Interest Declines!

We've noticed that in the last few years, interest in school clubs and organizations has declined a great deal. Our clubs could be very worthwhile if we had more members who were interested in getting something done.

And improvements must come through the students. This is the time of the year when the clubs are getting reorganized, so let's get out and recruit new members. There are clubs open to all of us, especially the girls.

By joining some of these we will get a better chance to know everyone, along with promotion of more activities and school spirit. Let's all try to make this year the most successful of all.

Respect Lacking?

Do the underclassmen respect the upperclassmen in HHS? As seniors we see that there is little or no respect in this school. When we were freshmen we waited for seniors to leave the assemblies first without being asked to. We are also sure that every year a senior writes an editorial similar to this one complaining of such respect. Well, as seniors it is our privilege to do so and hope that something will be done to improve this matter. Show a little respect!

TO THE EDITOR

To the students of Journalism II:

Dear friends:

It is my sincere hope that you who have taken over the job of publishing the HEHISCH realize the challenge, the responsibility, and the need for a good school paper. For the sake of your own education and the education of the readers of the HEHISCH I hope that you will strive to make this year better than last and better than all the years in the history of our school paper.

Enclosed is a check that I

know will be well spent for that "special need" that will arise sometime this year.

My sincere thanks to Mrs. Dick and this course. I know what it has done for me—see what you can make it do for you!

Sincerely yours,

Jim Barclay

Chorus to Rehearse

The HHS chorus will meet every Friday during the second half of "F" period. The group of approximately 20 girls will hold section rehearsals at 12:30 several times a week. The chorus is under the direction of Mrs. Rachel Dick.

Future Farmers Attend Meeting

Several local officers of FFA attended the district meeting of FFA officers at Hermiston held on September 19. Those attending were Bob Harris, president; Steve Wagenblast, vice-president; David Hall, secretary; Alfred Drake, treasurer; Earl Struckmeier, reporter; and Stan Rauch, sentinel. Mike Alsop, officer-at-large, was unable to attend.

September 10, the FFA judging team returned with the second place trophy from the FFA judging contest at the Sherman County Fair. The team included Steve Wagenblast, Bob Harris, Earl Struckmeier, and Alfred Drake.

Sherman County received first place.

The girls who will make up the drill team were chosen the week preceding the election. They participated in the try-outs and were selected by several faculty members and the class presidents. The Photography Club will be headed by Mike Sweeney, president; Charlie Anderson, vice-president; Teensie Moore, secretary; Marty Boyajian, treasurer; and Gale Malcom, student council representative.

A graduate of HHS in 1964, Ginny Moore has been named a counselor at EOC. She is a junior, and is the daughter of Mr. and Mrs. Tim Moore.

Britt Misses First By Only One Point

One point separated Roger Britt from getting all-around cowboy honors at the Western Rodeo Association finals held at Madras September 24.

Roger won first in cow riding and saddle bronc riding. He was runner-up in bareback riding. The contestants competing in the rodeo were from the ages of nine to 19. This finished the junior rodeo season.

Roger is a junior this year at Heppner High school.

NOTICE ALL WATER USERS Of Willow and Rhea Creeks and Tributaries

With extended dry season, we have an extreme stock water shortage on all reaches of the streams. Many users cannot utilize their fall pastures without water in the creek. As these are stock water decreed streams and irrigation season ends on the majority by September 1, and October 1 on most of the balance, this should remove all questions as to the preference for stock water.

I would like users' cooperation on discontinuance of all irrigation for the season, so that the small amount of water in the creeks can make its way down stream. Much stock is coming in early off fall ranges, and presents a drastic need for the limited water supply.

If any questions arise, I may be contacted at Pendleton 276-7111. Jerry Haines, water master, or Boyd Hadden, assistant, will be contacting individuals in the next few days. Thanks for all cooperation.
