Grange Insurance Elects Peterson

(From The Oregon Voter)

Judge Oscar E. Peterson of Ione, long an articulate voice in the development of Eastern Oregon, has been chosen president of the Grange Mutual Insurance Co., succeeding Roscoe Roberts, Medford, who succumbed last month after a long illness.

Judge Peterson has been a director of the company for 12 years and has played a prominent part in its exceedingly remarkable growth.

The company's insurance in force as of this date is $83,932,969.

As former head of the agriculture committee of the Grange Judge Peterson made an outstanding record.

Probably no man played a more important part in the development of the Boardman area than did Judge Peterson. He was in the forefront of a project that ultimately resulted in Boeing's interest in what promises to be a huge complex.

Presently Judge Peterson is playing an important part in the proposed reclassification of desert lands in Eastern Oregon.

Ford Announces Warranty Plan

Earl Ayres, president of Heppner Auto Sales, Inc., has announced that all purchasers of 1967 model Ford cars and light trucks will receive a 24-month or 24,000-mile basic vehicle warranty along with a 5-year or 50,000-mile warranty on the power train components, which include the engine, transmission, drive line and rear axle.

The new warranty, he said, is the best the industry has to offer and will be an important factor in backing up performance from Ford cars and trucks.

The 24,000-mile warranty was pioneered by Ford Motor Company on the Lincoln Continental and was later extended to the entire vehicle line.

"Extension of this warranty on the power train components for 1967," Ayres said, "is possible because of continued progress toward quality and reliability goals that year after year have enabled Ford dealers to be the leader in providing products requiring less and less maintenance."

Ayres said that his dealership would introduce the new 1967 models to the public on Friday, September 30.

Firemen Called

Labor Day quiet here was broken about noon Monday when a general fire alarm sounded. It was to a grass fire near Anderson's Builders Supply. Three of four firemen arrived with two trucks in time to help put it out but residents there had it virtually suppressed when they arrived. A silent alarm Wednesday took out one truck to find a car that reportedly was on fire. The firemen couldn't find a burning car and returned. The two who responded were Chief Charles Ruggles and Bill Farra.

Lynch Improving

Jim Lynch, who was seriously injured in a fall in the dry kiln under construction at Kinzua Corporation's plant here July 4, is now showing good improvtment at Good Samaritan hospital, Portland, it was reported this week. It is expected that he will be confined to the hospital for six or eight months, although he may transfer to the Veterans' hospital from Good Samaritan at some time in the future.

Mr. and Mrs. Don Munkers spent three days of their vacation last week visiting with Mrs. Munkers' aunt, Marie Clark, in Monmouth. They spent the rest of the time "loafing" in the Jerry Rood's mountain cabin.
