And there's no panic when you discover late at night that Billy has no clean trousers for school tomorrow... or that Mary must wear her special dress. They're clean in minutes in your automatic clothes washer. Pop them in your electric clothes dryer before you retire for the night. Everything will be fluffy dry in the morning.

Yet an electric clothes dryer is as safe as a light bulb. That's because it's flameless. Just set the con-

An all-electric laundry saves money, particularly for families with children who seem to "grow out of their clothes." Fewer changes are needed because the youngster's clothing can be washed and dried so easily. Children can, therefore, "grow through" instead of "out of" garments.

Small wonder that an electric clothes dryer is a woman's most wanted appliance!
