.

Fair exhibits will be released on Friday, August 26, at 2 p.m. This will be the big day of the open horse show, which is actually a part of the fair but has a day and standing of its own. It will be at the rodeo grounds, starting at 9 a.m.

Many Work on Plans

More than 65 superintendents have been working on the fair together with the fair committee, 4-H leaders, extension staff and many others.

Heading the fair board is Bernard J. Doherty and members are Mrs. William (Jane) Rawlins, Paul Hiler, Floyd Jones and Zearl Gillespie, with Mrs. Glenn (Lenna) Smith as secretary.

Ron Currin is chairman of the fair committee, and members are Mrs. Louis Carson, Mrs. James Lindsay, Mrs. Paul Slaughter, Carl Rhea and Gilbert Van Blokland, with Gail McCarty as secretary.

A work day with 4-H leaders and helpers taking part will be held at the fairgrounds Sunday to get facilities in final readiness for the show, McCarty said.

Rebekahs to Serve Luncheon for Courts

Rebekah lodge will serve the luncheon for visiting fair and rodeo courts and other dignitaries on Saturday, August 27, during the rodeo, Randall Peterson announced at the Monday meeting of the Chamber of Commerce.

It will be held in the Elks' temple, he said.

John Venard, rodeo secretary, said that more courts from other towns are expected than in any previous year.

Peterson said that plans are progressing well for the parade, with a number of entries already announced from Hermiston and from Gilliam county.

Mrs. Elma Harshman was appointed by Wes Sherman, acting president, as chairman of a committee to solicit non-members of the Chamber for prize money for the parade. Others on the committee are Frank Turner and Avon Melby.

Volunteers for ticket taking duties, headed again by Elmer Schmidt, were sought from the Chamber membership and several responded, although more are needed. Anyone interested in helping is asked to contact Schmidt.

McClures Move

Mr. and Mrs. Don McClure and family moved Monday from Heppner to Ashland where he has a position teaching physical education in the junior high school and coaching track for the seventh, eighth and ninth grades. They have lived in Heppner for the past five years with McClure being track coach at Heppner High as well as assisting in other sports. He said that they will miss the many friends they made in Heppner.

Visiting with Mr. and Mrs. Bob Henry and family from Tuesday until Thursday were Mrs. Paul Parent, sister of Mrs. Henry, of Spokane, and Mrs. L. E. Woodruff, mother of Mrs.

for the Pendleton Round-Up, previously scheduled September 16, was eliminated. School will be held on that day. However, it was decided that students will be excused on parents' request to go to the Round-Up either on family day, Wednesday, September 14, or Friday, September 16.

needs for purchase of the district-owned houses. The district is permitted to continue to use the present houses until the vacation deadline.

Bid Awards Made

Several other bids were opened and awards were made as follows:

Heppner Auto Sales, \$2658.44, on bus chassis.

W. J. Roots Co., \$2298.40, plus \$500 delivery, on Carpenter bus body.

Fulleton Chevrolet Co., \$1974.18 each on two pickup trucks.

Barnett's Chevrolet, lone, anti-freeze at \$1.70 gal.

Kuhn's Garage for bus service and supply in Boardman.

In addition, nine bids were accepted on contract bus runs in the district. Such contracts are given when it is considered more economical for the district than running a regular bus to pick up a few children in outlying areas.

Supt. David Potter said that district busses ran a total of 237,000 miles last year at a total cost of \$77,000. This averages 32.7¢ per mile for each mile that busses traveled. This, he said, is lower than in many districts where costs are as much as 50¢ a mile or more.

The superintendent said that administrators of the schools have been working on students' and parents' handbooks that will be issued at the start of school throughout the district.

Auditors Report

Report of Witherall, LaVoie and Morrison, who have completed an audit of the district's records, was very favorable to the school district, it was stated. Supt. Potter said that Mrs. Alice Vance, clerk, "did a fine job of bookkeeping" for the district. Some criticism was received from the firm on the methods used in keeping student body and cafeteria records in the various schools, and a meeting will be arranged with the auditors and administrators to work out procedures. Copies of the auditor's report were left with the board for reference.

Water easement for laying a city pipeline to the new school was heartily approved by the board. The city asked for the easement in the project to construct the new pipeline around the west side of the city.

Supt. Potter reported on arrangements made with the fair and rodeo for providing parking on the upper levels of the George property during the coming events. The county has bladed and graded the parking area and provided a road through from the fairgrounds.

Henry, of Sandpoint, Idaho. Mary Ruth Henry, daughter of Mr. and Mrs. Henry, came home with them after visiting with the Parents for the past 10 days.

All-Star Tickets Go Fast For Saturday Game

If the Round-Up Stadium in Pendleton isn't filled nearly to capacity Saturday night for the Shrine All-Star A-2 and B football game, it won't be the fault of local grid fans.

Dr. L. D. Tibbles, who has acted as local ticket agent for the event for several years, said early this week that his original consignment of 200 tickets was sold out, and Larry Cook, Shriner who has worked on game arrangements for years, was trying to obtain some more.

In any event, it is assured that there will be a large contingent of Morrow county people in the stands.

Their principal interest in the game itself will be in watching Tim Driscoll, Heppner High grid great, and Mark Halvorsen, lone High star, perform in the game. Both carved outstanding records as backs for their respective schools, and it is expected that they will turn in creditable performances in the Saturday night contest.

Downtown parade in Pendleton Saturday at 3 p.m. will open festivities prior to the game. Pageantry at the field will begin at 7 p.m., and kickoff is scheduled at 8:15 in the colorful event.

Alva Brown of Serra Catholic High school, Salem, heads the East's coaching staff and Joe Miller of Elgin High school is his assistant. Chief mentor for the West is Dick Sutherland of Bandon High school and his assistant is Robert Harris of Jefferson High school at Jefferson.

Teams have been practicing since August 7 with the East drilling in La Grande and the West in Pendleton.

This will be the 15th game between the East and West, and the westerners have the edge in games won, 8 to 5, with one tie. East won last year, 7-0.

Queen of the event this year is Deanne Kay Buckley, daughter of Mr. and Mrs. Robert Buckley of Pilot Rock.

All net proceeds of the game are paid to the Shriners Hospital for Crippled Children in Portland. Contributions in the 14 years to 1966 have totaled \$138,000.

Some 36 bands and marching units will participate in the Saturday afternoon parade, terminating at the Round-Up grounds. About 1000 persons will take part in the colorful pre-game

Teachers Hired; Three Posts Open

Hiring of five teachers was approved by the directors of Morrow county School District R-1 at their regular meeting Monday night.

Resignation of Mrs. Janet Groves was received and accepted with Supt. David Potter stating that she cannot fill the three year of her three-year contract. She has taught speech and drama at Heppner High school for a number of years.

Supt. Potter said that three vacancies in the system remain to be filled, including first grade positions at Heppner and lone, and a second grade position at Heppner. He was devoting much of this week in trying to find suitable applicants.

J. W. Fielder will replace Mrs. Groves at Heppner High. He has a bachelor's degree and six years experience.

Other teachers approved are: Carl Lawson, lone elementary; Mrs. Bertha Severin, Heppner elementary; Mrs. Mary Ann Hildebrand, physical education at Heppner High, part time; and Mrs. Frances Potter, Heppner elementary.

Mrs. Marylee Hiemstra, wife of Ed Hiemstra, Heppner High football coach, was hired as secretary at the lone schools.
